writing of books To promote their careers both he and his father made full use of their family connections and the allure of their social life Among the telling details revealed are that his mother Jennie Jerome Lady Randolph was an American heiress and was his major adviser and reliable friend when he was younger and that his wife Clementine disliked and distrusted many of Winston s political cronies This A Z biographical dictionary covers everything from his grandiose spending trademark agar and whiskey sodas and silk underwear to his mother s many marriages and affairs and his relationships with Edward VIII and Queen Elizabeth II Military Commanders Nigel Cawthorne,2004 From ancient Greece to Desert Storm Military Commanders presents a chronological history of great battles and the men who won them Beginning with Leonidas of Sparta who died at Thermopylae and ending with Colin Powell this book includes such world famous leaders as Alexander the Great Napoleon Grant and Lee Patton and Rommel In addition it includes the military theorist Sun Tzu who wrote The Art of War as well as lesser known but important figures such as Red Cloud Shaka Zulu and General Giap Military Commanders containing pertinent quotations anecdotes and detailed facts is a highly readable combination of history and biography
