Marriage Divorce And Remarriage In The Bible Paperback By:

The Bible on Divorce and Remarriage Timothy Klaver, 2019-01-18 Does Scripture sanction the grounds for righteous divorce and remarriage The entire subject of divorce and re marriage is a complex and emotionally charged issue It is one of the most vexing problems the church faces in these modern days Throughout church history Christians have been divided on the issue of divorce and re marriage On the one side of the argument it has been believed that Jesus declared it not a sin to remarry in the case of marital infidelity and the Apostle Paul declared it not a sin to remarry in the case of abandonment On the other side of the argument it has been believed that it is adultery to remarry while one s former spouse is still living Why are there two different interpretations of the same Scriptures Which interpretation is correct and in keeping with the context of Scripture In this thorough exegesis of all the biblical texts on the issue of divorce and re marriage Timothy Klaver once again leads the reader by the hand allowing the reader to see with their own eyes what the Bible itself has to say on this life altering issue This book will be an immensely valuable tool in instructing those who are troubled and struggle with this subject May we give marriage the same reverence that Scripture gives it Let marriage be held in honor among all Heb 13 4a

Marriage, Divorce, and Remarriage in the Bible Jay E. Adams, 1986 Many pastors counselors and theologians consider this book the most helpful on the issue of marriage and divorce [What the Bible Says about Marriage, Divorce and Remarriage](#) John Coblentz, 1992-01-01 **Divorce and Remarriage in the Bible** David Instone-Brewer, 2002-06-07 To many the New Testament s teaching on divorce and remarriage seems to be both impractical and unfair The plain meaning of the texts allows for divorce only in cases of adultery or desertion and it does not permit remarriage until the death of one s former spouse But are these proscriptions the final word for Christians today Are we correctly reading the scriptures that address these issues By looking closely at the biblical texts on divorce and remarriage in light of the first century Jewish and Greco Roman world this book shows that the original audience of the New Testament heard these teachings differently Through a careful exploration of the background literature of the Old Testament the ancient Near East and especially ancient Judaism David Instone Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present day readings Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds that both Jesus and Paul affirmed the Old Testament grounds for divorce that the Old Testament allowed divorce for adultery and for neglect or abuse and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce Instone Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships Enhanced with pastoral advice on how to apply the biblical teaching in today s context this volume will be a valuable resource for anyone seeking serious answers about married life **Divorce and Remarriage by the Book** William G. Lagasse, 2009-08 Divorce is rampant in the world and in the Church The World Health Organization has named swine flu a pandemic because of its

rapid spread around the world Divorce because of its rapid and out of control growth in the Church should be viewed as a Christian pandemic Divorce and Remarriage looks at three areas the problem the solution and how to get to the solution Divorce in the Christian church is a result of secular thinking and a biblical ignorance The Bible is full of illustrations of marital strife and its affects on family children and associates The solution is simple the Bible also gives explicit instructions and illustrations to the Christian so they can have a meaningful and fulfilling relationship The last step is the hardest how to arrive at the solution Divorce and Remarriage is not a self help book Christians cannot help themselves Jesus said he would send a helper the Holy Spirit Therein lies the solution In the power of the Holy Spirit we find the solution a transformed life Divorce and Remarriage is a call to Christians to take responsibility for their actions submit themselves under the authority of Scripture and find fulfillment in their next and last marriage Bill became a Christian while going through his second divorce He is a graduate of Word Of Life Bible Institute in Schroon Lake New York He has a bachelor of Arts degree is Church Education from Southeastern Bible College in Birmingham Alabama He is currently living with his wife in Sarasota Florida

The Bible on Divorce and Remarriage Michael Pearl,2015 Historically Christians have been divided on the issue of divorce and remarriage many institutions and theologies coming down on the side that it is adultery to remarry while one s former spouse is still alive This is consistent with the words of Jesus in Matthew and the words of the Apostle Paul in Romans Others stand by the words of Paul in 1 Corinthians where he clearly declares that it is not a sin to marry again if you were put away abandoned or divorced by an unbelieving spouse There seems to be a conflict in Scripture regarding divorce and remarriage You do not have to pick a side to the exclusion of the other There is a marvelous harmony in the Word of God In this book you will see Scripture in all of its glorious consistency and you will appreciate the divine logic The subjects of divorce remarriage and adultery have confused both Christians and their pastors alike In this thorough exegesis of all the Bible texts concerning divorce and remarriage Michael Pearl answers these issues with the Word of God revealing the perfect harmony in Scripture and God s divine plan for marriage This is not a lecture or a diatribe against those who are divorced If you are a pastor or counselor you will find this book to be a great tool to instruct those who are troubled by this subject

Divorce and Remarriage H. Wayne House,1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards

What the Bible Says about Marriage, Divorce and Remarriage Olan Hicks,1978 *Divorce & Remarriage* Rubel Shelly,2013-07-29 In this book a serious scholar with extensive experience in ministry looks at the question of divorce and remarriage He offers a redemptive theology that affirms the importance of marriage the urgency of helping people survive their marital crises and the redemptive mercies and grace of God for those who have divorced and remarried

Jesus, Divorce, and Remarriage Gordon J. Wenham,2020-01-15 What did Jesus really say about divorce and remarriage Challenging the evangelical near consensus that Jesus permitted divorce and remarriage in certain circumstances Gordon

Wenham argues that while Jesus permitted separation in cases of sexual immorality he did not permit divorce and remarriage Presenting a revisitation and expansion of several decades of thought and debate on the topic Wenham builds his case from a close reading of Jesus teaching in the Gospels showing how his teaching pushed against the culture of his day In addition Wenham brings in insights from ancient Near Eastern marriage laws the Old Testament the writings of Paul and the earliest Christian interpreters of the Gospel divorce texts Readers will be challenged by a careful biblical argument that provides a counterpoint to the majority view No study on divorce and remarriage will be complete without considering Jesus Divorce and Remarriage

What the Bible Really Says about Marriage, Divorce, and Remarriage Bishop Lee

Bowling,2016-12-31 A covenant is defined as a formal solemn and binding agreement It is entered into by mutual agreement of two parties Biblical Principles and a look in the word of God and what the Lord really says about Divorce and Remarriage by Bishop Lee Bowling is sure to open up a better and more clearer understanding of this subject Divorce and remarriage is a monstrous evil and there is a pressing need for some clear teaching on the subject We must be loyal to the Scriptures and not be carried away by the opinions of men It is a sin to remarry if you were the one who filed for divorce Sadly most people don't care what God thinks anymore God will judge those who divorce God hates divorce which is a sin rooted in selfishness and self righteousness Divorce is a horrible sin and remarriage even worse You made a promise on your wedding day to remain with your spouse until death If you break that vow then you are a liar and a scoundrel It matters not what apostate ministers may say God will be your only Judge Romans 14 12 There are innumerable rotten pastors today who permit abortion homosexuality and divorce God hates these sins as He does all sin and will Judge accordingly Divorce and remarriage is certainly not a new subject It is as old as the Scriptures themselves Divorce was a problem in Noah's day Moses had to contend with it the question was brought to Jesus nearly two thousand years ago They said Is it lawful for a man to put away his wife John the Baptist lost his head because of divorce and remarriage He had told King Herod that the woman he married was not really his wife but that she was still the wife of Philip her first husband And this enraged the woman and she took revenge Every year thousands of American homes are broken by separation and divorce In 1887 there was hardly a divorce in the entire United States In 1913 there were only sixty divorced couples in the entire country of Canada But divorce has rapidly increased until today in our country approximately one marriage out of every three ends in divorce While it is best not to separate if a couple does separate they are not free to remarry God does not approve divorce There are a number of Scriptural commands and principles which a divorce always violates This book was written to look into what the BIBLE says on the matter

Marriage by the Book Marvin L. Bagent,2018-09-15 Marriage by the Book defines marriage as God defines it A proper understanding of God's pattern for marriage is paramount to a successful marriage Marriage is not defined as a contract or a commitment in the Bible but it is a covenant This covenant is an agreement to spend life together It is sealed by God's approval Roles are played by the husband and the wife in God's plan for marriage The book explains these roles

Success is the result of playing these roles in marriage The book covers three danger zones in marriage If the marriage is to succeed these danger zones must be managed correctly These danger zones are communication money and sex The Bible says God hates divorce However he loves the divorcees The book addresses divorce and remarriage according to what God says about it in the scripture Finally Marriage by the Book addresses how to find a mate It lists seven deal breakers and seven game changers that will help young single Christian people as they search for a mate

What the Bible Says About Marriage, Divorce, and Remarriage Olan L. Hicks, 1987

Remarriage and Adultery Michael Sayen, 2018-07-23 What makes this book different than any other divorce and remarriage book is that this book focuses on the origins of the Jewish marriage How can one understand what God teaches about divorce unless they first understand the meaning of the covenant in Scripture With the input of Dr David Instone Brewer I have taken an in depth approach to marriage and divorce through the eyes of Genesis I have compared the unilateral approach of marriage and divorce in the law of Moses against the bilateral approach of the Gentiles under their 1st century Graeco Roman laws Only by understanding the legal arguments and the controversy surrounding 1 Corinthians 7 can a believer in today's age understand the freedom and guidance of Scripture in this area It's a deep theological book

written in an easy to read format Most books similar to this seem to be too long and weighty for the reader hurting people really don't have the time or the heart to dig for answers People just want answers that are straight forward and makes sense They are willing to wait on getting married but only if it is absolutely necessary They are looking for an answer to their unique situation that offers Biblical proof and is full of common sense There is no other book like this This is not a feel good or a pat on the back there there book but one that talks straight from the Bible in a logical way from marriage to remarriage Hurting people want answers now and they want it fast They are looking for permission from God to get out of their awful marriage fulfill their God given sexual needs and find that one and only true love After all the divorce rate has been climbing every year to prove it Most Christians are not looking to talk to those in the Church who say you can never divorce or do not separate what God joined together These people are usually too extreme aggressive and condemning to speak with They are looking for guidance understanding and forgiveness from a God who loves And Marries Another Craig S.

Keener,1991-06-01 Once divorced forever barred from church leadership sometimes even from full fellowship Isn't that what the plain sense of Scripture teaches No says Keener In this compassionate and carefully documented study he first explores how the early Christians would have understood the statements of Jesus and Paul on divorce and remarriage Keener then builds a soundly scriptural view of divorce and remarriage a view that reminds the church that all of its members are forgiven people **Marriage** Curt Hamner,John Trent,Rebekah J. Byrd,Eric L. Johnson,Erik Thoennes,2018-11-06 Never has

the sacred covenant of marriage been more maligned than it is today It can be difficult to know how to respond to a culture that is becoming more and more antagonistic to biblical beliefs about marriage And this is a topic worth getting right Marriage was given to us as a picture of the triune God in relationship with his people which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes Therefore it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it Marriage Its Foundation Theology and Mission in a Changing World is the much needed work on marriage for this generation and the next Rooted in a scriptural understanding of marriage it thoughtfully engages the issues surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily Rediscover the beauty of God's design for marriage and be strengthened to stand firm amidst any challenges the world may bring **Transformed Thinking: A**
