Henry and Me by William Allen White CHAPTER I IN WHICH WE BEGIN OUR SENTIMENTAL JOURNEY By rights Henry being the hero of this story should be introduced in the first line But really there isn't so much to say about Henry Henry J Allen for short as we say in Kansas Henry J Allen editor and owner of the Wichita Beacon And to make the dramatis personae complete we may consider me as the editor of the Emporia Gazette and the two of us as short fat bald middle aged inland Americans from fresh water colleges in our youth and arrived at New York by way of an often devious yet altogether happy route leading through politics where it was rough going and unprofitable for years through business where we still find it easy to sign possible to float and hard to pay a ninety day note and through two country towns one somewhat less than one hundred thousand population and Emporia slightly above ten thousand We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Martial Adventures Of Henry And Me [Illustrated Edition]* William Allen White, 2014-08-15 Includes 15 cartoon illustrations This highly humorous account of two self confessed short fat bald middle aged inland Americans who decide to join the war effort all the way from Wichita having left their jobs as journalists As they go to New York to start their sea journey eastward they start to find out that their life is going to be much more arduous than they initially thought In our pockets we hold commissions from the American Red Cross These commissions are sending us to Europe as inspectors with a view to publicity later one to speak for the Red Cross the other to write for it in America We have been told by the Red Cross authorities in Washington that we shall go immediately to the front in France and that it will be necessary to have the protective colouring of some kind of an army uniform The curtain rises on a store in 43rd Street in New York perhaps the Palace or the Hub or the Model or the Army and Navy where a young man is trying to sell us a khaki coat and shirt and trousers for 17 48 And at that it seems a lot of money to pay for a rig which can be worn at most only two months But we compromise by making him throw in another shirt and a service hat and we take the lot for 17 93 and go away holding in low esteem the pride pomp and circumstance of glorious war as exemplified by these military duds In our hearts as we go off at R U E will be seen a hatred for uniforms as such and particularly for phoney uniforms that mean nothing and cost 18 00 in particular *The Martial Adventures of Henry and Me. with Illus. by Tony Sarg* William Allen White, 2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books
