Supreme Court Appellate Division-First Department , **The Dark Environmentalist** Mohammed Abdul Halim, 2024-07-29 Climate change characterized by escalating environmental crises such as droughts storms and melting ice sheets forces both humans and animals to seek sustainable livelihoods in a world constrained by finite habitation spaces The surge in global population exacerbates inequalities with women and girls disproportionately burdened by the ensuing suffering Nadia Begum a woman from Bangladesh emerges as a voice from the climate affected delta region proposing solutions in the face of a looming environmental crisis Nadia having experienced climate ravages embarks on a mission to recalibrate global warming levels envisioning a world where humanity serves as stewards of nature The daunting challenge lies in overcoming entrenched interests from billionaires hoarding wealth to corporations exploiting resources She perceives

herself as a supernatural force wrestling with the thin line between visionary conviction and a descent into madness as she endeavours to shield the Earth from disintegration In this complex narrative the imperative for viable solutions to the pressing climate crisis remains urgent and paramount

The Heart of Hebrews Leslie Powers, 2018-08-08 Making the presence of God known in the world goes to the very heart of the church's purpose Yet it is a formidable challenge How can the church make the presence and glory of God a reality in a world that both denies God and hates the church By the church bearing the image of Jesus Christ in the world through word and deed for as the unknown author of Hebrews declares Jesus is the radiance of God's glory and the exact representation of His being Hebrews 1:3 It is not the primary purpose of the church to specialize in economic social or political issues but rather to proclaim the good news of what God has accomplished in and through Jesus Christ When the church quits proclaiming Christ to proclaim a message of love acceptance tolerance and affirmation then it ceases to effectively fulfill its purpose and loses its relevancy Christ came into the world to proclaim the Gospel in the marketplace and He did so while never surrendering His identity or sacrificing His purpose for the sake of relevancy He expects his church in every age to do likewise The greatest need in the church today is exactly what the early church needed in the first century In a church that is infected with a spiritual apathy has forsaken her first love has compromised truth and is lukewarm a new vision of the risen and glorified Christ dwelling in her midst is needed The only method God designed to lead the church to recover the awareness of Christ's presence is prayer and preaching that focuses on Jesus Christ Thus if the church is to flourish again there is no greater need than a recovery of faithful powerful biblical preaching whose subject is Christ and the new birth
