Marrying Off Mother And Other Stories:

Marrying Off Mother and Other Stories Gerald Durrell, 1992 Collection of eight short stories by the author observing absurdity that abounds in the world Dining with the Durrells David Shimwell, Lee Durrell, 2019-03-28 We lolled in the sea until it was time to return for tea another of Mother's gastronomic triumphs Tottering mounds of hot scones crisp paper thin biscuits cakes like snowdrifts oozing jam cakes dark rich and moist crammed with fruit brandy snaps brittle as coral and overflowing with honey Conversation was almost at a standstill all that could be heard was the gentle tinkle of cups and the heartfelt sigh of some guest accepting another slice of cake My Family and Other Animals Gerald Durrell In *Dining with the Durrells* David Shimwell has delved into the Durrell family archives to uncover Louisa Durrell's original recipes for the scones cakes jams tarts sandwiches and more that are so deliciously described by the Durrell family From her recipe for Gerry's Favourite Chicken Curry to Dixie Durrell Scones with Fig and Ginger Jam and including the family stories and photos that accompany them this book will transport you to long lunches enjoyed on the terrace of a strawberry pink villa sunshine filled picnics among the Corfu olive groves and candlelit dinners overlooking the Ionian Sea The Durrells Richard Bradford, 2025-06-05 A variously tragic tale of escapism and assimilation Richard Bradford's *The Durrells* explores the truth behind the image The Durrells are probably the most celebrated literary family of the 20th century Gerald turned them into celebrities with his tripartite memoir beginning with *My Family and Other Animals* 1956 which told of his experiences with his widowed mother Louisa and three siblings during their time in 1930s Corfu We know of the Durrells from their own writings and from the image of them created by TV film and biographical accounts of specific figures What we do not know is the truth Using previously unpublished material from the Jersey Archive Richard Bradford unravels the lives of the famous four children of the Corfu era Larry Gerry Margo and Lesli as they find themselves geographically and emotionally divided amongst a backdrop of imperial decline and unrest The children of moneyed colonialists they were already used to being treated with aghast fascination by the island's locals and by expatriate Britons as a disgrace to the homeland Yet their story goes beyond the Ionian Sea and *The Durrells* delves into the complex social and political circumstances in which the family lived with seemingly constant threats of war and endangerment to both themselves and their natural environment *The Evolution of Gerald Durrell* Mary Sanders Pollock, 2024-05-30 In *The Evolution of Gerald Durrell A Naturalist's Critical Biography* Mary Sanders Pollock revisits the life and work of Gerald Durrell one of the most significant environmentalist figures of the 20th century This new biography tracks Durrell's evolution from a free range childhood on Corfu through his time in Africa South America and the islands of the Pacific and Indian Oceans Durrell's early work is described in his numerous travel narratives but his conservation activities culminated in the stationary ark a conservation zoo on the Isle of Jersey which still plays an important role in global wildlife conservation efforts This biography situates Durrell's writing collecting and conservation practices within the frameworks of animal studies conservation biology and postcolonial history

Familiarizing readers with the broad range of his cultural impact from The Corfu Trilogy to his BBC television specials Pollock shows how Durrell's approach offers models for how life on earth is to thrive and survive scientists must make greater efforts to touch hearts and minds and cultural workers must communicate more about science and the perilous existence of other species

Convergences Dr. Nabil M. Abdel-Al, 2017-05-25 This anthology is an amalgam of the authors output in the domains of interpretation translation and literary scholarship It is a serious attempt to highlight the cardinal traits common to said fields This research is a vested trek into the inner workings of the authors profession interpretation and translation as well as his standing engagement with literary genres throughout the ages The books uniqueness resides in treating a diversity of matters interrelated in various ways although on the surface it appears to make up a queer admixture of dissimilar elements hence the title Convergences Interpretation and translation are twin vocations and between them convergence is all encompassing Both transform a message from a source to a target language Complementary and mutually supportive as they are yet there is a train of difference in the execution of these two inseparable professions the method nature and techniques involved in each Interpretation is the instantaneous the simultaneous in a word the express mode of communication and translation is the meditative the slow or the local medium of correspondence Concomitantly literature is the crucible for teleologically permeable convergences and incredible divergences It has a noble ontological message and brings out humanity's hidden treasures experiences thoughts and choices Literature's lofty missive is grounded in understanding the scenes events and characters it depicts excerpts of which feed into discourses to be interpreted and translated Clients come up with multiple interpretations depending on circumstances and the context in which texts are couched
