Martí's "Our America" Jeffrey Grant Belnap, Raul A. Fernandez, 1998 Considerable attention has been given to Cuban poet essayist and activist José Martí's 1891 essay *Nuestra América* but relatively little has been paid to the rest of the journalistic work that Martí produced during his fourteen year exile in the United States In *José Martí's Our America* Jeffrey Belnap and Raul Fernández present essays from Latin American Caribbean and U.S. based scholars who consider Martí's rich and underexplored body of work and position Martí as an emblem of New American studies A Cuban exile from 1881 to 1895 Martí was a correspondent writing in New York for various Latin American newspapers Grasping the significance of rising U.S. imperial power he came to understand the Americas as a complex system of kindred but not equal national formations whose cultural and political integrity was threatened by the overbearing aggressiveness of the United States This collection explores how in his journalistic work Martí critiques U.S. racism imperialism and capitalism warns Latin America of impending U.S. geographical cultural and economic annexation and calls for recognition of the diversity of America's cultural voices Reinforcing Martí's hemispheric vision with essays by a wide range of scholars who investigate his analysis of the United States his significance as a Latino outsider and his analyses of Latin American cultural politics this volume explores the affinities between Martí's thought and current reexaminations of what it means to study America *José Martí's Our America* offers a new understanding of Martí's ambiguous and problematic relation with the United States and will engage scholars and students in American Latin American and Latino studies as well as those interested in cultural postcolonial gender and ethnic studies Contributors Jeffrey Belnap Raul Fernández Ada Ferrer Susan Gillman George Lipsitz Oscar Martí David Noble Donald E. wrote about race and his attitudes toward racial politics In the United States Mart encountered European immigrants and the labor politics that accompanied them and became aware of the hardships experienced by Chinese workers He read in newspapers and magazines about the oppression of Native Americans and the adversity faced by newly freed black citizens Although he d first witnessed the mistreatment of slaves in Cuba it was in New York City near the close of the century where he penned his famous essay My Race declaring that there was only one race the human race Anne Fountain argues that it was in the United States that Mart confronted by the forces of manifest destiny the influence of race in politics the legacy of slavery and the plight and promise of the black Cuban diaspora fully engaged with the specter of racism Examining Mart s complete works with a focus on key portions Fountain reveals the evolution of his thinking on the topic indicating the significance of his sources providing a context for his writing and offering a structure for his works on race Anne Fountain is professor of Spanish and Latin American studies at San Jos State University and the author of Jos Mart and U S Writers
