Martin Luther King, Jr. and the March on Washington Frances Ruffin, 2000-12-04 All Aboard Reading On August 28 1963 more than 250,000 people came to the nation's capital They came by plane by bus by car even on roller skates to speak out against segregation and to demand equal rights for everyone They also came to hear the words of a very special leader Martin Luther King Jr Told with a wonderful immediacy this book captures the spirit of this landmark day in American history and brings Dr King's I Have a Dream speech to vivid life for young children

Choose Freedom! Bruce Eberle, 2023-09-04 With more than 400 endnotes and endorsements from a broad number of national conservative leaders Choose Freedom provides a reliable guidebook for young people as well as a refresher for all conservatives Written expressly for high school and college students Choose Freedom is an antidote to the woke indoctrination that is pervasive in America's education system from grade school to grad school This rescue book is the ideal book for parents and grandparents to give to their children It not only explains why there is a bright line from the thinking of America's Founders to today's conservative movement but also exposes the rotten anti-freedom lineage of today's progressive liberal movement Choose Freedom reminds readers of the challenges facing the nation the weaknesses of the left and warns of the panic and fear of those on the left who correctly surmise that their message only succeeds when the American people hear only their side of the story It is also a book of optimism Choose Freedom encourages young men and women to engage in the conservative movement to grow in understanding of its history and its values and to press forward Choose Freedom tells young Americans how to persuade others to join the conservative cause how to spread the message of conservatism on their college campus and why they should be optimistic that the current threat from the left will be repelled in this generation Using understandable language author Bruce Eberle explains the core

reason that conservatives and America's Founders stand in total opposition to every conclusion of the progressive movement from its founding in the 1890s until today With more than 400 endnotes and endorsements from a broad number of national conservative leaders *Choose Freedom* provides a reliable guidebook for young people as well as a refresher for all conservatives
