films including *The Piano* *Kids Scream* *The English Patient* and *Life Is Beautiful* reveal how Miramax went beyond influencing Hollywood business practices and motion picture aesthetics to shaping popular and critical discourses about cinema during the 1990s *Indie Inc* does what other books about contemporary low budget cinema have not it transcends discussions of American indies to look at the range of Miramax released genre films foreign language films and English language imports released over the course of the decade The book illustrates that what both the press and scholars have typically represented as the rise of the American independent was in fact part of a larger reconfiguration of the media industries toward niche oriented products

**Tough Talk** Martin Garbus, 2010-02-10 The boisterous freedom promised by the First Amendment is both the heart of American experiment and the fissure along which it divides itself Those who would fight freedom's enemies from political correctness to corporate intimidation to outright censorship face powerful adversaries But they also have a potent weapon at their disposal good old fashioned talk tough talk And as one of America's leading First Amendment attorneys Martin Garbus is one of the toughest talkers there is Starting with his work on the team that defended the legendary satirist Lenny Bruce against obscenity charges Garbus has been a fearless advocate for some of the most important voices of our time among them union organizer Cesar Chavez actor Robert Redford director Spike Lee writer Samuel Beckett Russian dissident Andrei Sakharov and Czech playwright Vaclav Havel who as president of his country's revolutionary government invited Garbus to help write the nation's constitution But Garbus is not an ivory tower theoretician He is a highly effective defense lawyer who takes on cases with the full intent of winning In *Tough Talk* Garbus goes behind the scenes to show us how our system really works and what he does to make it work for his clients How does an attorney get controversial cases What does he do to gain control of a hostile courtroom How does he work with a defendant whose beliefs are the opposite of his own *Tough Talk* is both the story of one man's battle for freedom and a clear eyed account of every major First Amendment issue this nation has faced in the last three decades for the battles Garbus has fought have become the touchstones of America's debate about the limits of freedom In showing us how he has harnessed his personal idealism to the gritty reality of the courtroom Garbus gives brilliant testimony to the power of tough talk

Berry, 2007-01-26 On 4 July 1910 in 100 degree heat at an outdoor boxing ring near Reno Nevada film cameras recorded and thousands of fans witnessed former heavyweight champion Jim Jeffries reluctant return from retirement to fight Jack Johnson a black man After 14 grueling rounds Johnson knocked out Jeffries and for the first time in history there was a black heavyweight champion of the world At least 10 people lost their lives because of Johnson's victory and hundreds more were injured due to white retaliation and wild celebrations in the streets Public screenings received instantaneous protests and hundreds of cities barred the film from being shown Congress even passed a law making it a federal offense to transport moving pictures of prizefights across state lines and thus the most powerful portrayal of a black man ever recorded on film was made virtually invisible This is but one of the hundreds of films covered in the Historical Dictionary of African American Cinema which includes everything from The Birth of a Nation to Crash In addition to the films brief biographies of African American actors and actresses such as Sidney Poitier James Earl Jones Halle Berry Eddie Murphy Whoopi Goldberg Denzel Washington and Jamie Foxx can be found in this reference Through a chronology a list of acronyms and abbreviations an introductory essay a bibliography appendixes black white photos and hundreds of cross referenced dictionary entries on actors actresses movies producers organizations awards film credits and terminology this book provides a better understanding of the role African Americans played in film history
