and go out of existence Mainstream theology often argued for Christ's impossibility to change immutability be separated from the triune God indivisibility and sin impeccability Consequently there was no potential risk to his life his death on the cross could not affect in any form his divine life Would the cross not need instead a risk to be a sacrifice Here is where the question finds its raison d'être Could God's Son risk his eternal existence losing himself forever with all humankind This question is rarely considered or often neglected in Christological debates Ellen G White a woman among the most prolific nineteenth century authors and a prominent Adventist theologian delves into what she calls the infinite risk the potential reality of the death of God the Son Drawing on her extensive writings this book analyses White's Christology Incarnational model and views of the Godhead and of what could have happened at the cross cutting new paths in the comprehension of God's love while challenging conventional theological paradigms Freud 2000 Anthony Elliott,1999 Freud 2000 is a bold defense of the relevance and importance of Freud to contemporary culture offering a highly readable and lucid application of Freudian concepts to current theoretical issues in the social sciences and the humanities Issues addressed include the impact of Freud on our understandings of identity and sexuality the relationship between psychoanalysis and feminism problems of epistemology and method the analysis of political violence and international relations the temporal and spatial constitution of social practices the coherence of law and jurisprudence the interpretation of biography and autobiography and the dynamics of modernity and postmodernism **As a Woman** Paula Stone Williams,2021-06-01 This moving and unforgettable memoir of a transgender pastor's transition from male to female is an audacious gripping and profoundly real journey that speaks to the mind heart and soul Joshua J Dickson director of Faith Based Initiatives Biden Campaign perfect for fans of Redefining Realness and There Is Room for You As a father of three married to a wonderful woman and holding several prominent jobs within the Christian community Dr Paula Stone Williams made the life changing decision to physically transition from male to female at the age of sixty Almost instantly her power and influence in the evangelical world disappeared and her family had to grapple with intense feelings of loss and confusion Feeling utterly alone after being expelled from the evangelical churches she had once spearheaded Paula struggled to create a new safe space for herself where she could reconcile her faith her identity and her desire to be a leader Much to her surprise the key to her new career as a woman came with a deeper awareness of the inequities she had overlooked before her transition Where her opinions were once celebrated and amplified now she found herself sidelined and ignored New questions emerged Why are women's opinions devalued in favor of men's Why does love and intimacy feel so different And was it possible to find a new spirituality in her own image In *As a Woman* Paula's critical questions about gender personhood and place are relevant to anyone Her writing insightfully reveals aspects of our gender socialization and culture that often go unexamined but that need to be talked about challenged and changed Soraya Chemaly author of *Rage Becomes Her* in order to fully understand what it means to be male female and simply human *How God Acts* Denis Edwards,2010-01-27 From providence and miracles to resurrection and intercessory prayer

Edwards shows how a basically noninterventionist model of divine action does justice to the universe as we know and also to central convictions of Christian faith about the goodness of God the promises of God and the fulfillment of creation Here is wonderfully lucid theology supporting an excitement of how God is at work in the universe *Breathing Lessons* Michael Sky,2011-04-06 Long used by meditators as a way to inner peace health and vitality intentional breathing can also help to deal with difficult emotions In *Breathing Lessons* Michael Sky details simple but potent breathing techniques that are intended to be experienced as they are read He discusses breath the central organizing life force as it relates to emotional responses lifetime habits love personal relationships social viruses raising happy children and living creatively Ultimately this is simple human alchemy We are learning to breathe spirit into flesh **Risk Is Right** John Piper,2013-01-31 A choice lies before you Either waste your life or live with risk Either sit on the sidelines or get in the game After all life was no cakewalk for Jesus and he didn't promise it would be any easier for his followers We shouldn't be surprised by resistance and persecution Yet most of us play it safe We pursue comfort We spend ourselves to get more stuff And we prefer to be entertained We are all tempted by the idea of security the possibility of a cozy Christianity with no hell at the end But what kind of life is that really It's a far cry from adventurous and abundant from truly rich and really full and it's certainly not the heights and the depths Jesus calls us to Discover in these pages a foundation for fearlessness Hear God's promise to go with you into the unknown And let *Risk Is Right* help you see the joys of a faith filled and seriously rewarding life of Jesus dependent abandon *Risk Is Right* is a significantly expanded version of a chapter previously published in the book *Don't Waste Your Life* chapter 5 **The Quotable Libra** Mary Valby,2012-01-02 The *Quotable Libra* describes the pleasant thoughtful Libra personality with more than 600 quotes and examples from famous Librans like Eleanor Roosevelt F Scott Fitzgerald John Lennon and Will Smith Celebrated Librans describe their natural Talents for peace and idealism in one chapter addressing Challenges like laziness and moodiness in another Chapters about Work Creativity Sports and Relationships show how the Libra traits of honesty and partner orientation come through in specific arenas The *Quotable Libra* reveals a dozen Libra specialties such as more U S Chief Justices and more Nobel Peace Prize recipients than any other zodiac sign *Reckoning Methodism* Darryl W.
