Marriage In Motion A Study On The Social Context Processes Of Marital:

Family Ties and Aging Ingrid Arnet Connidis, 2010 This advanced textbook covers issues of family ties and aging broadly the goal being to provide an integrated and thorough representation of what we know from the current research Whereas books on families and aging have traditionally focused on ties to a spouse and to children and grandchildren *Family Ties Aging* is more extensive and more reflective of contemporary society The text includes groups and relationships that typically receive short shrift exploring such neglected populations as single divorced and childless older people and their family relationships as well as sibling relationships among the elderly live in partnerships not formalized by marriage and the kinds of family ties forged by gay and lesbian persons over the life course The book weaves the vast range of information we now have about the many facets of family relationships and aging into a critical comprehensive and integrated whole

Marriage in Motion Ann Van den Troost, 2005 The author examined the underlying processes and correlates of spousal satisfaction with marriage The study is directed towards the generation that instigated diverse quantitative and qualitative changes in the private sphere Using longitudinal data of a representative sample of married husbands and wives the book tackles several issues that are relevant to contemporary marital life **Sociological Abstracts** Leo P. Alcohol Use Disorders Hiram E. Fitzgerald, Leon I. Puttler, 2017-12-11 *Alcohol Use Disorders* takes a life span developmental approach to understanding the etiologic processes that heighten risk or resilience factors for alcohol use disorders AUD Contemporary understanding benefits from thirty years of longitudinal studies that were specifically designed to assess pre onset origins predictors of onset and outcomes through early adulthood The overriding theme of the volume is that the origins and expression of AUD are best understood within the context of developmental processes and dynamic systems organization and change Such dynamic systems give rise to diverse pathways that are characterized by multi finality and equi finality due to the exchanges among genes epigenetic processes and the complexities of the individual organism s experiential world For some individuals these dynamic processes lead to risk cumulative or cascade effects that embody adverse childhood experiences that exacerbate risk predict early onset drinking or smoking and are highly likely to lead to AUD during the transitions to adolescence and emerging adulthood In other cases protective factors within or outside of the individual s immediate family enable embodiment of normative stress regulatory systems and neural networks that support resilience and prevention of AUD and other addictive behaviors **Pioneering Paths in the Study of Families** Gary W

Peterson, Suzanne Steinmetz, 2014-03-18 Meet the men and women whose groundbreaking work elevated the field of family studies In *Pioneering Paths in the Study of Families The Lives and Careers of Family Scholars* you ll find 40 autobiographies written by leading scholars in sociology family studies psychology and child development Their fascinating stories demonstrate how their family experiences educational opportunities and occupational endeavors not only shaped the disciplines they chose but also shaped the theoretical perspectives they utilized and the topics they researched From the

editors These autobiographies document the experiences of scholars from the early twentieth century to the present The descriptions of early influences on their education of their graduate school experiences and of their academic career paths provides a wealth of valuable material Since four of these scholars have died and a number are in their eighties or older these histories provide rich case studies on factors that influence the decision to go to college get married pursue an advanced degree make specific occupational choices and investigate certain topics These autobiographies also detail the barriers that early women scholars in the social sciences faced The scholars whose lives you will learn about in *Pioneering Paths in the Study of Families* include Joan Aldous Katherine R Allen Pauline Boss Carlfred B Broderick Wesley R Burr Catherine Street Chilman Harold T Christensen Marilyn Coleman Rand D Conger Randal D Day William J Doherty Evelyn Millis Duvall Glen H Elder Jr Bernard Farber Margaret Feldman Mark A Fine Greer Litton Fox Frank F Furstenberg Viktor Gecas Harold D Grotevant Gerald Handel Michael E Lamb Ralph LaRossa Gary R Lee Helena Znaniecka Lopata Harriette P McAdoo Hamilton McCubbin Brent C Miller Phyllis Moen Gerhard Neubeck Gary W Peterson Ira L Reiss John Scanzoni Walter R Schumm Barbara H Settles Laurence Steinberg Suzanne K Steinmetz Sheldon Stryker Marvin B Sussman Irv Tallman

Marriages in Trouble Julia Brannen, Jean Collard, 2023-06-09 In the early 1980s it was fashionable to suggest that marriage as an institution was in trouble but there were widely differing views as to whether or not this was really so Originally published in 1982 this title started as a small scale exploratory study of clients with marital problems and how they came to seek help Using a sociological approach to marriage the authors compare the medical and non medical settings the clients attended and looks at their social networks as a way to see how people view and conduct their marital relationships It also looks at the broader concept of marriage and how it came to be seen as problematic in our society and became part of wider public discourse at the time Today reissued with a new preface it can be read in its historical context

The Power of Discourse in Ritual Performance Ulrich Demmer,2007 This volume focuses on the ways discourse is used in ritual performances as an important medium of power enabling speakers actors to construct redefine and transform interpersonal relationships cultural concepts and worldviews The various case studies gathered here from South Asia South East Asia Africa and South America show that recent developments in linguistic anthropology ritual theory and performance studies provide new conceptual tools to take a fresh look at these issues Foregrounding pragmatic approaches to language and discourse they explore the social dynamics of rhetorical discourse text and context normativity and creativity the poetics of dialogue and speech as well as the manifold interactions of speakers addressees and audience The volume thus embraces both the micro level of speech activities as well as the macro level of social and political relationships and brings out the subtle workings of control authority and power in situations marked as ritual The contributions all based on extensive fieldwork include many concrete samples of speech and discourse which give an authentic impression of the different voices and make for vivid reading

Handbook of Marriage and the Family Marvin B. Sussman,Suzanne K. Steinmetz,Gary W. Peterson,2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been

able to dispel this sweet idea of the childishness of woman which man cherishes p [International bibliography of research in marriage and the family](#) Joan Aldous,1967 **Handbook of Child Psychology and Developmental Science, Ecological Settings and Processes** ,2015-04-06 The essential reference for human development theory updated and reconceptualized The Handbook of Child Psychology and Developmental Science a four volume reference is the field defining work to which all others are compared First published in 1946 and now in its Seventh Edition the Handbook has long been considered the definitive guide to the field of developmental science Volume 4 Ecological Settings and Processes in Developmental Systems is centrally concerned with the people conditions and events outside individuals that affect children and their development To understand children s development it is both necessary and desirable to embrace all of these social and physical contexts Guided by the relational developmental systems metatheory the chapters in the volume are ordered them in a manner that begins with the near proximal contexts in which children find themselves and moving through to distal contexts that influence children in equally compelling if less immediately manifest ways The volume emphasizes that the child s environment is complex multi dimensional and structurally organized into interlinked contexts children actively contribute to their development the child and the environment are inextricably linked and contributions of both child and environment are essential to explain or understand development Understand the role of parents other family members peers and other adults teachers coaches mentors in a child s development Discover the key neighborhood community and institutional settings of human development Examine the role of activities work and media in child and adolescent development Learn about the role of medicine law government war and disaster culture and history in contributing to the processes of human development The scholarship within this volume and as well across the four volumes of this edition illustrate that developmental science is in the midst of a very exciting period There is a paradigm shift that involves increasingly greater understanding of how to describe explain and optimize the course of human life for diverse individuals living within diverse contexts This Handbook is the definitive reference for educators policy makers researchers students and practitioners in human development psychology sociology anthropology and neuroscience
