Religion and Mental Health, 1980 References to 1836 journal articles dissertations and books published since 1970 Also contains foreign language titles Focuses on literature dealing with the theoretical and practical relationships between religion and mental health Classified arrangement Each entry gives bibliographical information and abstract Author subject indexes *God's Prescription for Mental Health and Religion* E. Rae

Harcum, 2010-07-15 The central proposition of God s Prescription for Mental Health and Religion is that the highway to mental health of individuals and of society is God s prescription of selfless devotion and service to others Mental health does not refer to the absence of mental disturbance but rather to feelings of happiness and well being This message represents an integration of psychological and religious thinking both of which say that personal peace and happiness come to those who devote their lives to serving others instead of those who focus their lives on a search for personal pleasure This proposition is supported by rigorous psychological research showing that people who believe in a loving and supportive God do in fact enjoy better mental health This thesis is also supported by the insightful advice of many experts and commentators on social problems and by specific quotations from the Bible So smile if you truly believe your religion
