Martian Child:

The Martian Child David Gerrold,2007-09-04 An autobiographical novel about a gay man and his decision to adopt and eight year old boy captures the realities of single fatherhood and the relationship that develops between the man and his severely troubled son

Drabalcious Stephen Scorer,2018-09-24 Drabalcious is a collection of 25 short stories that you can read anywhere anytime on the tube riding on a bus or even in a car as long as you are not driving Most of these fictional fables are under 350 words yea I might have crammed some longer ones in there but that is just to keep your attention span at its utmost prime We start with the stories and then I will follow that with some of the reasoning behind what made such tales some might not be what you first imagined them to be With some of these stories I have added some facts that I have found out along the way into doing some research for these small tales

A Horrible Experience of Unbearable Length Roger Ebert,2022-05-24 More of the Pulitzer Prize winning film critic s most scathing reviews A Horrible Experience of Unbearable Length collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer Known for his fair minded and well written film reviews Roger is at his razor sharp humorous best when skewering bad movies Consider this opener for the one star Your Highness Your Highness is a juvenile excrescence that feels like the work of 11 year old boys in love with dungeons dragons warrior women pot boobs and four letter words That this is the work of David Gordon Green beggars the imagination One of its heroes wears the penis of a minotaur on a string around his neck I hate it when that happens And finally the inspiration for the title of this book the one star Transformers Revenge of the Fallen Transformers Revenge of the Fallen is a horrible experience of unbearable length briefly punctuated by three or four amusing moments One of these involves a doglike robot humping the leg of the heroine If you want to save yourself the ticket price go into the kitchen cue up a male choir singing the music of hell and get a kid to start banging pots and pans together Then close your eyes and use your imagination Roger Ebert s I Hated Hated Hated This Movie and Your Movie Sucks which gathered some of his most scathing reviews were bestsellers This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh

Reel Big Bullies Brian C. Johnson, James E. Vines, 2018-09-24 Talk with students about bullying in their schools communities and three themes are likely to emerge a there s nothing anyone can do about it b bullying is

necessary as it builds character and c there needs to be more educational programming in the schools designed to curb bullying behavior Contrast those sentiments with the helplessness teachers and administrators feel Many will tell you that current state and federal guidelines tie their hands until after an incident occurs In other words a student must get hurt before the school is able to do anything Reel Big Bullies is designed for regular anti bullying campaigns and will not cost struggling districts thousands of dollars to implement as it provides teachers with educational resources to complement regular instruction in classrooms Using clips from Hollywood blockbusters like Knocked Up The Emperor s New Groove The Benchwarmers and others Reel Big Bullies is designed to help students administrators teachers and counselors create a safer school environment for all students It is also intended to help all students understand the terrible toll bullying can take on its targets and to encourage students to stand up for their classmates who are being bullied The book s framework follows the three themes above and discusses the pertinent legal and policy decisions affecting educational intervention With the already busy overwhelmed teacher in mind we describe nearly 200 film clips teachers can show in class to promote and spark discussions with students in middle and high schools
