Marriage After Sex:

Is There Sex After Marriage? Carol Botwin, 1986 Number, Timing, and Duration of Marriages and Divorces in the United States Paul C. Glick, 1976 **Gay Marriage: for Better Or for Worse?** William N. Eskridge, Darren R. Spedale, 2006-06-18 Opponents of same sex marriage in the United States often claim that allowing gays and lesbians to marry will lead to the downfall of the institution of marriage and will harm children Drawing from 16 years of data and experience with same sex unions in Scandinavia *Gay Marriage For Better or for Worse* is the first book to present empirical evidence about the results of same sex marriage in the form of registered partnerships from the Nordic countries Spedale and Eskridge demonstrate that conservative defense of marriage arguments that predict negative effects from gay marriage are invalid and the Scandinavian experience suggests that the institution of marriage may indeed benefit from the enactment of gay marriage If we look at the proof from abroad the authors argue we must conclude that the sanctioning of gay marriage in the United States would neither undermine marriage as an institution nor harm the wellbeing of our nation s children

Married Women Who Love Women Carren Strock, 2020-05-01 This accessible book offers support and advice for women in heterosexual marriages who discover or are coming to terms with their lesbianism or bisexuality It also offers guidance for the single lovers of married women In sharing the author s personal story as well as the descriptive experiences of others this book provides validation and empowerment to multitudes of women in their search for their true identities In this third edition of *Married Women Who Love Women* the author gives women ways in which to structure and restructure their lives and their families after they realize their same gender sexuality Chapters consider questions such as how women make this discovery reactions from loved ones and the outcomes for marriages and families Updated throughout with contemporary understandings of sexuality and gender this book includes a wealth of information fresh narratives and stories offering insight into women s experiences across the country This is an essential read for women and their partners who are discovering their true identity as well as therapists helping professionals and students of women s studies gender studies sexuality studies and LGBTQ studies programs *Images of Desire* Jaqueline Lapa Sussman, 2003-12 Most of us suffer from images implying that we must look and act like movie stars to be sensuous Movie television magazines as well as our personal histories shape these images and sensuality But each of us is born with a natural sensuality that is still locked within us Eidetic Imaging removes those layers of false images and unlocks our lush natural sensuality *Religion and Sexuality* Pamela Dickey Young, Heather Shipley, Tracy J. Trothen, 2015-01-31 The relationship between religion and sexuality is often framed as inherently conflictual Religious groups and ideologies have long influenced the public regulation of sexuality and recent controversies include religious opposition to same sex marriage sex education in schools and non traditional expressions of sexual identity But what actually happens when religion and sexuality converge in contemporary contexts *Religion and Sexuality* challenges the commonly held assumption that religion s relationship to sexuality is solely bound up

with regulation In this provocative examination of both sexual and religious diversity chapters go beyond the familiar debates over tolerance and accommodation to explore the ways in which various forms of religious affiliation and sexual identity do in fact co exist Drawing on interviews and analyzing media representations legislation and public discourse on topics such as education economics and same sex marriage in North America and the United Kingdom this volume foregrounds the complexity and multiplicity of religious and sexual identities and practices

The Other Significant Others Rhaina Cohen, 2024-02-13 NATIONAL BESTSELLER AN INDIE BESTSELLER *The Other Significant Others* fundamentally it's become my new Bible Trevor Noah An arresting work of compassion and insight Lori Gottlieb I loved and recommend *The Other Significant Others* to everybody Ezra Klein I feel like I've been waiting for this book for my entire adult life Anne Helen Petersen Why do we assume romantic relationships are more important than friendships What do we lose when we expect a spouse to meet all our needs And what can we learn about commitment love and family from people who put deep friendship at the center of their lives In *The Other Significant Others* NPR's Rhaina Cohen invites us into the lives of people who have defied convention by choosing a friend as a life partner these are friends who are home co owners co parents or each other's caregivers Their riveting stories unsettle widespread assumptions about relationships including the idea that sex is a defining feature of partnership and that people who raise kids together should be in a romantic relationship Platonic partners from different walks of life spanning age and religion gender and sexuality and more reveal how freeing and challenging it can be

to embrace a relationship model that society doesn't recognize. And they show that orienting your world around friends isn't limited to daydreams and episodes of *The Golden Girls* but actually possible in real life. Based on years of original reporting and striking social science research, Cohen argues that we undermine romantic relationships by expecting too much of them while we diminish friendships by expecting too little of them. She traces how throughout history our society hasn't always fixated on marriage as the greatest source of meaning or even love. At a time when many Americans are spending large stretches of their lives single, widowed or divorced or feeling the effects of the loneliness epidemic, Cohen insists that we recognize the many forms of profound connection that can anchor our lives. A rousing and incisive book, *The Other Significant Others* challenges us to ask what we want from our relationships, not just what we're supposed to want, and transforms how we define a fulfilling life.

LGBTQ Americans in the U.S. Political System Jason Pierceson, 2019-11-11. This comprehensive sourcebook covers the evolution of LGBTQ engagement in American politics from the emergence of gay rights as a political issue in the early 1970s to the present day when LGBTQ issues occupy a prominent place in politics. This work provides a broad and authoritative survey of the ways in which gay Americans are influencing the tenor and trajectory of U.S. politics at the local, state and national levels. An encyclopedic section offers thorough coverage of all of the individuals, organizations, cultural forces, political issues and legal decisions that have combined to elevate the role of LGBTQ people at the ballot box, on the campaign trail in Washington and in mayors' offices, city councils and school boards across the country. Complementing reference entries are in-depth essays on the rising prominence of gay Americans as voters, candidates, public officials, lawmakers and opinion leaders, providing further context for understanding their impact on modern U.S. political processes and institutions from the perspective of liberals and conservatives alike. Finally, the set includes a collection of important primary source documents that illuminate landmark events, examine gay policy priorities and preferences, and showcase the beliefs and experiences of prominent LGBTQ Americans in the world of politics.

Marriage in Human Society Manis Kumar Raha, 2023-01-01. Marriage as an institution was introduced among human beings possible thousands of years ago. Human being possibly started with promiscuity and then moved to the structured forms of marriages. It took no doubt many many years. From one form of marriage is human being diversified marriage form into several. During last couple of century or more several changes have taken place in marriage pattern, forms, methods, ceremonies etc. Still during recent decades only some anthropologists and other social scientists have showed much interest to study marriage. These Three Volumes deals with marriage in different parts of the world and its different forms and types in great details. But much emphasis has been given on different multiple marriages, particularly polyandry, its sub types and regions of origin and development of polyandry as practiced in different countries including India. Emphasis has also been given on the question of determination and allocation of paternity and decline of polyandry and some other multiple marriages. In this study special stress has been given on some of the marriage that is sexuality reproductively and paternity. Also provide very good idea about different aspects of marriage.
