Marlboro The Real Cowboy:

Red, White and Radical Warrick Harniess, 2020-04-06 *Red White and Radical* explores how and why America has become so conservative since World War II. In the process it offers lessons that professional leaders regardless of their political stance should heed if they want their organisational change plans to succeed. Over the past 70 years a motley crew of suburban activists, libertarian businessmen and political opportunists have radically changed America and its national values. The rise of American conservatism is the greatest modern example of cultural change in the Western world. How did they do it and what can we learn from this? *Red White and Radical* is a manual for organisational change. It tells nine stories from American cultural, political and business history that illuminate how conservatives have pioneered change. From these stories it extracts a change management lesson for professional leaders and explains how to apply that lesson in the workplace. These nine lessons are organised into a clear change framework, understanding and motivating people, communicating with emotion and authenticity, building teams and networks that can deliver lasting change. Along the way you'll also learn how Marlboro became the world's biggest cigarette brand, why conservatives love Ronald Reagan but despise Richard Nixon, the origins of the social media echo chamber, how Silicon Valley learned to lobby, the secrets of Donald Trump's populist X Factor. *Red White and Radical* is not for the faint of heart. If you're a passionate business leader who relishes the challenge of delivering true organisational change for the better, then this book is for you.

The History of Western Horseman Randy Witte, 2011-05-17 In his welcome to this chronicle of *Western Horseman*'s 75 years, current Publisher Darrell Dodds writes: On the following pages, former *Western Horseman* Publisher Randy Witte has authored the most comprehensive history of the magazine that's ever been written. Even more important, Witte also recognized that a magazine, when done well, can be magical in its ability to educate, inform, entertain and inspire. That belief obviously focuses on the stock horse industry. But the passion to deliver the magic has come from staffers themselves, horse owners as invested in the western lifestyle as the magazine's readership. Among the magicians, Witte's larger than life predecessor Dick Spencer and longtime Editor Pat Close, who rode 40 years for the brand, and many others on the magazine staff. All Witte says contributed to take the readers to places they'd never go, meet interesting characters they'd never heard of and learn things they'd never imagined. That the magazine continues into its 75th year is testament that throughout its history *Western Horseman* successfully has pursued these objectives.

Twenty Ads That Shook the World James Twitchell, 2001-12-26 James Twitchell takes an in-depth look at the ads and ad campaigns and their creators that have most influenced our culture and marketplace in the twentieth century. P.T. Barnum's creation of buzz, Pepsodent and the magic of the preemptive claim, Listerine introducing America to the scourge of halitosis, Nike's Just Do It, Clairol's Does She or Doesn't She, Leo Burnett's invention of the Marlboro Man, Revlon's Charlie Girl, Coke's re-creation of Santa Claus, Absolut and the art world: these campaigns are the signposts of a century of consumerism, our modern canon, understood, accepted, beloved and hated the world over.

Estacado Paul H. Carlson, David J. Murrah, 2020-07-20 The distinctive high mesa straddling West Texas and Eastern New Mexico creates a vista that is equal parts sprawling lore and big blue sky From Lubbock the area's informal capital to the farthest reaches of the staked plains known as the Llano Estacado the land and its inhabitants trace a tradition of tenacity through numberless cycles of dust storms and drought In 1887 a bison hunter observed antelope sand crane and coyote alike crowding together to drink from the same wet weather lake A similarly odd assortment of characters shared and shaped the region's heritage although neighborliness has occasionally been strained by incidents like the 1903 Fence Cutting War David Murrah and Paul Carlson have collected some three dozen vignettes that stretch across the uncharted terrain of the tableland's past
