Risky Sex Gay Men And Hiv Prevention:

Risky Sex Dwayne Curtis Turner,1997 *Risky Sex* critiques this reasoning through an exploration of the actual lifestyles and sexual behaviors of men in this age group Using as its base a study of the gay community of West Hollywood California this book profiles seven gay men who have engaged in risky sex whether in a monogamous relationship or in other social contexts

A Dangerous Knowing Debbie Epstein,James Thomas Sears,1999-11-01 This book is an exhilarating and important addition to the literature on sexuality and on education An unusually international collection with contributions on Australia New Zealand the Philippines South Africa the UK and the United States it includes chapters written both by internationally known leaders in the field and by exciting newcomers The book challenges conventional ways of thinking both about sexuality and about pedagogy with sections on myth making identity globalization and interventions in education It will be a key text for undergraduate and postgraduate students of social and cultural theory queer studies gender and women s studies and education

The Global HIV Epidemics Among Men who Have Sex with Men ,2011-01-01 Human Rights Risk behavior Cost effectiveness Low and middle income countries Human Immunodeficiency Virus Epidemic Men who have sex with men Attributable fraction Intervention Prevention Homosexuality *Persuading People To Have Safer Sex* Richard M. Perloff,2000-11 This volume explores the application of persuasion theory and research to HIV AIDS prevention focusing on changing attitudes and behaviors It is intended for students and scholars applying theory to health or AIDS prevention

Crystal Meth and Men Who Have Sex with Men Drescher Jack,Milton L. Wainberg,Andrew Kolodny,2006-10-19 Could crystal meth use in the gay community be responsible for a resurgence in the AIDS epidemic According to recent studies gay men who use crystal methamphetamine were twice as likely to have unprotected sex as those who did not and more than three times as likely to be HIV positive *Crystal Meth and Men Who Have Sex with Men* is an unflinching look at this dangerous threat to the gay community addressing the health and mental health needs of Tina users who are lost in a downward spiral of addiction and high risk sexual behaviors This vital book is the product of a unique collaboration between the New York City Department of Health and Mental Hygiene and researchers clinicians and community activists *Crystal Meth and Men Who Have Sex with Men* contains the published proceedings of two important community events that took place in 2004 in New York City The Crystal Meth HIV Connection A Public Forum with Harvey Fierstein and Crystal Methamphetamine Understanding and Treatment an Emerging Health Crisis Each article whether drawn from personal account research study or online survey reinforces the reality for the gay community that wherever crystal meth is increases in sexual risk behaviors for HIV and other sexually transmitted infections STIs are sure to follow This powerful book will help you to identify approach and treat clients who use meth examining the physical medical and psychological effects and consequences of its widespread abuse Topics addressed in *Crystal Meth and Men Who Have Sex with Men* include the medical complications associated with methamphetamine use in HIV infected patients including hypertension hyperthermia

rhabdomyolysis and stroke the alarming rise in the number of emergency room visits related to crystal meth use the psychiatric consequences of methamphetamine use sexual history taking and screening for sexually transmitted infections creative educational interventions and clinical strategies substance abuse treatment interventions cognitive behavioral therapy motivational interviewing gay identified community based treatment programs club drugs and the increase of HIV incidence harm reduction and much more Crystal Meth and Men Who Have Sex with Men is an essential resource for health and mental health professionals including psychiatrists psychologists social workers counselors primary care physicians nurse practitioners and physician assistants It s equally beneficial for staff and administrators of community based organizations that serve gay men Sex, Technology and Public Health M. Davis, 2008-11-27 Exploring the implications of the internet and bio technologies for intimate and sexual life this book discusses the concept of citizenship in relation to the extension of public health through the internet and reveals concerns that sexually transmitted infections and HIV are associated with such technologies The Risky Business of Adolescence United States. Congress. House. Select Committee on Children, Youth, and Families, 1992 **The Risky Business of Adolescence** United States, United States. Congress. House. Select Committee on Children, Youth, and Families, 1992 *Focus* , 1993 **New International Directions in HIV Prevention for Gay and Bisexual Men** Michael Wright, B R Simon Rosser, 2021-02-25 It is widely recognized that current HIV intervention models are falling short of their goals What are the alternatives To answer this question New International Directions in HIV Prevention for Gay and Bisexual Men presents a collection of articles from European and American authors that rival dominant paradigms of HIV prevention Researchers practitioners and community organizations will be challenged to examine current assumptions and to consider neglected aspects of risk behavior such as love trust and the dynamics of sexual intimacy New International Directions in HIV Prevention for Gay and Bisexual Men explores models and theories that will help you develop more effective HIV prevention programs to better serve patients and clients New International Directions in HIV Prevention for Gay and Bisexual Men offers you fresh perspectives on prevention work by examining risk behaviors in the interactional communal and social contexts in which they are practiced You will receive alternative explanations and reasons for HIV risk that go beyond current approaches and that introduce possibilities for new intervention strategies Written by experts in the field the chapters in New International Directions in HIV Prevention for Gay and Bisexual Men will give you insight into new ideas and developments including placing a greater emphasis on improving successful risk management strategies as opposed to quantifying risk factors examining the meaning and context of sexual acts which occur in casual encounters or steady partnerships and incorporating their relevancy into prevention work considering the effects that cultural context and socially constructed meanings have on prevention work and incorporating individuals values and feelings into prevention strategies focusing on more realistic goals of harm reduction that take sexual decision making into consideration as opposed to expecting abstinence relating the various aspects of sexual encounters

physical attraction intimacy reciprocity and power to reasons why men choose not to use condoms Examining how gay men can underestimate the risk of HIV in order to meet needs of intimacy New International Directions in HIV Prevention for Gay and Bisexual Men will help you understand the symbolic dimension of sexual contact The normal everyday reasons for having sex without a condom are explored questioning models which often characterize unprotected sex as being the result of low self esteem substance abuse or some other psychological vulnerability Presenting data from both qualitative and quantitative research conducted at group and individual levels this book reveals the complexity of risk behavior the richness of sexual experience and the importance of respecting the unique context in which gay men live their sexual lives New International Directions in HIV Prevention for Gay and Bisexual Men will help you understand this point of view enabling you to provide patients and clients with more effective HIV prevention and risk management services

Without Condoms Michael Shernoff, 2013-01-22 After years of activism risk awareness and AIDS prevention increasing numbers of gay men are not using condoms and new infections of HIV are on the rise Using case studies and exhaustive survey research this timely groundbreaking book allows men who have unprotected sex a practice now known as barebacking to speak for themselves on their willingness to risk it all Without Condoms takes a balanced look at the profound needs that are met by this seemingly reckless behavior while at the same time exposing the role that both the Internet and club drugs like crystal methamphetamine play in facilitating high risk sexual encounters The result is a compassionate sophisticated and nuanced insight into what for many people is one of the most perplexing aspects of today's gay male culture and life style Michael Shernoff digs deep and forces us to see that the AIDS epidemic is not over We must now ask the hard questions and listen to the voices that answer The stakes are too high to ignore

Preventing Aids Seth C. Kalichman, 2014-02-25 This book provides a comprehensive overview of behavioral interventions to prevent HIV AIDS risk related behaviors It synthesizes the empirical literature on individual group and community level interventions and provides an objective and detailed assessment of intervention outcomes Factors associated with behavioral risk for HIV transmission theories of HIV risk behavior change and the state of HIV prevention technology transfer are also reviewed Additionally behavioral interventions for adolescents and adults of diverse ethnic and sexual backgrounds are discussed with respect to each intervention type Although the focus is on sexual risk reduction interventions for sexual behavior of substance abusing populations are also covered

Biopower Vernon W. Cisney, Nicolae Morar, 2015-12-28 Michel Foucault's notion of biopower has been a highly fertile concept in recent theory influencing thinkers worldwide across a variety of disciplines and concerns In The History of Sexuality An Introduction Foucault famously employed the term to describe a power bent on generating forces making them grow and ordering them rather than one dedicated to impeding them making

them submit or destroying them With this volume Vernon W Cisney and Nicolae Morar bring together leading contemporary scholars to explore the many theoretical possibilities that the concept of biopower has enabled while at the same time pinpointing their most important shared resonances Situating biopower as a radical alternative to traditional conceptions of power what Foucault called sovereign power the contributors examine a host of matters centered on life the body and the subject as a living citizen Altogether they pay testament to the lasting relevance of biopower in some of our most important contemporary debates on issues ranging from health care rights to immigration laws HIV prevention discourse genomics medicine and many other topics Preventing AIDS Ralph J. DiClemente, John L. Peterson, 1994-03-31 This is the first comprehensive review and examination of the effectiveness of behavioral interventions to reduce HIV related high risk behaviors It describes current theoretical models and empirical studies of behavioral interventions details the state of the art of behavioral intervention strategies for high risk populations and identifies limitations and gaps in prior research and discusses implications for future investigations This vital text will help researchers and clinicians plan develop and evaluate behavioral change approaches to HIV prevention **AIDS in the World** Jonathan M. Mann, D. Tarantola, Thomas W. Netter, 1992 No single book tracks on an annual basis the evolution of the pandemic its effects and the worldwide response To fill this gap Jonathan Mann founding director of the World Health Organization's Global Program on AIDS has assembled a team of experts to produce this collection of information data and thinking about AIDS 100 illustrations Cumulated Index Medicus, 1995
