built a paper mill It Will be proved to thy face that thou hast men about thee that usually talk of a noun and a verb and such abominable words as no Christian ear can endure to hear Thou hast appointed justices of peace to call poor men before them about matters they were not able to answer Moreover thou hast put them in prison and because they could not read thou hast hanged them when indeed only for that cause they had been most worthy to live Smxsruss About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Simms Reader William Gilmore Simms,2001 Long considered a leading literary figure of the Old South William Gilmore Simms 1806 1870 wrote letters novels short fiction drama essays and poetry in his prolific career Born in Charleston to an old South Carolina family of modest means and raised by a grandmother with whom his father left him after his mother s death Simms felt a simultaneous sense of loyalty to and alienation from his native region He was a major intellectual figure on the East Coast before the Civil War but saw his New York publishers abandon him after secession of which he was a vocal supporter Simms s novels and poetry have been published in modern editions and he has been the subject of numerous biographies and critical studies but until now there has been no collection covering the broad spectrum of his writings The Simms Reader presents a selection of his nonnovelistic work letters short fiction essays historical writings poetry and epigrams chosen and introduced by the preeminent Simms scholar John Caldwell Guilds

Martin Faber William Gilmore Simms,2006-02-01 William Gilmore Simms s 1806 1870 body of work a sweeping fictional portrait of the colonial and antebellum South in all its regional diversity with its literary and intellectual issues is probably more comprehensive than any other nineteenth century southern author Simms s career began with a short novel Martin Faber published in 1833 This Gothic tale is reminiscent of James Hogg s Confessions of a Sinner and was written four years before Edgar Allan Poe s William Wilson Narrated in the first person it is considered a pioneering examination of criminal psychology Martin seduces then murders Emily so that he might marry another woman Constance Martin confesses to his friend and is killed after attempting to stab Constance when she visits him in jail The book was

immediately successful and was well received by the northern media thus starting Simms's successful career as a writer one that would rank him as the only major southern literary figure besides Poe before the Civil War As with other volumes in the Arkansas Edition of Simms's work this volume includes a critical introduction by the editor and a Simms chronology as well as appendices dealing with textual matters This edition also includes Simms's 1829 story Confessions of a Murderer which was the germ for his first book of fiction **The New American Cyclopaedia** ,1869 *The New American Cyclopaedia*
