## **Marrying Again A Guide For Christians:**

Marrying Again David Hocking, 1983      Marrying Again Perry Biddle, 1986-06      A Christian Guide to Divorce and Remarriage John DeVries, 2011-11

Marital problems are common. All of us require answers to be correct before the Lord in how we handle these problems in a godly fashion. This is especially true when the problems end in a divorce. Divorce is always attended with pain and devastation. This tearing always includes far reaching relational and practical problems. What does the Bible reveal about God's intention for divorce and remarriage? Does one commit sin by divorcing and remarriage? What is church leadership's role in divorce and remarriage? Are the common church teachings limited in this subject? To have peace and hope in the midst of marriage problems, Christians must know how they stand before the Lord and how He views their decisions and dealings. Peace after divorce and before remarriage is impossible without an understanding of scriptural truth. In *A Guide to Christian Divorce and Remarriage: A Scriptural Exposition*, John DeVries investigates divorce and remarriage for Christians. You will gain a greater understanding of this sensitive topic through DeVries's research into a century's worth of causes of divorce, a century's worth of scriptural evidence of God's intention for divorce and remarriage, a century's worth of the church's responsibility in divorce and remarriage, and the duty of the remarried Christian in their new marriage. Join DeVries in *A Guide to Christian Divorce and Remarriage: A Scriptural Exposition* to gain greater knowledge of God's principles and instructions when dealing with divorce and remarriage.

Marrying Again David L. Hocking, 1983-02      **Getting Married Again** Bob W. Brown, 1979      *Christian Marriage* David Michael Thomas, 1992

This book represents a theology of marriage. It is not intended as a manual for solving marital problems or as a self-help guide on how to improve one's marriage. Rather, its basic goal is to bring forward into our time, with all its uniqueness and peculiarities, major insights of the Christian faith as they relate to married life. Through the love of wife and husband, woman and man, through loving words pronounced in public in formal ceremony and unfolded in the time that ensues through the couple's collaboration with God's creative power in bringing new life into the world through the spirituality lived in transforming creation, the sacrament of marriage brings the Spirit of God into the world. Each couple has the power to block this process, but what is more important to affirm is their

capacity to advance it And it happens From Chapter 1 **The Christian's College Survival Guide** Cheryl J. **Christians Single, Again!** Dr Gresham R Holton,Holton,2014-07-19 This is a book is about biblical marriage for those who are divorced or remarried However those of you who are single again due to the death of your mate may benefit from the interactive search on the subject This is not a theological treatise to advocate some doctrinal position on Biblical marriage divorce and remarriage Only the sincere individuals involved in the marriage divorce remarriage situation can know the real details of the matter and only they are responsible for their decisions Brief reviews of various positions and commentaries are presented but none promoted This approach will not please everyone The literary approach is more therapeutic than theological I use an interactive teaching format and try to avoid academic jargon The message is Living single again following a divorce or death is both a great opportunity and a grave danger You have a rare opportunity to really understand what God intended in biblical marriage but at the same time you are a street wise person threatened by both

your past and future decisions Your focus whether unmarried or remarried must be to please God My purpose has been to offer encouragement to those of you who are single again You should not be made to feel like you are a second class citizen in the Kingdom of God Those of us in positions of religious leadership should be the first to welcome you as a sincere seeker after truth We all must act with the compassion and accept the forgiveness of our Lord None of us has the right or obligation on our own to speak or act for God All of us must be conscientiously bound by the written word of God and be subject to His divine justice mercy and forgiveness     The Christian Educator's Handbook on Family Life Education Kenneth O.
