**The Seasons of Life** Paul Tournier, 2012-09-01 In the light both of the Bible and of modern science we are confronted not with an abstract and generalized man but with men who are concrete and personal They are always in their context in a certain relationship to the world to others and to God They are always changing This changing is made up of seasons stages in their lives each of which has its own characteristics and peculiar laws It is in this life story that God s plan may be accomplished This is what is intimated by the title The Seasons of Life a man in movement continually undergoing change a man living in history unfolding from his birth until his death The very movement implies meaning in life

Seasons Fran Carona, 2015-06-09 Just as there are predictable seasons of the year there are also common passages in life through which we all pass Each season has its own beauty and its own danger its own challenges and rewards There are tasks we must master in each season if we are to move successfully to the next We need a Guide to help us navigate these seasons We need someone who has walked the path ahead of us who knows where the landmines are and who can lead us safely to our final destination We need the One who has ordained all our days before there was ever one of them Psalm 139 16 We need Jesus the One who knows us intimately and loves us unconditionally
