Jennifer Phegley,2011-11-15 This book examines the popular publications of the Victorian period illuminating the intricacies of courtship and marriage from the differing perspectives of the working middle and upper classes In contemporary culture the near obsessive pursuit of love and monogamous bliss is considered normal as evidenced by a wide range of online dating sites television shows such as Sex in the City and The Bachelorette and an endless stream of Hollywood romantic comedies Ironically when it comes to love and marriage we still wrestle with many of the same emotional and social challenges as our 19th century predecessors did over 100 years ago Courtship and Marriage in Victorian England draws on little known conduct books letter writing manuals domestic guidebooks periodical articles letters and novels to reveal what the period equivalents of dating and tying the knot were like in the Victorian era By addressing topics such as the etiquette of introductions and home visits the roles of parents and chaperones the events of the London season model love letters and the specific challenges facing domestic servants seeking spouses author Jennifer Phegley provides a fascinating examination of British courtship and marriage rituals among the working middle and upper classes from the 1830s to the 1910s *Books in Print Supplement* ,2002 **L. HEROINES: Selected Short Stories Lucy Maud Montgomery, 2023-02-07 *Modern Heroines* is a selection of short stories written between 1900 and 1915 by the celebrated Canadian author Lucy Maud Montgomery 1874 1942 well known for the saga of novels starring the unforgettable *Anne of Green Gables* The 17 short stories that make up this anthology were selected from hundreds of stories by Montgomery that were published in magazines of the time and then left behind The compilation includes stories of heroines that largely respond to the ideals of the new woman of the early 20th century In Montgomery s entertaining and subtle fashion these delightful stories bring us closer to what it was like to be a woman more than a hundred years ago We feel the expectations of marriageable young women but also the uncertainties of those who not having a husband before thirty were considered old spinsters The concerns of women who wished to occupy a different role in life from that of wife and mother are also reflected The difficulty of those who had no fortune and were compelled to ensure their livelihood is evident as well as the obligation of always having to comply with men s desires and needs or with what was imposed by a society that pigeonholed women and did not offer them options outside the domestic sphere Most of the modern heroines depicted in this book reflect the feelings of many women who at the dawn of the twentieth century were no longer willing to conform and obey women who demanded to be masters of their own lives **Harlequin Love Inspired**
