Marriage In Seventeenthcentury English Political Thought:

Marriage in Seventeenth-Century English Political Thought Belinda Roberts Peters,2004-09-08 This study traces the decline of marriage as a metaphor for political authority subjection and tyranny in Seventeenth century political thought An image that bound consent and contract with divine right absolutism and irrevocably connected royal prerogatives with subjects liberties its disappearance in the middle decades of the century coincided with the full emergence of patriarchalist and social contract theories If both these accepted the importance of fathers of families neither would suggest that political government could be comparable to marriage **"That Immaculate Robe of Honour"** Belinda Louise Roberts Peters,1996

"That Immaculate Robe of Honour" Belinda Louise Roberts Peters,1996 **Western Political Thought** Robert Eccleshall,Michael Kenny,1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability **The Politics of the Female Voice in Early Stuart England** Christina Luckyj,2022-03-03 This study illuminates the female voice as a means of signalling resistance to tyranny in early Stuart literature and discourse **Gender and Power in Britain 1640-1990** Susan Kingsley Kent,2002-01-04 Gender and Power in Britain is an original and exciting history of Britain from the early modern period to the present focusing on the interaction of gender and power in political social cultural and economic life Using a chronological framework the book examines the roles responsibilities and identities of men and women how power relationships were established within various gender systems how women and men reacted to the institutions laws customs beliefs and practices that constituted their various worlds class racial and ethnic considerations the role of empire in the development of British institutions and identities the civil war twentieth century suffrage the world wars industrialisation Victorian morality

Ashgate Critical Essays on Women Writers in England, 1550-1700 Mihoko Suzuki,2020-07-24 Until recently Anne Clifford has been known primarily for her Knole Diary edited by Vita Sackville West which recounted her steadfast resistance to the most authoritative figures of her culture including James I as she insisted on her right to inherit her father s title and lands Lucy Hutchinson was known primarily as the biographer of her husband a Puritan leader during the English Civil Wars The essays collected here examine not only these texts but in Clifford s case her architectural restorations and both the Great Book which she had compiled and the Great Picture which she commissioned in order to explore the identity she fashioned for herself as a property owner matriarchal head of her family patron and historian In Hutchinson s case recent scholars have turned their attention to her poetry her translation of Lucretius and her biblical epic Order and Disorder to analyze her contributions to early modern scientific and political writing and to place her work in relation to Milton s Paradise Lost

Political Passions Rachel Judith Weil,1999 Ideas about marriage gender and the family were central to political debate in late Stuart England Newly available in paperback this book shows how political argument became an arena in which the

proper relations between men and women parents and children public and private were defined and contested Using sources that range from high political theory to scurrilous lampoons she considers public debates about succession resistance and divorce Weil examines the allegedly fraudulent birth of the Prince of Wales in 1688 the uses to which Williamite propagandists put the image of the paradoxically sovereign but obedient Mary II anxieties about the influence of bedchamber women on Queen Anne the political self image of the notorious Duchess of Marlborough the relationship of feminism and Tory ideology in the polemical writings of Mary Astell and the scandal novels of Delariviere Manley Solidly grounded in current historical scholarship but written in an engaging manner accessible to non specialists this book will interest students of literature gender studies political culture and political theory as well as historians **Feminist Interpretations of John**

Locke Nancy J. Hirschmann, Kirstie M. McClure, 2010-11-01 This collection considers one of the most important figures of the modern canon of political philosophy John Locke A physician by training and profession Locke not only wrote one of the most important and well known treatises of the modern canon but also made important contributions in the areas of seventeenth century law and public policy epistemology philosophy of language religion and economics There has been a long standing debate in feminist scholarship on Locke as to whether this early founder of modern liberal thought was a strong feminist or whether he ushered in a new and uniquely modern form of sexism The essays grapple with this controversy but also move beyond it to the meaning of gender the status of femininity and masculinity and how these affect Locke s construction of the state and law The volume opens with three of the early classic feminist essays on Locke and follows them with reflective essays by their original authors that engage Locke with issues of globalization and international justice Other essays examine Locke s midwifery notes his treatise on education his writings on Christianity his contributions to poor law policy his economic writings and his Essay Concerning Human Understanding In addition to essays by leading feminist theorists the volume also includes essays by some leading Locke scholars for whom gender is not normally a primary focus so that the volume should speak to a wide range of scholarly interests and concerns Besides the editors the contributors are Teresa Brennan Melissa Butler Terrell Carver Carole Pateman Carol Pech Gordon Schochet Mary Lyndon Shanley Jeremy Waldron Joanne Wright and Linda Zerilli *Family Politics in Early Modern Literature* Hannah Crawforth, Sarah Lewis, 2017-01-03

This book considers the ways that family relationships parental marital sibling or other mimic and stand in for political ones in the Early Modern period and vice versa Bringing together leading international scholars in literary historical fields to produce scholarship informed by the perspective of contemporary politics the volume examines the ways in which the family defines itself in transformative moments of potential crisis birth and death maturation marriage moments when the family is negotiating its position within and through broader cultural frameworks and when as a result family politics become most apparent

The Oxford Handbook of Hobbes A.P. Martinich, Kinch Hoekstra, 2016-03-07 The Oxford Handbook of Hobbes collects twenty six newly commissioned original chapters on the philosophy of the English thinker Thomas Hobbes

1588 1679 Best known today for his important influence on political philosophy Hobbes was in fact a wide and deep thinker on a diverse range of issues The chapters included in this Oxford Handbook cover the full range of Hobbes s thought his philosophy of logic and language his view of physics and scientific method his ethics political philosophy and philosophy of law and his views of religion history and literature Several of the chapters overlap in fruitful ways so that the reader can see the richness and depth of Hobbes s thought from a variety of perspectives The contributors are experts on Hobbes from many countries whose home disciplines include philosophy political science history and literature A substantial introduction places Hobbes s work and contemporary scholarship on Hobbes in a broad context *Sex and Citizenship in Antebellum America* Nancy Isenberg,2000-11-09 With this book Nancy Isenberg illuminates the origins of the women s rights movement Rather than herald the singular achievements of the 1848 Seneca Falls convention she examines the confluence of events and ideas before and after 1848 that in her view marked the real birth of feminism Drawing on a wide range of sources she demonstrates that women s rights activists of the antebellum era crafted a coherent feminist critique of church state and family In addition Isenberg shows they developed a rich theoretical tradition that influenced not only subsequent strains of feminist thought but also ideas about the nature of citizenship and rights more generally By focusing on rights discourse and political theory Isenberg moves beyond a narrow focus on suffrage Democracy was in the process of being redefined in antebellum America by controversies over such volatile topics as fugitive slave laws temperance Sabbath laws capital punishment prostitution the Mexican War married women s property rights and labor reform all of which raised significant legal and constitutional questions These pressing concerns debated in women s rights conventions and the popular press were inseparable from the gendered meaning of nineteenth century citizenship The Family in Early Modern England Helen Berry,Elizabeth Foyster,2007-12-06 This text provides an assessment of the most important research published in the past three decades on the English family The Well-ordered Universe Deborah A. Boyle,2018 The prolific Margaret Cavendish 1623 1673 published books on natural philosophy as well as stories plays poems orations allegories and letters Her mature philosophical system offered a unique panpsychist theory of Nature as composed of a continuous non atomistic perceiving knowing matter In contrast to the dominant philosophical thinking of her day Cavendish argued that all matter has free will and can choose whether or not to follow Nature s rules The Well Ordered Universe explores the development of Cavendish s natural philosophy from the atomism of her 1653 poems to the panpsychist materialism of her 1668 Grounds of Natural Philosophy Deborah Boyle argues that her natural philosophy her medical theories and her social and political philosophy are all informed by an underlying concern with order regularity and rule following This focus on order reveals interesting connections among apparently disparate elements of Cavendish s philosophical program including her views on gender on animals and the environment and on sickness and health Focusing on the role of order in Cavendish s philosophy also helps reveal key differences between her natural philosophy and her more conservative social and political philosophy

Cavendish believed that humans special desire for public recognition often leads to an unruly ambition causing humans to disrupt society in ways not seen in the rest of Nature Thus The Well Ordered Universe defends Cavendish as a royalist who endorsed absolute monarchy and a rigid social hierarchy for maintaining order in human society **Charlotte de La Trémoille, the Notorious Countess of Derby** Sandy Riley,2018-01-23 A Parliamentarian described his feelings towards Charlotte de La Trémoille when he wrote in the journal the Parliamentary Scout three women ruined the Kingdom Eve The Queen and the Countess of Derby This historical biography uses the letters found in the Chateau at Thouars and preserved in the French National Archive in Paris to piece together an account of her ideas and actions Eyewitness writings are used to describe her activities during the siege by Parliamentary forces of the Royalist Lathom House Following the end of the siege she was exiled to the Isle of Man A Huguenot Charlotte lived at a time of religious and political upheaval in both France and England She was related by birth and marriage to European royalty and aristocracy She was the only woman sequestered by the Parliament of Oliver Cromwell and King Charles II promised her the position of Governess to his children *Women of Quality* Ingrid H. Tague,2002 An examination of the interaction between ideology and experience in the lives of English women during a period of great social and intellectual change Focusing on the complex relationship between discourse and experience *Women of Quality* examines the role of gender in aristocratic women s daily lives during a period of significant cultural change In the years following the Glorious Revolution didactic writers and other social critics responded to a perceived crisis of gender relations by creating a new discourse of natural feminine behavior in opposition to the luxury and decadence of fashionable women Modern scholars have often portrayed this agenda as representing the rise of a middle class ideology but Ingrid Tague argues that the new rhetoric held enormous appeal for those women who would appear to be its greatest targets wealthy fashionable women of quality Using the correspondence and diaries of these women Tague traces the ways in which they adopted adapted and exploited ideals of femininity In their hands feminine values could become powerful tools that enabled them to compete for status and reputation Ironically by identifying femininity with private trivial concerns these ideals created unique opportunities for elite women Female participation in informal social and political activities placed women at the heart of aristocratic power in the early eighteenth century even as they employed the language of wifely subordination and domesticity Ingrid Tague is Assistant Professor of History at the University of Denver

The Politics of Making Kinship Erdmute Alber,David Warren Sabean,Simon Teuscher,Tatjana Thelen,2022-12-09 The long tradition of Western political thought included kinship in models of public order but the social sciences excised it from theories of the state public sphere and democratic order Kinship has however neither completely disappeared from the political cultures of the West nor played the determining social and political role ascribed to it elsewhere Exploring the issues that arise once the divide between kinship and politics is no longer taken for granted *The Politics of Making Kinship* demonstrates how political processes have shaped concepts of kinship over time and conversely how political projects have

been shaped by specific understandings idioms and uses of kinship Taking vantage points from the post Roman era to early modernity and from colonial imperialism to the fall of the Berlin Wall and beyond this international set of scholars place kinship centerstage and reintegrate it with political theory Public Man, Private Woman Jean Bethke Elshtain, 2020-07-21 Focusing on the Western philosophical tradition and the work of contemporary feminists Jean Elshtain explores the general tendency to assert the primacy of the public world the political sphere dominated by men and to denigrate the private world the familial sphere dominated by women She offers her own positive reconstruction of the public and the private in a feminist theory that reaffirms the importance of the family and envisions an ethical polity *Bodies, Speech, and Reproductive Knowledge in Early Modern England* Sara D. Luttfring, 2015-07-16 This volume examines early modern representations of women s reproductive knowledge through new readings of plays monstrous birth pamphlets medical treatises court records histories and more which are often interpreted as depicting female reproductive bodies as passive silenced objects of male control and critique Luttfring argues instead that these texts represent women exercising epistemological control over reproduction through the stories they tell about their bodies and the ways they act these stories out combining speech and physical performance into what Luttfring calls bodily narratives The power of these bodily narratives extends beyond knowledge of individual bodies to include the ways that women s stories about reproduction shape the patriarchal identities of fathers husbands and kings In the popular print and theater of early modern England women s bodies women s speech and in particular women s speech about their bodies perform socially constitutive work constructing legible narratives of lineage and inheritance making and unmaking political alliances shaping local economies and defining delimiting male socio political authority in medical royal familial judicial and economic contexts This book joins growing critical discussion of how female reproductive bodies were used to represent socio political concerns and will be of interest to students and scholars working in early modern literature and culture women s history and the history of medicine *Friendship's Shadows: Women's Friendship and the Politics of Betrayal in England, 1640-1705* Penelope Anderson, 2012-08-31 Penelope Anderson s original study changes our understanding both of the masculine Renaissance friendship tradition and of the private forms of women s friendship of the eighteenth century and after It uncovers the latent threat of betrayal lurking within politicized classical and humanist friendship showing its surprising resilience as a model for political obligation undone and remade Incorporating authors from Cicero to Abraham Cowley and Margaret Cavendish to Mary Astell the book focuses on two extraordinary women writers the royalist Katherine Philips and the republican Lucy Hutchinson And it explores the ways in which they appropriate the friendship tradition in order to address problems of conflicting allegiances in the English Civil Wars and Restoration As Penelope Anderson suggests their writings on friendship provide a new account of women s relation to public life organized through textual exchange rather than bodily reproduction

Reviewing **Marriage In Seventeenthcentury English Political Thought**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Marriage In Seventeenthcentury English Political Thought Introduction

In the digital age, access to information has become easier than ever before. The ability to download Marriage In Seventeenthcentury English Political Thought has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Marriage In Seventeenthcentury English Political Thought has opened up a world of possibilities. Downloading Marriage In Seventeenthcentury English Political Thought provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Marriage In Seventeenthcentury English Political Thought has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Marriage In Seventeenthcentury English Political Thought. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Marriage In Seventeenthcentury English Political Thought. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Marriage In Seventeenthcentury English Political Thought, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Marriage In Seventeenthcentury English Political Thought has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Marriage In Seventeenthcentury English Political Thought Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Marriage In Seventeenthcentury English Political Thought is one of the best book in our library for free trial. We provide copy of Marriage In Seventeenthcentury English Political Thought in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Marriage In Seventeenthcentury English Political Thought. Where to download Marriage In Seventeenthcentury English Political Thought online for free? Are you looking for Marriage In Seventeenthcentury English Political Thought PDF? This is definitely going to save you time and cash in something you should think about.
