*Love, Marriage--and Jesus* Jonathan F. Bayes, 2021-10-26 The marriage of a man to a woman is a wonderful gift of God to the human race a gift worth celebrating The Song of Solomon is a song cycle which sings of the joys of married love It is realistic recognizing how every married couple has to contend with the effects of sin on their relationship and it demonstrates how the difficulties may be resolved when things do go wrong But the Song also points us upwards to consider and to celebrate the model love relationship that exemplified by the Lord Jesus Christ in his love for his bride the church

**The Genesis of Marriage: A Drama Displaying the Nature and Character of God** Richard Shenk, 2018-08-01 A theological exploration of Genesis 2 which renews our vision of the purpose of marriage as the central drama within God's salvation plan Marriage seems increasingly irrelevant to many people today But is this a true understanding of marriage Could it be that God may have expectations for marriage which are distinct from our own and wholly unaffected by our feelings or debates If God is the author and definer of marriage then we must look to the Author to discern its meaning rather than ourselves The Genesis of Marriage sets out a biblical theology of marriage grounded in the Marriage Text of Genesis 2:18-25 and investigates how it fits in its own context of Genesis 1:3 and the whole of Scripture Examining the Marriage Text exegetically and theologically Shenk shows this as the climax and conclusion of the two creation accounts and explores what this reveals about the nature

and character of God The doctrinal implications of this are then explored answering such practical questions such as What are the ethics of marriage and How do we approach the real world concerns of separation divorce and remarriage Shenk's exploration helps dispel our modern disillusionment with marriage or at least our ideas and beliefs about marriage which may be at odds with God's to reveal deep truth about the nature and character of God Gender Roles and the Bible Jack Cottrell, 1994-12 What does the Bible teach about gender roles Is there a difference as seen in Scripture Understanding the debate over biblical feminism is essential to answering the questions about the role of women in the church In this book Dr Cottrell stands squarely in the path of the evangelical feminists who want to prove that the Bible agrees with their egalitarian views Clark H Pinock Ph D McMaster Divinity College Lightning Print On Demand Title **Sex, Love, and Marriage--A Celebration** Jonathan F. Bayes, 2012-09-01 Sex is worth celebrating It is one of God's loveliest gifts to the human race But the loveliness of sex is ruined whenever it is found outside the proper context of marriage And God knows what powerful temptations come our way in the area of sex The Song of Solomon is a celebration of sex and love within marriage as this book explains Jonathan Bayes draws out the practical advice implicit in the Song for husbands for wives and for courting couples He points out the warnings in the Song against sex outside the context of marriage The Song of Solomon has often been read as an allegory of the relationship between Christ and his people Jonathan Bayes does not see this as the main purpose of the Song but agrees that human relationships are a reflection of that highest love of all In Sex Love and Marriage A Celebration Bayes brings out the interplay between heaven and earth We are directed upwards from human love to learn about that Love divine all loves excelling Then we are brought back down to earth to make God's love for us in Christ the model which we seek to imitate in our human relationships God, Desire, and a Theology of Human Sexuality David H. Jensen, 2013-01-01 This work of constructive theology examines human sexuality in light of Christian faith and doctrine Jensen moves beyond the hot button social debates about sexual orientation and sexual practices to look for healing The seven chapters consider Scripture and sex the connections between the triune covenantal God and human sexuality Christ's incarnation and resurrection as affirming the beauty of flesh eschatology and sexual identity the ramifications of the Lord's Supper for human sexuality vocation and Christian callings to marriage celibacy and singleness and sexual ethics
