Harriet Tubman encouraged enslaved Africans to make the break for freedom and reinforced the potential of black freedom and independence. Born in the United States and enslaved as a child, Harriet Tubman circa 1820-1913 is one of the best known figures connected to the Underground Railroad. Through her knowledge and outdoor survival skills honed through her unpaid labour in the fields and through the later connections she made in the abolitionist community, Tubman was well poised to command her followers. By her discipline and example, she never lost a passenger. Tubman's exploits helped to empower those opposed to slavery and enrage those who supported it. Her success encouraged enslaved Africans to make the brave break for freedom and reinforced the belief held by abolitionists in the potential of black freedom and independence. Referred to as General Tubman due to her contributions to the Underground Railroad and to the Union Army, Tubman's numerous rescue missions ending in Canada helped to build the interest in escape and reinforce the position of Canada as the final stop on the journey to freedom. *William Lyon Mackenzie King* Lian Goodall, 2003-01-01. Mackenzie King 1874-1950 was Canada's tenth and longest serving prime minister and an important figure on the international scene, especially during the Second World War. This book provides a fascinating glimpse into the world of Mackenzie King. **Susanna Moodie** Anne Cimon, 2006-01-01. Susanna Moodie was already a published author when she emigrated from England to Upper Canada with her husband and baby in 1832. The Moodies were seeking financial security and a better life in the colony, but they found themselves struggling to make a living on a bush farm. Despite her primitive life in the backwoods and the demands of caring for her children, Susanna continued to write and publish. In 1852 her best known book *Roughing It in the Bush* was published in England. A Canadian edition appeared in 1871. *Roughing It in the Bush* has endured both as a valuable social document of the Canadian pioneer experience and as a work of literature.
