Reconstitution Of Social Work: Towards A Moral Conception Of Social Work Practice Yuk-ying Ho, Sun-pong Yuen, 2010-04-06 This volume is the first book length explication of hermeneutics in social work It attempts to clarify and reconstruct the moral basis of social work Against the mainstream current of doing social work with the technical rational outlook this book argues that value constitutes the very core of social work It is with this solid foundation of moral concepts that social work techniques are reconstituted This volume seamlessly combines theoretical discussions with empirical studies It starts with a theoretical inquiry that combines hermeneutics and critical theory and examines the moral nature of social work It then extends the theoretical analysis to empirical research on mental illness cancer community development and social work management Redefining the relationship between theory and practice the discussion on first person value involvement and dialogical mode of

understanding will inspire social workers to develop their professional practice in a new light This volume will capture the attention of both social work scholars and frontline social work practitioners The hermeneutic point of view will also be of interest to readers students of social theory and social research *Routledge Handbook of East Asian Gender Studies* Jieyu Liu, Junko Yamashita, 2019-11-26 The Routledge Handbook of East Asian Gender Studies presents up to date theoretical and conceptual developments in key areas of the field taking a multi disciplinary and comparative approach Featuring contributions by leading scholars of Gender Studies to provide a cutting edge overview of the field this handbook includes examples from China Japan South Korea Taiwan and Hong Kong and covers the following themes theorising gender relations women s and feminist movements work care and migration family and intergenerational relationships cultural representation masculinity and state militarism and gender This handbook is essential reading for scholars and students of Gender and Women s Studies as well as East Asian societies social policy and culture **Gender and Family Practices** Shuang Qiu, 2023-01-01 This book examines how gender and heterosexuality structure the lived experiences of people in living apart together LAT relationships in contemporary Chinese society Using in depth interview data with Chinese LAT people of different ages the author explores why they live apart how they construct and make sense of their everyday family lives and negotiate their gender roles and how they experience intimacy while being physically apart This text sheds new insights on non cohabitating intimate partnerships by bringing together themes of gender family intimacy and relationality Through looking at people s lived experiences in LAT relationships it argues that practices of family and intimacy are closely implicated with doing gender and consequently that gendered family lives and heterosexuality are reconstructed rather than deconstructed in order to reclaim conventional forms of family and gender norms in Chinese social historical and cultural contexts This book will be of interest to scholars across Gender and Sexuality Studies as well as Family Studies in addition to scholars of contemporary Chinese culture and society *Modern China* Xiaobing Li, 2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today s China In *Modern China* author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to

compare Chinese with Western and American views Handbook on the Family and Marriage in China Xiaowei Zang, Lucy Xia Zhao, 2017-12-29 This Handbook advances research on the family and marriage in China by providing readers with a multidisciplinary and multifaceted coverage of major issues in one single volume It addresses the major conceptual theoretical and methodological issues of marriage and family in China and offers critical reflections on both the history and likely progression of the field *Women in China from Earliest Times to the Present* Robin Yates, 2009-07-31 This essential reference work provides an alphabetic listing with an extensive index of studies on women in China from earliest times to the present day written in Western languages primarily English French German and Italian Containing more than 2500 citations of books chapters in books and articles especially those published in the last thirty years and more than 100 titles of doctoral dissertations and Masters theses it covers works written in the disciplines of anthropology and sociology art and archaeology demography economics education fashion film and media studies history interdisciplinary studies law literature music medicine science and technology political science and religion and philosophy It also contains many citations of studies of women in Hong Kong and Taiwan *Family Life in China* William R. Jankowiak, Robert L. Moore, 2016-11-28 The family has long been viewed as both a microcosm of the state and a barometer of social change in China It is no surprise therefore that the dramatic changes experienced by Chinese society over the past century have produced a wide array of new family systems Where a widely accepted Confucian based ideology once offered a standard framework for family life current ideas offer no such uniformity Ties of affection rather than duty have become prominent in determining what individuals feel they owe to their spouses parents children and others Chinese millennials facing a world of opportunities and at the same time feeling a sense of heavy obligation are reshaping patterns of courtship marriage and filiality in ways that were not foreseen by their parents nor by the authorities of the Chinese state Those whose roots are in the countryside but who have left their homes to seek opportunity and adventure in the city face particular pressures as do the children and elders they have left behind The authors explore this diversity focusing on rural vs urban differences regionalism and ethnic diversity within China Family Life in China presents new perspectives on what the current changes in this institution imply for a rapidly changing society **New Voices in Psychosocial Studies** Stephen Frosh, 2019-11-14 Psychosocial studies in the UK is a diverse area of work characterised by innovation in theory and empirical research Its extraordinary liveliness is demonstrated in this book which showcases research undertaken at the Department of Psychosocial Studies at Birkbeck University of London UK highlighting three domains central to the discipline psychoanalysis ethics and reflexivity and resistance The book engages psychosocially with a wide variety of topics from social critiques of psychoanalysis through postcolonial and queer theory to studies of mental health and resistance to discrimination These New Voices in Psychosocial Studies offer a coherent yet wide ranging account of research that has taken place in one dialect of the new terrain of psychosocial studies and an agenda setting manifesto for some of the kinds of work that might ensure the continued creativity of psychosocial studies into the

next generation This book demonstrates the ongoing development of psychosocial studies as an innovative critical force and will inspire both new and established researchers from across the fields that influence its transdisciplinary approach including critical psychology and radical sociology feminist queer and postcolonial theory critical anthropology and ethnography and phenomenology **Gender and Work in Urban China** Jieyu Liu, 2007-03-06 Drawing upon extensive life history interviews this book makes the voices of ordinary women workers heard and applies feminist perspectives on women and work to the Chinese situation **China's Urbanization and Socioeconomic Impact** Zongli Tang, 2017-06-26 This book examines the impacts of China's urbanization on the country's economic development clan culture rural societies minority resident areas natural environment women and public policy reforms drawing on official statistics independent survey data archives and fieldwork research to do so Adopting a cross disciplinary perspective the book places special emphasis on issues that have been neglected in prior studies and provides up to date information reports and analyses based on the latest events Further it considers future directions and strategies regarding urban development discusses regional urbanization in selected poor and backward western provinces analyzes changes in traditional clan culture brought on by urbanization and explores evolutions in local clan societies in the Qin and Han Dynasties when cities expanded and business flourished Lastly the book examines the effects of infrastructure related determinants on urban expansion rates and urban land prices demonstrates the ebbs and flows of public opinion regarding various environmental issues discusses planned real estate tax reform and assesses the impact of demographic and socioeconomic changes on young unmarried women

Women in China's Long Twentieth Century Gail Hershatter, 2007-03-29 An important and much needed introduction to this rich and fast growing field Hershatter has handled a daunting task with aplomb Susan L Glosser author of *Chinese Visions of Family and State 1915-1953* **Sex and Sexuality in China** Elaine Jeffreys, 2007-01-24 Elaine Jeffreys explores the issues of sex and sexuality in a non Western context by examining debates surrounding the emergence of new sexual behaviours and the appropriate nature of their regulation in the People's Republic of China Commissioned from Western and mainland Chinese scholars of sex and sexuality in China the chapters in this volume are marked by a diversity of subject material and theoretical perspectives but turn on three related concerns First the book situates China's changing sexual culture and the nature of its governance in the socio political history of the PRC Second it shows how China's shift to a rule of law has generated conflicting conceptions of citizenship and the associated rights of individuals as sexual citizens Finally the book demonstrates that the Chinese state does not operate strictly to repress sex it also is implicated in the creation of new spaces for sexual entrepreneurship expertise and consumption This comprehensive study is a valuable resource for scholars in the fields of sexuality studies and post socialist societies and culture directly appealing to both East Asia and China specialists *Sexuality in China* Howard Chiang, 2018-06-15 What was sex like in China from imperial times through the post Mao era The answer depends of course on who was having sex where they were located in time and place and what

kind of familial social and political structures they participated in This collection offers a variety of perspectives by addressing diverse topics such as polygamy pornography free love eugenics sexology crimes of passion homosexuality intersexuality transsexuality masculine anxiety sex work and HIV AIDS Following a loose chronological sequence the chapters examine revealing historical moments in which human desire and power dynamics came into play Collectively the contributors undertake a necessary historiographic intervention by reconsidering Western categorizations and exploring Chinese understandings of sexuality and erotic orientation

New Technologies in Global Societies Peilin Luo, Leopoldina Fortunati, Shanhua Yang, 2006 This book investigates the process of negotiation between societies and information and communication technologies ICTs how ICTs evolve in this global world transforming the organization of everyday life as well as the production of technologies It analyzes how societies mediate the quantity and quality of technologies needed and how these technologies are in turn metabolized by societies In the globalization process technological products that originate from European cultures undergo a resemanticization process by Asian users Adaptation and transformation of the meaning of ICTs generate a new process of creation of services and functions This book is a useful reference for readers who want to understand and implement these services and functions

Mobile Communication and Greater China Wai-chi Rodney Chu, 2012 This edited volume examines mobile phone use in China Unlike most studies on ICT development in China this book argues for the importance of the cultural realm as captured in mobile phone usage in reflecting the normative basis and struggle of the people It stresses how the mobile phone is in fact an important means by which one can understand a rapidly changing China A key concern of the book is to assert the uniqueness of China's experience in mobile phone usage This uniqueness is encapsulated by the phrase riding the double juggernaut in that Chinese society is exposed to a rapid process of industrialization and cyberization in a short period of time The contributors maintain that such density of experience under a compressed period when the society has a thick cultural heritage of its own and yet is still under a dictating rule all come together to provide a unique situation in China

Local Clan Communities in Rural China Zongli Tang, 2021-06-17 Using data collected in fieldwork and surveys this book examines China's clan system and local clan communities in rural Anhui covering events in two periods the imperial pattern as seen in the first half of the twentieth century and changes since 1949 Revealed by this research during the late Qing and the Republic Era a local clan in the investigated areas was run as a highly autonomous community with a strong religious focus which challenges the corporate model raised by Maurice Freedman Through examining single surname villages citang constructions and updating of genealogies local clans in Huadong Huizhou and the lower Yangtze River plains in particular developed earlier than those in the Pearl River Delta Region Taking a cross disciplinary viewpoint this book analyses changes in local clan communities and clan culture as brought by the Chinese Revolution Mao's political campaigns and Deng's reforms Starting with the late 1990s a large migration from villages to cities has rapidly altered rural China This geographic mobility would undermine the common residence that serves as part of

a clan's foundation Under such situation what transformations have taken place or will affect China's clan system Will the system continue to revitalise or die out Local Clan Communities in Rural China reports these events transformations and attempts to answer these questions Placing a special emphasis on issues that have been overlooked by prior studies this book brings to light many new facts and interpretations and provides a valuable reference to scholars in fields of sociology anthropology history economics cultural studies urban studies and population studies

Historical Dictionary of the People's Republic of China Lawrence R. Sullivan, 2016-08-03 When the Chinese Communist Party CCP assumed power in October 1949 China was one of the poorest nations in the world and so weak it had been conquered in the late 1930s and early 1940s by its neighbor Japan a country one 10th its size More than five decades later the People's Republic of China PRC is an emerging economic political and major military power with the world's fastest growing economy and largest population 1.35 billion in 2015 A member of the United Nations Security Council since the early 1970s and a nuclear power China wields enormous influence in the world community while at home what was once a nation of largely poverty stricken peasants and urban areas with little to no industry has been transformed into an increasingly urbanized society with a growing middle class and an industrial and service sector that leads the world in such industries as steel and textiles while becoming a major player in computers and telecommunications All the while the country has remained under the tight political control of a one party system dominated by the Chinese Communist Party that despite periods of intense political conflict and turmoil governs China with a membership in 2014 of 88 million people the largest single organization on earth This third edition of Historical Dictionary of the People's Republic of China contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about China
