Marketing Research A Practical Approach For The New Millennium With Data Disk Package:

Marketing Research Joseph F. Hair, Robert P. Bush, David J. Ortinau, 2000 Marketing Research 3 e takes an application oriented approach providing students with the tools and skills necessary to solve business problems and exploit business opportunities This book is unique from any other in the market in three significant ways First it provides a greater balance between primary and secondary information and the techniques and methods that underpin these two important types of data Second it offers in depth coverage of the critical research tools and skills that will be required of today and tomorrow s marketing researchers and business decision makers Third with its in depth coverage of secondary research the practice of customer based management is highlighted as this book helps students see what real companies are doing for their marketing research This book provides students a realistic and current view of the practice and importance of marketing research in the business world

Marketing Research Joseph F. Hair, Robert P. Bush, David J. Ortinau, 2000 This book which represents a departure from the standard offerings for this course is distinctive in three significant ways First it provides a greater balance between primary and secondary information and the techniques and methods that underpin these two important types of data Second it offers in depth coverage of the critical information research tools and skills that will be required of today and tomorrow s marketing researchers and business decision makers Third it is so replete with real world material that it allows students to see the immediate value of marketing research

Marketing Research Joseph F. Hair (Jr.), Bryan A. Lukas, Kenneth Ernest Miller, Robert Bush, David Ortinau, 2011 Marketing Research 3 e takes an application oriented approach providing students with the tools and skills necessary to solve business problems and exploit business opportunities This new edition was written to meet the needs of students through additional coverage of qualitative methods emphasis on applied research projects as well as cases studies or exercises at the end of the chapters The text is concise highly readable and value priced yet it delivers the basic knowledge needed for an introductory text The authors provide the student with an exciting up to date text and an extensive supplement package
