In his latest book **Love As God Intended It** author Mr Derick Chibilu draws inspiration from 1 Corinthians 13 to explore the fundamental essence of love As a born again Christian for over thirty years Mr Chibilu has been passionate about promoting Christian family values and this book is a testament to his deep conviction that God s desire is to see a world where love prevails The book draws on the teachings of the apostle Paul who wrote extensively about love in his letters to the early Christian communities Paul saw love as the most important of all virtues and the ultimate expression of God s nature He exhorted his readers to love one another deeply just as Christ loved them and gave himself up for them For Paul love was not an abstract concept it was a tangible reality that should be evident in the way believers treated each other The book also highlights the example of Christ who demonstrated the ultimate act of selflessness and love by sacrificing himself on the cross for the redemption of humanity Christ s life and teachings provide a model for how we should love others putting their needs above our own and seeking to serve rather than be served Ultimately the book s message is one of hope and encouragement It reminds us that no matter how broken our relationships may be there is always the potential for restoration and healing through the power of love By embracing the teachings of Paul and following the example of Christ we can build strong and

healthy relationships that reflect God's love and bring joy and fulfillment to our lives
