Now what? Sinelia Peixoto, 2021-02-06 What can you do when you see that your marriage has irretrievably broken down After ten years of marriage Paul realises that he no longer loves his wife that they live like brother and sister and that libido and sex are no longer present in their relationship They are living a sham marriage Paul decides to seek a lover because for society his marriage is perfect and divorce would not be a reasonable option as Paul is selfish and does not like being left alone Shall he manage to betray his wife Shall she find out And what would happen should he fall in love What will happen to this couple and how shall they manage to cope with betrayals quarrels lies intrigue doubts and fears Shall they manage to overcome all this and stay together A story of love doubts uncertainty neuroses and struggle      *Betrayed* Randy Valimont, 2014 Betrayed uses the example of Jesus and His interaction with Judas to give us a spiritually sound example of how we can deal with the betrayal in our lives      *Shadow Marriage* Paul Dunion, 2006-08 The author suggests that nothing strikes a stake through the heart of marital hopes and dreams like the incessant pursuit of happiness with the therapeutic community often colluding with this cultural imperative As spouses demand that their partners and their marriages make them happy a myriad of unfortunate dynamics ensue making the typical marriage unbearable Shadow Marriage A Descent into Intimacy offers both couples and professionals an uniquely in depth perspective upon marriage that can't be found in the pages of any other text Dr George Rogers Author of Terror Bonding and Psychotherapy Paul Dunion's Shadow Marriage A Descent into Intimacy collects the many lost voices and broken hearts of modern marriage When you truly dive into your own story with the tools found in this book and flush out the teachings and the blessings your marriage and maybe even your life could be saved Jeffrey Duvall Author of Men Meaning and Prayer The Reconciliation of Heart and Soul in Modern Manhood Shadow Marriage is wonderfully insightful and fully grounded at the same time Dr Dunion has encapsulated many years of experience into his text You can feel the weight of each sentence as it comes off the page This book will help anyone gain a deeper understanding of the inner workings of love and relationship Cliff Barry Founder of Shadow Work Seminars      Riding the Wave of the Sting of Infidelity in a Marriage Dr Anniekie Ravhudzulo, 2012-01-23 Marriage is under tremendous assault as never before Will marriage survive Can it survive Infidelity is exploding but why In most cultures infidelity has become a major part of entertainment We all see it in

popular television programs and movies Infidelity to some is enjoyment and pleasure Some men think if they are not slipping and cheating they are not being real men Some individuals grew up in environments where cheating is a way of life Some women think life is boring without the excitement of an outside affair In spite of the reasons God to His creation says No to infidelity Become the good husband or wife you would like your spouse to be Life has taught me that men and women get involved in an extramarital affair for many different reasons Sometimes when you are unsatisfied with your relationship you start to think What is available out there In a way it is an escape people feel like they want to be out from the burden in their marriages Grass is greener on the other side and so it seems I have seen many starting to flirt with others innocently at first They start to THINK of what if situations such as what if I'm married to this friend of mine Many people forget that slowly they bring themselves into an extramarital affair and become trapped to another crisis Let me remind you that trust is like a balloon One pricks it is gone The fear of broken promises cheating or betrayal can reduce the quality of your marriage Marriage is a challenging enterprise that requires hard work determination and discipline Creating a strong and satisfying marriage is possible and it is definitely worth the effort Recovery after infidelity is not an easy path but if others could pull through so can you
