observance of Martin Luther King Jr Day **Martin Luther King, Jr.** Patricia McKissack,Fredrick McKissack,2013-01-01 Every school child knows the name of Martin Luther King Jr beacon of the civil rights movement The McKissacks offer an easy to read journey through King s life as he brought people of all races and religions together to fight without violence for equality Young readers will come away from this book with an understanding of the civil rights movement and what made Dr King so special **This Is an Uprising** Mark Engler,Paul Engler,2016-02-09 There is a craft to uprising and this craft can

change the world From protests around climate change and immigrant rights to Occupy the Arab Spring and BlackLivesMatter a new generation is unleashing strategic nonviolent action to shape public debate and force political change When mass movements erupt onto our television screens the media consistently portrays them as being spontaneous and unpredictable Yet in this book Mark and Paul Engler look at the hidden art behind such outbursts of protest examining core principles that have been used to spark and guide moments of transformative unrest With incisive insights from contemporary activists as well as fresh revelations about the work of groundbreaking figures such as Gandhi Martin Luther King Jr Gene Sharp and Frances Fox Piven the Englers show how people with few resources and little conventional influence are engineering the upheavals that are reshaping contemporary politics Nonviolence is usually seen simply as a philosophy or moral code This Is an Uprising shows how it can instead be deployed as a method of political conflict disruption and escalation It argues that if we are always taken by surprise by dramatic outbreaks of revolt we pass up the chance to truly understand how social transformation happens *Designate the Birthday of Martin Luther King, Jr., as a Legal Public*
