

Emperor Xuantong in 1912, women bound their feet for a thousand years. Even though dynasties changed, emperors changed, women's feet were continuously bound. So what difference does history make? From the empress and imperial concubine to the village girl and fisherman's daughter, from the great poetess Li Qing-zhao to the military heroine Liang Hong-yu, who didn't bind her feet? Only the she-monkeys, I'd guess.

When the Manchu warriors of the Qing dynasty pierced the Great Wall and conquered China, they ordered their Manchu women to leave their feet unbound, and they ordered Chinese women to unbind theirs. At the time the Manchus were ruthless and all-powerful, but even unbridled Manchu power couldn't overpower foot binding. If you don't believe me, just look at what happened: in the end, Chinese women still meticulously bound their feet, and the young Manchu women began, behind the backs of their parents, to bind their own in the less severe "cucumber" style – which goes to show that foot binding may have contained a bit of black magic.

But magic is none of our concern for the moment. One fact is quite clear: it would take two or three days to go into a discussion, even a brief one, of the care, rules, knacks, criteria, techniques, attainments, cultivation, and unique and secret methods related to foot binding. It was a complete body of knowledge. Now, I don't want to fool anybody; I'll cover all these things later in the book. And please, if you haven't studied this subject, don't go interrupting my story with your comments. If you think foot binding is painful, well, it can also be quite beautiful! If you think it's ugly, then, hey, maybe it thinks you're ugly, too! If it weren't so, then why, when the Qing dynasty fell, did some people cry, while others laughed, and some prefer to live, while others preferred to die? Why was there all that binding, then unbinding, then rebinding and reunbinding, binding and unbinding, and binding and unbinding? At the time people valued their bound feet more than their own heads! And don't you dare think that all is well, now that bound feet are no more. Feet may be unbound, but there still can be
