*The Marrow of Tradition* Charles W. Chesnutt, 2019-11-19 In *The Marrow of Tradition* Charles W. Chesnutt weaves a compelling narrative that delves into the complexities of race relations in post Civil War America. Set against the tumultuous backdrop of a Southern town facing the repercussions of the Reconstruction era, the novel employs a rich realist literary style characterized by intricate character development and nuanced social commentary. Chesnutt's exploration of themes such as identity, prejudice, and the struggle for justice reflects the broader literary movement of the late 19th century, where authors began to confront and critique societal issues head on. Charles W. Chesnutt, an influential African American author, drew upon his own experiences as the son of free Black parents in the antebellum South to inform his writing. His profound understanding of the African American experience and keen observations of systemic racism are evident throughout this work, which served as a poignant critique of both Northern and Southern attitudes during his time. Through his literary endeavors, Chesnutt sought to illuminate the struggles and triumphs of Black Americans. *The Marrow of Tradition* stands as a vital read for those interested in the intersections of race, history, and literature. Its eloquent prose and compelling narrative not only serve as a mirror to history but also resonate profoundly with contemporary discussions on race and identity. Readers will find in Chesnutt's work both a historical document and an enduring testament to the human spirit's resilience.

Charles W. Chesnutt, 2017-08-03 How is this book unique? Font adjustments: his only child, Dodie, and wife, Olivia, are both unwell. Carteret's niece, Clara, recently introduced to society, is courted by the young Tom Delamere, a handsome and conniving aristocrat who spends most evenings nurturing his penchant for drink and cards. His habits are contrasted with those of Lee Ellis, a rival for Clara and William Miller, a young black physician who, with his wife, has returned to his hometown of Wellington to practice medicine. He gained his medical education in Paris and Vienna. Though jarred by segregation and Jim Crow racism, Miller sets up his practice and starts his life. Miller's wife, Janet, is the mulatto half sister of Mrs. Olivia Carteret. Janet spends her entire life hoping to be acknowledged by her white sister, who is too proud to accept her father's miscegenation after her mother died. Josh Green, as a boy, witnessed the murder of his father at the hands of a white man, a character named Captain McBane, and is intent on exacting revenge. **The Marrow of Tradition** Charles Waddell Chesnutt, 2004-06 This teaching edition of Charles W.
