Marmalade Elizabeth Smith Muldrow, 2004 A black man retrieves his family history from the jumble of papers tenaciously guarded by an aged white cousin Low income residents of an inner city apartment house rescue Santa from a balky elevator Black widow spiders exact revenge on a conniving maid A pet pig turns a young girl's life inside out Spectacles left in an ancient Spanish cathedral arouse the saints A difficult personal decision draws a teenager and her mother closer together And guests at an old plantation lick marmalade off sticky fingers as they listen to their hostess recount the tale of a young mother's burial alive A quiet corner a comfy chair by a crackling fire and these stories Bitter sweet To be sampled slowly for they linger on the tongue Each of these stories highlights the elusive connections between past and present dreams and waking the visible and the invisible Elizabeth Muldrow gathers up these mysteries and dissects them to reveal gentle and sometimes not so gentle truths that are both startling and inspiring ELIZABETH MULDROW says of retirement that it frees one to be busy In her case to write and to travel The stories in this collection grow out of her recent wanderings in Spain in the South of her husband's heritage the Northeast of her own childhood and the Midwest of her first ventures into the wider world Professionally Muldrow has taught social studies and English language arts in Pennsylvania Ethiopia and Colorado An ordained Presbyterian clergywoman she has designed bi lingual curricula for remote tribal schools written for denominational journals served on regional and national committees and resourced gatherings nation wide

**Stories for Men** Charles Grayson, 2017-09-04 Can the reading public imagine a less likely but more needed book than Stories for Men a seventy five year old anthology edited by Charles Grayson written in an age when such a title would scarcely raise an eyebrow Imagine a book about men in which the featured theme is not rapists child abusers or men who never weep feel little sorrow or prefer dog fighting to baseball To say the least this is a counter cultural collective portrait necessary in today's politically correct world The original editor Charles Grayson hit the nail on the head in his explicit opening remarks The only claim we make for this book is that it doesn't pretend to offer the best or the finest in the world's foremost short stories by contemporary masters Simply it is just a bundle of yarns by present day American writers each dealing with a different phase of the actions and activities of men designed for good reading The text fulfills its mission The work features little known short stories by such major writers as Erskine Caldwell on racial relations James M Cain on murder James T Farrell on street life Dashiell Hammett on men and divorce Ring W Lardner on baseball Damon Runyon on football William Saroyan on horseracing Thomas Wolfe on travel William Faulkner on foreigners among many others For readers interested in a slice of America this will be a book of inestimable value as well as personal pleasure Stories for Men will prove ideal

**Haunted Pet Stories** Mary Beth Crain, 2011-07-19 Since ancient times stories have abounded concerning the existence of ghost animals From the Native American animal spirits to the menacing demon dogs of medieval England to present day encounters with animal apparitions there can be little doubt that animals like people live after death and pass back and forth

between this world and the next In the realm of the paranormal experiences concerning deceased pets who revisit the living are common events Like the ghosts of humans pet ghosts return for various reasons Sometimes they appear to say goodbye Sometimes they want to reassure their grieving owners that they are all right and that their spirits are always with them And sometimes as they often did in life they are guarding their beloved humans delivering a message or a warning Haunted Pets covers a wide range of encounters with animal ghosts Some of these encounters are comforting others are terrifying In general when pets return in ghostly form they provide comfort and protection to the living But there are other less benign phantom creatures who have been known to haunt places of violence or exact revenge upon humans for evil deeds which while long past have somehow evaded justice ...
