A comedy by Thomas Durfey** Manuel J. Gómez-Lara,María José Mora,Paula de Pando,2014-09-23 When young Phoebe asks Sir Philip Freewit the man who has got her with child to fulfil his promise and marry her he replies with shock My wife Then I should never love thee more Thomas Durfey s The Marriage Hater Matched 1692 pokes fun at the figure of the libertine rake which had become a favourite dramatic type with Restoration theatregoers and forces him in the end to make up for his past recklessness Besides the marriage hater and the two women that vie for his affections a remarkable gallery of secondary characters people this amusing comedy a Frenchified lady fawning on her lap dog a fat clownish Dutchman laughing at his own jokes a impertinent match making widow obsessed with food a peevish old fashioned courtier a pert lipping ing nue and two rude boobies bearing the names of Greek philosophers This first modern critical edition offers a fully annotated text in addition to an introduction that situates the comedy in its literary and theatrical contexts The editors discuss at length how Durfey drew upon successful comic modes while at the same complying with the moral values advocated by the new monarchs William and Mary 1688 1702 **Your Marriage and Your Ancestry** Dr. D. K. Olukoya,2015-03-13 Why should anyone think of fighting battles in the area of marriage Is there anything spiritual about marriage Is marriage not a mere union between a man and a woman Good questions Marriage is more than a union There is more that meets the eye when a

man who comes from his own background decides to be joined in wedlock with a lady who comes from another background Beloved your marriage rises or falls on your ancestry Unknown to many people the extent they will go in the area of marriage has been predetermined by their ancestors And no matter what you have achieved today there was a day when you came to this world as a helpless infant Though your navel which today has been separated from your umbilical cord may be seen as an ordinary part of the body It should actually remind you that it was formerly the rope that tied you to your parents and by extension your ancestors who lived hundreds of years ago This is a deep spiritual understanding you must not ignore Just as there is no human being without a navel there is no man or a woman who was not formerly linked to his or her parents through the umbilical cord

The Courtship Novel, 1740-1820 Katherine Sobba Green,2021-10-21 The period from her first London assembly to her wedding day was the narrow span of autonomy for a middle class Englishwoman in the eighteenth and early nineteenth centuries For many women as Katherine Sobba Green shows the new ideal of companionate marriage involved such thoroughgoing revisions in self perception that a new literary form was needed to represent their altered roles That the choice among suitors ideally depended on love and should not be decided on any other grounds was a principal theme among a group of heroine centered novels published between 1740 and 1820 During these decades some two dozen writers most of them women published such courtship novels Specifically aiming them at young women readers these novelists took as their common purpose the disruption of established ideas about how dutiful daughters and prudent young women should comport themselves during courtship Reading a wide range of primary texts Green argues that the courtship novel was a feminized genre written about by and for women She challenges contemporary readers to appreciate the subtleties of early feminism in novels by Eliza Haywood Mary Collyer Charlotte Lennox Samuel Richardson Frances Brooke Fanny Burney Mary Wollstonecraft Jane West Mary Brunton Maria Edgeworth and Jane Austen to recognize that these courtship novelists held in common a desire to reimagine the subject positions through which women understood themselves

The Victim and Its Masks Abdellah Hammoudi, 1993-11 Each year in a solemn Sunni Muslim feast the Ait Mizane of southern Morocco reenact the story of Abraham as a ritual sacrifice a symbolic observance of their submission to the divine After this sober ceremony comes a bacchanalian masquerade which seems to violate every principle the sacrifice affirmed Because of the apparent contradiction

between sacrifice and masquerade observers have described the two as entirely separate events This book reunites them as a single ritual process within Islamic tradition *Clarence* Catharine Maria Sedgwick,2011-10-20 Honorable mention recipient for the 2012 Society for the Study of American Women Writers Award A pioneering American novel of manners first published in 1830 Catharine Sedgwick's *Clarence* follows heiress Gertrude Clarence as she negotiates the perils of the marriage market in New York City Giving Gertrude's family English and Caribbean histories Sedgwick aligns the United States in the 1820s with a larger Atlantic world This edition of Sedgwick's cosmopolitan novel will contribute to a rethinking both of the history of the American novel of manners and to the shape of Sedgwick's career as one of the most important novelists of the first half of the nineteenth century This Broadview edition offers a rich selection of contextual materials including selections from Sedgwick's correspondence and journals reconstructing the origins of the novel engravings and lithographs of key sites in the novel American and British reviews of the novel and documentation of the author's revised edition of 1849 *Masquerade* Deborah Bell,2014-12-03 In its conventional meaning masquerade refers to a festive gathering of people wearing masks and elegant costumes But traditional forms of masquerade have evolved over the past century to include the representation of alternate identities in the media and venues of popular culture including television film the internet theater museums sports arenas popular magazines and a range of community celebrations reenactments and conventions This collection of fresh essays examines the art and function of masquerade from a broad range of perspectives From African slave masquerade in New World iconography to the familiar Guy Fawkes masks of the Occupy Wall Street movement to the branded identities created by celebrities like Madonna Beyonce and Lady Gaga the essays show how masquerade permeates modern life New Dawn for African Women Michael Muonwe,2016-12-13 The need for renegotiation of the place and role of women in the family the Church and the society cannot be any more urgent than now especially as people are more aware of the devastating effects of the evils of inequality discrimination and oppression It is a pity that the excellent qualities of bravery industry resilience and perseverance historically attributed to African women with which they negotiated for better place in the family the Church and the society have been manipulated to serve as instruments for their denigration The problem is that the patriarchal articulations of gender relations from the western world that entered Africa through colonialism Christianity western education and globalization allied themselves with the macho elements in African culture and institutionalized the oppression of women a move that women have always resisted both overtly and covertly But how long could they hang on This book provides exceptional and critical assessment of these issues especially from the perspective of the Igbo society of Nigeria Apart from assessing the strengths and weaknesses of the efforts made by women themselves to surmount these challenges it also explores how the autochthonous values of the traditional culture could integrate with Christian values to enthrone gender equality in the society Fr Muonwe demonstrated in this present publication his pastoral zeal for justice especially on the predicaments of women in African nay Igbo society

He regrets as it were that the African Igbo traditional society is still far from realizing the Christian gospel ideal of dignity and equality of human person because of the obvious environment that is strictly androcentric and carefully crafted in patriarchal hegemony I thank Fr Muonwe for this timely publication especially for many Igbo Christian communities today experiencing crisis in several aspects of our culture I hope the Bishops the Priests the Religious and Laity will find in this present work a rare and indispensable treasure for solutions to our pastoral predicaments Rev Fr Prof Anthony B C Chiegboka New Dawn for African Women is encyclopaedic in content and daunting in its wealth of documentation It is a well written book The contents covered much more than Igbo women or gender issues It addressed such other issues as Igbo cosmology Igbo concept of life and death the history of Christianity in Igboland and Igbo social anthropology among others It is a book which every Nigerian especially the Igbo should read The book is inspirational and provocative in the extreme it is original and displays learning lightly carried One cannot but return to it over and over again after the first reading I very strongly recommend it to the Nigerian and African reading public C Ego Uzoezie Ph D *American Law Reports Annotated*, 1921 Look Who's Laughing Gail Finney, 2014-07-10 First Published in 1994 Look Who's Laughing belies the notion that in a joke the only place for a woman is in the butt Rather than analysing women's humor in isolation Gail Finney and twenty scholars map the terrain that the genders share and the areas that each hold exclusively Their essays investigate witty heroines sexual parodies domestic humor and romantic power They focus on comic drama and fiction stand up comedy cartoons and film describing the roles gender has played in the creation reception and interpretation of comedy from the sixteenth century to present They consider works by Shakespeare Oscar Wilde Zora Neale Hurston and Virginia Woolf whilst discussing characters such as V I Warshawski Molly Bloom and Elizabeth Bennet The book's emphasis on comedy's diverse sources uncovers critical prejudices and defines new contexts enabling men and women to understand more about each other's attitudes towards humor its means and ends **Woman Under the Law** Alvah L.
