

Marriage

A marriage is a promise
That two hearts gladly make
A promise to be tender
To help, to give and take
A marriage is a promise
To be kind and understanding
To be thoughtful and considerate
Fair and undemanding
A marriage is a promise
To share one life together
A love-filled promise meant to be
Kept lovingly forever

Understand the Old Testament David Holsted, 2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he s talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That s where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But with a little guidance you can not only understand it you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don t have hundreds of hours to invest This book combines the best of what I ve read and studied about the Old Testament It is part book read it through or

select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn biblical principles patterns and promises Learn about Hebrew culture language and history in the context of world history Learn of the prophecies of hope through the Messiah Learn how the Old Testament testifies to Jesus throughout Share this adventure with me Take the first step Start down the path You will find it one of the most fulfilling things you ve ever done *The Lost Love Letters of Heloise and Abelard* Constant J. Returning to John Donne Achsah

Guibbory, 2016-03-23 Collected in this volume are Achsah Guibbory's most important and frequently cited essays on Donne which taken together present her distinctive and evolving vision of the poet. The book includes an original substantive introduction as well as new essays on the Devotions upon Emergent Occasions, the Songs and Sonnets, and the subject of Donne and toleration. Over the course of her career Guibbory has asked different questions about Donne but has always been concerned with recovering multiple historical and cultural contexts and locating Donne's writing in relation to them. In the essays here she reads Donne within various contexts: the early modern thinking about time and history; religious attitudes towards sexuality; the politics of early modern England; religious conflicts within the church. While her approach has always been historicist, she has also foregrounded Donne's distinctiveness, showing how and why he continues to speak powerfully to us now. Presented together here with reflections on the trajectory of her engagement with Donne, Achsah Guibbory illuminates Donne's understanding that erotic, spiritual, and political issues are often intertwined and reveals how this understanding resonates in our own times.
