Marriage Readiness:

ASSESSING READINESS FOR MARRIAGE Dr. Peterwise Innocent, 2025-08-29 Assessing Readiness For Marriage is a comprehensive guide that helps individuals and couples evaluate their preparedness for a lifelong commitment. The book begins by defining marriage readiness and exploring the foundational pillars of a healthy marriage including communication, love, and commitment. It then guides readers through a detailed self-assessment of their personal values, beliefs, and emotional maturity. The text also delves into relationship dynamics, offering insights into compatibility, shared goals, and effective conflict resolution. Crucially, it identifies red flags and warning signs that signal unreadiness and explores the role of professional help, like pre-marital counseling. The book also covers the importance of a strong support system and provides practical advice for navigating the journey toward a lifelong partnership.

The Freedom to Marry Ellen Johnson Varughese, 1992 THE FREEDOM TO MARRY is the first practical handbook available to Christian men and women who are seeking God's will about marriage. It takes the view that God wants marriage for almost everybody. Christian singles needn't be frustrated thinking God has called them to be single when he hasn't. By applying certain principles, one can know God's will regarding marriage and prepare appropriately. The book presents seven steps to marriage preparation and deals with such questions as: Has God called me to be single or married? How can I find the right person? Does God have a specific person for me? Is there such a thing as love at first sight? much more. Bookstores, libraries, individuals may order the book directly from the publisher JoyPress, P.O. How To Choose Mr. RIGHT - Healthy Marriage, *Exploring the Dimensions of Human Sexuality* Jerrold Greenberg, Clint

Bruess, Sarah Conklin, 2010-03-10 Exploring the Dimensions of Human Sexuality Fourth Edition addresses all aspects of sexuality biological spiritual psychological and sociocultural and presents the information both factually and impartially Throughout the text students will find an emphasis on health and well being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality sexual health and sexual responsibility *The Future of Christian Marriage* Mark Regnerus, 2020-08-01 Marriage has come a long way since biblical times Women are no longer property and practices like polygamy have long been rejected The world is wealthier healthier and more able to find and form relationships than ever So why are Christian congregations doing more burying than marrying today Explanations for the recession in marriage range from the mathematical more women in church than men to the economic and from the availability of sex to progressive politics But perhaps marriage hasn't really changed at all Instead there is simply less interest in marriage in an era marked by technology gender equality and secularization Mark Regnerus explores how today's Christians find a mate within a faith that esteems marriage but in a world that increasingly yawns at it This book draws on in depth interviews with nearly two hundred young adult Christians from the United States Mexico Spain Poland Russia Lebanon and Nigeria in order to understand the state of matrimony in global Christian circles today Regnerus finds that marriage has become less of a foundation for a couple to build upon and more of a capstone Meeting increasingly high expectations of marriage is difficult though in a free market whose logic reaches deep into the home today The result is endemic uncertainty slowing relationship maturation and stalling marriage But plenty of Christians innovate resist and wed and this book argues that the future of marriage will be a religious one *Restoration and Renewal* Joseph F. Egan, 1995 To find out more information about Rowman Littlefield titles please visit us at www.rowmanlittlefield.com *The Wife of Jesus* Anthony Le Donne, 2013-11-01 The idea that Jesus was married continues to incite fierce debate But most who address the topic either dismiss the possibility or propound conspiracy theories Amid the storm of controversy Le Donne provides a haven of clarity and sense Approaching the subject from a fresh historical perspective Le Donne places Jesus firmly within a socio cultural context and by investigating gender and marriage norms provocatively argues that Jesus could well have been married although not to Mary Magdalene **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976 *The Romantic Lives of Emerging Adults* Varda Konstam, 2019-01-21 The romantic lives of emerging adults are often baffling and contradictory While they prize committed and authentic relationships they appear to be reluctant participants They prefer to foster ambiguity in their romantic relationships even as they value honesty and clarity There is at once a valuing of long term as well as a decentering of romantic relationships Although our current understanding is incomplete this text grapples with these perplexing questions In attempting to understand emerging adults and their romantic lives researchers must consider the challenging economic conditions in which today's emerging adults find

themselves With an emphasis on commitment and sacrifice and their centrality to one's readiness for a long term relationship this book reviews the main milestones in transitioning from an I identity to a we identity and discusses the concepts of choice and risk Further the book examines structures such as asymmetrically committed relationships cohabitation and marriage through the lens of commitment risk and risk avoidance Probing extensively into the romantic lives of emerging adults their attitudes values and expectations this text examines some of the developmental and contextual realities against which romantic attachment must be viewed Critical topics such as casual and sexual experiences and relationships integration of work and love breakups marriage going solo and social media and its influences are considered The commonality and the individuality of the emerging adults presented throughout this text contribute to a rich understanding of emerging adults and how they live and love *Family Life Education* ,1980
