Stone,David A. Strauss,2019-12-05 From 1953 to 1969 the Supreme Court under Chief Justice Earl Warren brought about many of the proudest achievements of American constitutional law The Warren declared racial segregation and laws forbidding interracial marriage to be unconstitutional it expanded the right of citizens to criticize public officials it held school prayer unconstitutional and it ruled that people accused of a crime must be given a lawyer even if they can t afford one Yet despite those and other achievements conservative critics have fiercely accused the justices of the Warren Court of abusing their authority by supposedly imposing their own opinions on the nation As the eminent legal scholars Geoffrey R Stone and David A Strauss demonstrate in **Democracy and Equality** the Warren Court s approach to the Constitution was consistent with the most basic values of our Constitution and with the most fundamental responsibilities of our judiciary Stone and Strauss describe the Warren Court s extraordinary achievements by reviewing its jurisprudence across a range of issues addressing our nation s commitment to the values of democracy and equality In each chapter they tell the story of a critical decision exploring the historical and legal context of each case the Court s reasoning and how the justices of the Warren Court fulfilled the Court s most important responsibilities This powerfully argued evaluation of the Warren Court s legacy in commemoration of the 50th anniversary of the end of the Warren Court both celebrates and defends the Warren Court s achievements against almost sixty five years of unrelenting and unwarranted attacks by conservatives It demonstrates not only why the Warren Court s approach to constitutional interpretation was correct and admirable but also why the approach of the Warren Court was far superior to that of the increasingly conservative justices who have dominated the Supreme Court over the past half century The Local Courts' and Municipal Gazette ,1869 The Hummingbird Theory Morgan Sinclair,2005-01-20 The Hummingbird
