Stuck Dr. James Banks Jr., 2022-06-06 During this time of a pandemic season and beyond I hope to articulate a message in my book that you do not have to be stuck when you find out the root cause of your problems Many situations arise because there are so many variations of sin used by the enemy to deceive people into thinking they have what they do not have Today not tomorrow quit trying to please whoever it is that does not appreciate you on your job church school college team family relationship or marriage God has a door appointed for you to go through Living in denial will delay prohibit your mobility Do not suppress your innermost feelings when you know you were once free but now it feels like a trap within everyday life because of what somebody does or does not do Life is meant to bring about trials and tribulations however if you can unravel the hidden truths you are destined to be set free Take charge and put action to your repetitive thoughts of what you constantly think about doing continually At some point in life you have to ask God for the revelation to say enough is enough Otherwise through time you will accumulate multiple regrets which will cause you to be incarcerated from your choices Today please break free and move into your destiny Do not bury yourself while you still live Please act upon a solution get away from denial and make that long awaited change that gets you away from being stuck Hence that level of immobility will penetrate your mind until you take action After you conclude to take action you will not have to look back anymore Fear ye not stand still and see the salvation of the Lord The Lord will fight for you and ye shall hold your peace Exodus 14 13a 14 KJV Remember sometimes if not all the time you must take feasible action for change Failure to do so could result in being STUCK Living In Denial Will Prohibit Your Mobility
