## **Marriage Morals:**

*Feminist Interpretations of Alexis de Tocqueville* Jill Locke, Eileen Hunt Botting, 2010-11-01      **Marriage, Morals and Sex in America** Sidney Herbert Ditzion, 1975      *Feminism in America* William Lawrence O'Neill,      *Democracy and the Death of Shame* Jill Locke, 2016-04 Is shame dead With personal information made so widely available an eroding public private distinction and a therapeutic turn in public discourse many seem to think so People across the political spectrum have criticized these developments and sought to resurrect shame in order to protect privacy and invigorate democratic politics Democracy and the Death of Shame reads the fear that shame is dead as an expression of anxiety about the social disturbance endemic to democratic politics Far from an essential supplement to democracy the recurring call to bring back shame and other civilizing mores is a disciplinary reaction to the work of democratic citizens who extend the meaning of political equality into social realms Rereadings from the ancient Cynics to the mid twentieth century challenge the view that shame is dead and show how shame as a politically charged idea is disavowed invoked and negotiated in moments of democratic struggle      **Morals and Medicine** Joseph F. Fletcher, 2015-03-08 In *Morals and Medicine* a leading Protestant theologian comes to grips with the problems of conscience raised by new advances in medical science and technology They arise as issues at the start or making of a life in preserving its health and in facing its death They are the problems of Everyman some are new problems of conscience such as artificial insemination some are old problems in new dimensions such as euthanasia Modern medicine provides such a high degree of control over health and vital processes that men must inevitably shoulder the burden of intelligent decision and shoulder it as rationally as possible Thus far only Roman Catholic moralists have worked out a coherent ethics of medical care *Morals and Medicine* is a new and independent analysis of the morals of life and death striking out along the line of the values of personality rather than of mere physiological life itself It offers a modern and at the same time Christian concept of right and wrong for all who are involved the patient the doctor and nurse the pastor and the family and friends Originally published in 1954 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **Marriage, Morals, and Sex in America** Sidney Herbert Ditzion, 1969      **Marriage, morals, and sex in America** Sidney Herbert Ditzion, 1978      **From Partners to Parents** June Carbone, 2000 Examining the changes that have occurred in families family research and family law in the late 20th century this volume describes a paradigm shift in the legal and social regulation of the family to an emphasis on parents relationships to their children rather than to each other      *Right and Reason* Austin Fagothey, 1963 With the modern value theory as basis the point of discussion is Aristotelian Thomistic      **The**

The Sex Radicals Hal D. Sears,2021-10-29 This volume provides the first account of the pioneering efforts at sex reform in America from the Gilded Age to the Progressive era Despite the atmosphere of extreme prudery and the existence of the Comstock laws after the Civil War a group of radicals emerged to attack conventional beliefs about sex from traditional marriage to women s chattel status in society These men and women had in common a direct unrespectable iconoclastic style They put forth outrageous journalism and had a penchant for martyrdom and for using the courts to publicize their ideologies From rare and generally unknown sources Hal D Sears pieced together the story of the sex radicals and their surprising ideas Moses Harman a minister turned abolitionist and freethinker is a central figure in the narrative His Lucifer the Light Bearer the only journal of sexual liberty published from the early 1880s to 1907 was dedicated to free love sex education women s rights and related causes To a great degree Harman s publication defines the limits of social dissent in the late nineteenth century Other members of the sex radical circle included E B Foote a medical doctor who made a fortune with a home medical book crammed with sex information Edwin Walker and Lillian Harman who became a cause c l bre among radicals when their jailhouse honeymoon in Kansas challenged the right of the state to regulate marriage Elmina Slenker who promoted a theory of sexual energy sublimation and the idea that women were the superior sex and Lois Waisbrooker Dora Forster Lillie White and other feminists who almost a century ago taught and preached the very ideas we hear today in the women s movement Of course all these people got into trouble with the law mostly through the machinations of their archvillain Anthony Comstock Sears examines Comstock s powers of postal censorship and describes Comstock s personal vendettas against sexual dissenters particularly the free love philosopher Ezra Heywood He gives a legal history of obscenity and explains the sex radicals significance in the emergence of obscenity law Although the sex radicals attest the important reform vitality of provincial culture in late nineteenth century America until now they have been almost ignored by historians Those who have studied sex radicalism at all apart from its communitarian and sectarian aspects have viewed it merely as a subsidiary of the more respectable feminist movement In this book Sears gives careful consideration to the links between sex radicalism and spiritualism feminism anticlericalism anarchism and the free thought movement He presents sex radicalism as a separate and unique movement which illuminates new reaches of the Victorian landscape and establishes a tradition for present day liberation trends

Iruoma Iheanyi Hycenth,2010-04 African marriage was all about morals but today African marriage is all about money hence the modern day marriage in Africa cannot resist marriage storms Money oriented marriage is alien to Africa and it came to destroy the bedrock of African marriage morals

**Sexual Borderlands** Kathleen Kennedy,Sharon Rena Ullman,2003

**Figures in the Carpet** Wilfred M. McClay,2007-01-02 Figures in the Carpet presents a stellar roster of first rate historians dealing seriously with a perennially important subject The case studies and more theoretical accounts in this book amount to an unusually perceptive assessment

of how the person has been viewed in American history      Domestic Revolutions Steven Mintz, Susan Kellogg, 1989-04-03 An examination of how the concept of family has been transformed over the last three centuries in the U S from its function as primary social unit to today's still evolving model Based on a wide reading of letters diaries and other contemporary documents Mintz an historian and Kellogg an anthropologist examine the changing definition of family in the United States over the course of the last three centuries beginning with the modified European model of the earliest settlers From there they survey the changes in the families of whites working class immigrants and middle class and blacks slave and free since the Colonial years and identify four deep changes in family structure and ideology the democratic family the companionate family the family of the 1950s and lastly the family of the 80s vulnerable to societal changes but still holding together

**The Postdivorce Family** Ross A. Thompson, Paul R. Amato, 1999-03-31 With about one half of all marriages ending in divorce today it is safe to say that nearly everyone will be or has been affected by divorce in some way For many it does not mean the end to a family Focusing on the consequences of divorce for children The Postdivorce Family examines the stressors that divorce can create adjustment problems among children of divorce the issue of resilience for children and individual differences in the psychological adjustment to divorce The authors also examine the parents responsibilities after divorce including custody issues child support orders and nonresidential parenting This book concludes with a section that explores the effects of a high divorce rate in society including how the prevalence of divorce has changed the family form and structural factors that have contributed to various social problems With this volume the authors hope to incite analysis and reflection of the issues surrounding divorce and their implications for public policy This book integrates the empirical research and policy perspectives of several scholars in various disciplines including psychology sociology human development law and social work      **Wrongs of Married Men** Lady Tennessee Claflin Cook, Tennessee Celeste Claflin, 1900

Their Right to Speak Alisse PORTNOY, Alisse Portnoy, 2009-06-30 When Alisse Portnoy recovered petitions from the early 1830s that nearly 1 500 women sent to the U S Congress to protest the forced removal of Native Americans in the South she found the first instance of women's national collective political activism in American history In this groundbreaking study Portnoy links antebellum Indian removal debates with crucial simultaneous debates about African Americans abolition of slavery and African colonization revealing ways European American women negotiated prohibitions to make their voices heard Situating the debates within contemporary competing ideas about race religion and nation Portnoy examines the means by which women argued for a right to speak on national policy Women's participation in the debates was constrained not only by gender but also by how these women and the men with whom they lived and worshipped imagined Native and African Americans as the objects of their advocacy and by what they believed were the most benevolent ways to aid the oppressed groups Cogently argued and engagingly written this is the first study to fully integrate women's Native American and African American rights debates      *Reconceiving the Family* Robin Fretwell Wilson, 2006-07-17 This 2006 book provides

a critical examination of and reflection on the American Law Institute's ALI Principles of the Law of Family Dissolution Analysis and Recommendations Principles arguably the most sweeping proposal for family law reform attempted in the US over the last quarter century The volume is a collaborative work of individuals from diverse perspectives and disciplines who explore the fundamental questions about the nature of family parenthood and child support The contributors are all recognized authorities on aspects of family law and provide commentary on the principles examined by the ALI fault custody child support property division spousal support and domestic partnerships utilizing a wide range of analytical tools including economic theory constitutional law social science data and linguistic analysis This volume also includes the perspectives of US judges and legislators and leading family law scholars in the United Kingdom Europe Canada and Australia **Property** Hanokh Dagan, 2011 This work offers an original understanding of property different from the dominant voices in the field yet loyal to the practice of property Dagan argues that property can and should serve a pluralistic set of liberal values
