*Collaborators in Literary America, 1870-1920* S. Ashton, 2003-06-27 Much has been written recently about the important changes in understandings of authorship and literary labour in the late Nineteenth and early Twentieth centuries Collaborators in Literary America 1870 1920 argues that the collaborative novels of this period were instrumental to that reconstruction More than just a gimmick these novels there were dozens published between The Gilded Age 1873 by Mark Twain and Charles Dudley Warner and The Sturdy Oak 1917 by Mary Austin Kathleen Norris Dorothy Canfield Fisher Henry Kitchell Webster et al were a serious attempt to work through the anxieties authors faced in an ever more competitive and business like market By examining the issues surrounding collaborative production of writers such as Henry James Mark Twain and William Dean Howells Ashton demonstrates that in union there was strength Sweet Gums Louie Dillon, JB Hamilton Queen, 2009-11-24 Homer Ashley Fields has only one living relative an aging grandfather who for thirty two years has lived in self imposed silence rather than to answer questions about his mysterious past At age twelve Homer stopped asking the scar on his arm a reminder never to ask again That day his grandfather sat down with a notebook and a pencil and

began to write over the years filling notebook after notebook and locking them in an old trunk Homer suspects the answers to all his questions are on the pages but he will not betray his grandfathers trust When a strangers appearance terrifies his grandfather into a near heart attack Homer feels certain the man is linked to his grandfathers past and contemplates breaking into the trunk By chance he finds two handwritten pages behind the trunk that reveal the horrible truth that took the lives of thousands and drove his grandfather from his home at age eleven to fend for himself Now he must find his ailing grandfathers siblings if they are still alive before it is too late      **Masters of the Breed** JB Hamilton Queen,Louie Dillon,2009-12-17

fiction writing     The Routledge Companion to Literary Media Astrid Ensslin,Julia Round,Bronwen Thomas,2023-08-30 The  
Routledge Companion to Literary Media examines the fast moving present and future of a media ecosystem in which the  
literary continues to play a vital role The term literary media challenges the tendency to hold the two terms distinct and  
broadens accepted usage of the literary to include popular cultural forms emerging technologies and taste cultures genres  
and platforms as well as traditions and audiences all too often excluded from literary histories and canons Featuring  
contributions from leading international scholars and practitioners the Companion provides a comprehensive guide to  
existing terms and theories that address the alignment of literature and a variety of media forms It situates the concept in  
relation to existing theories and historiographies considers emerging genres and forms such as locative narratives and  
autofiction and expands discussion beyond the boundaries by which literary authorship is conventionally defined  
Contributors also examine specific production and publishing contexts to provide in depth analysis of the promotion of  
literary media materials The volume further considers reading and other aspects of situated audience engagement such as  
Indigenous and oral storytelling prize and review cultures book clubs children and young adults This authoritative collection  
is an invaluable resource for scholars and students working at the intersection of literary and media studies     **Poets &
