Martial Artists Way Achieve Your Peak Performance:

Q & A: the Working Screenwriter Jim Vines, 2006-11-29 Ever dream of being the next William Goldman or Robert Towne or making that record breaking spec sale like Shane Black While that might not happen for a majority of us there's still plenty of good news After all your true goal is having those ideas in your head end upon the silver screen and make a comfortable living right Q A The Working Screenwriter provides an in the trenches perspective from 16 screenwriters who broke the barriers overcame the odds and gained entry to the amazing often exasperating yet always exciting world of writing for the movies Join Katherine Fugate Carolina The Prince and Me Brent Maddock Tremors The Wild Wild West Short Circuit John Rogers The Core David J Schow The Crow Texas Chainsaw Massacre 3 Neal Marshall Stevens Thirteen Ghosts Stephen Susco The Grudge The Grudge 2 and 10 other talented wordsmiths as they give first hand insight into why they write what keeps them motivated how they got their scripts written and ultimately optioned and or sold These writers impart a wealth of real world experience that will truly inspire and encourage any budding screenwriter and help position them firmly on the road to becoming a working screenwriter If you want to stir your creative juices bolster your confidence and gain a better understanding of what it takes to become a working screenwriter in today's film industry you'll find Q A The Working

Screenwriter essential reading Foreword by David Trottier Author of The Screenwriters Bible **The Mushin Way to Peak Performance** Michael Veltri, 2017-01-17 Follow your own nature to achieve clarity power and success The Mushin Way teaches tools and techniques to help you reach peak performance and transform your business and personal life Regardless of what we want to achieve in business or in life transformation can be difficult and we tend to be our own worst enemies We hold ourselves back without even realizing what we are capable of In this book you'll learn how to break through the cycle of stress and setbacks to act with clarity purpose and direction achieving peak performance and transformation along the way You'll look deep inside to discover the natural leadership abilities lying dormant within you you'll wake them up make them stronger and learn to draw on the strengths of those around you instead of muscling through with brute force You'll discover how making the right choice is an empowering act and develop the strength and confidence to stop hesitating at every crossroad With pragmatic advice and wisdom drawn from the guiding principles of the Japanese martial art of Aikido you'll find your inner warrior and learn that even the most challenging battles can be won or may not even need to be fought When you set your sights high peak performance can feel like a constant uphill battle fraught with failures and disappointments What if success was more like a transformational river current that carries you along to your goal This book shows you how to come down off the hill into the refreshing waters of mindfulness to begin your journey to the top Develop laser like focus even in high stress environments Identify and develop your own innate leadership qualities Turn setbacks into opportunities and defeat into victory Achieve much more than ever before with far less effort Eastern philosophy teaches us to work in harmony with our own nature instead of fighting ourselves every step of the way The Mushin Way shows you just where your
