Martin Seymour-Smith, David Cameron

Martin Seymour Smith:

The Poems of Martin Seymour-Smith Martin Seymour-Smith, David Cameron, 2014 **Martin Seymour-Smith** Martin Seymour-Smith, 1952 *Robert Graves. By Martin Seymour-Smith. Rev. Ed* Martin Seymour-Smith, 1970 **Longer Elizabethan Poems, Edited, With an Introd. and Notes, by Martin Seymour-Smith** Martin Seymour-Smith (Comp), 1972 Hardy Martin Seymour-Smith, 1995 Biography of the nineteenth century English writer Thomas Hardy Sonnets William Shakespeare, 1965 Hardy by Martin Seymour-Smith Michael Thorpe, 1995 *In Defence of Realism* Raymond Tallis, 1998-01-01 In Defence of Realism is a powerful indictment of the fog of bad philosophy and worse linguistics that has shrouded much contemporary literary theory and criticism Raymond Tallis one of the most important critics of post Saussurean literary theory in the English speaking world examines the reasons often cited by critics and theorists for believing that realism in fiction is impossible and verisimilitude a mere literary effect He clearly demonstrates not only that the arguments of critics hostile to realism are invalid but that even if they were sound they would apply equally to anti realist fiction indeed to all intelligible discourse **Robert Creeley** Ekbert Faas, Maria Trombacco, 2001 The first fifty years in the life of a great American poet **Shakespeare's Sonnets. Edited with an Introduction and Commentary by Martin Seymour-Smith** William Shakespeare, Martin Seymour-Smith, 1967 The Mayor of Casterbridge Thomas Hardy, Martin Seymour-Smith, 1978 *The Epic Films of David Lean* Constantine Santas, 2012 In this volume David Lean's now undervalued epics The Bridge on the River Kwai Lawrence of Arabia Doctor Zhivago Ryan's Daughter and A Passage to India are restored to the elevated esteem they once held The Novels of Thomas Hardy as a Product of Nineteenth Century Social, Economic, and Cultural Change Birgit Plietzsch, 2004 British Fictions of the Sixties Sebastian Groes, 2016-05-19 British Fictions of the Sixties focuses on the major socio political changes that marked the sixties in relationship to the development of literature over the decade This book is the first critical study to acknowledge that the 1960s can only be understood if next to its contemporary socio political history its fictions and mythologies are acknowledged as a vital constituent in the understanding of the decade Groes uncovers a major epistemological shift and presents a powerful meta narrative about post war literature in the UK and beyond British Fictions of the Sixties offers a re examination of canonical writers such as Iris Murdoch Angela Carter Muriel Spark and John Fowles It also pays critical attention to avant garde writers including Ann Quinn Bridget Brophy Eva Figes Christine Brooke Rose and J G Ballard presenting a comprehensive insight into the continuing power the decade exerts on the contemporary imagination **The Triumph of the Moon** Ronald Hutton, 2019-10-10 a brilliant history The Sunday Times makes for riveting reading The Independent Modern pagan witchcraft is arguably the only fully formed religion England has given the world and has now spread across four continents This second edition of The Triumph of the Moon extensively revises the first full scale scholarly study of modern pagan witchcraft Ronald Hutton examines the nature and development of this religion and offers a history of attitudes to witchcraft

paganism and magic in British society since 1800 Its pages reveal village cunning folk Victorian ritual magicians classicists and archaeologists leaders of woodcraft and scouting movements Freemasons and members of rural secret societies We also find some of the leading figures of English literature from the Romantic poets to W B Yeats D H Lawrence and Robert Graves as well as the main personalities who have represented pagan witchcraft to the public world since 1950 Thriller writers like Dennis Wheatley and films and television programmes get similar coverage as does tabloid journalism The material is by its nature often sensational and care is taken throughout to distinguish fact from fantasy in a manner not previously applied to most of the stories involved Meticulously researched *The Triumph of the Moon* presents an authoritative insight into an aspect of modern cultural history which has attracted sensational publicity but has hitherto been little understood This edition incorporates new research carried out by the author as well as research by others who have been inspired by this book over the twenty years since its first publication

Novels and Novelists Martin Seymour-Smith, 1980-01 Short history of the novel crime fiction science fiction illustration The novel and cinema the novel and the book trade Biographical detail on popular novelists with many portraits *Emyr Humphreys* Diane Green, 2009-07-01 This book explores in detail the novels written by Emyr Humphreys during a timespan of over fifty years from his first *A Little Kingdom* published in 1946 to *The Gift of a Daughter* published in 1998 An early chapter comprises a literary biography with the following chapters devoted to the early novels including *A Toy Epic* a separate examination of *Outside the House of Baal* considered by many to be his finest achievement his use of Celtic myth as a patterning device similarly his use of Welsh history is covered in 2 chapters and finally his use of various postcolonial strategies It also contains an extensive bibliography of work by and about Emyr Humphreys

Handbook of British Literature and Culture of the First World War Ralf Schneider, Jane Potter, 2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re creation of that experience in writing and individual as well as collective memory In the first part of the handbook the major genres of war writing and film are addressed including of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War

Siegfried Sassoon - The First Complete Biography of One of Our Greatest War Poets John Stuart Roberts, 2015-02-28 Siegfried Sassoon is mostly remembered for the devastating poetry he wrote during World War One as a result of leading his troops over the top to certain death This episode in his life when he was sent to military hospital suffering from shell shock

and his heroic return to the Front is covered extensively in his own writing and has overshadowed his later literary output. But his more mature poetry is resuscitated in this sensitive exhaustively researched biography. As well as recounting the friendships Siggy famously had with fellow poets Robert Graves and Wilfred Owen, Roberts delves into the more private arena of Sassoon's covert homosexuality and his ill-fated marriage. We learn about Sassoon the passionate golfer and bloodthirsty fox hunter, all of which adds greater depth to this complex man. Roberts also digs deep into his subject's psyche to reveal a fixation with father figures which started during the War when he was under analysis and arose from the early death of his father and uncovers new sources of information concerning Sassoon's conversion to Catholicism. This fresh material means that the earlier life is somewhat neglected but then, as Sassoon himself said, 'My real biography is my poetry.'

Robert Lowell, Interviews and Memoirs Robert Lowell, 1988. A collection of conversations with Lowell and of critical reflections on his work.
