commodity these days And for some reason we have bought the lie that if our marriage isn't easy then there must be something wrong and we probably shouldn't be with that person It's as if our society has lost the value of hard work that anything worth having is worth working for So as soon as marriage becomes work we start looking for a way out But that's not at all how the Bible views marriage Genesis 2:24 says Therefore a man shall leave his father and his mother and hold fast to his wife and they shall become one flesh ESV It's that phrase hold fast that does it for me The King James Version translates it cleave But that brings to mind chopping things into small bits with a large sharp object and while that may describe your thoughts toward your spouse at times let's just stick with hold fast for now The phrase means to cling to and never let go as if for your very survival What would happen in our marriages if instead of treating our relationships so casually we learned to hold fast to one another What if instead of treating marriage as a disposable commodity we chose to fight for our marriages Marriage is Worth Fighting For will give you the tools you need to begin to build the marriage you've always dreamed of It's time to so value your relationship with your spouse that you refuse to let anything come between you But it won't always be easy and many times it will be excruciatingly difficult But it's worth every struggle every sacrifice and
