Martov A Political Biography Of A Russian Social Democrat

Getzler, Israel Getzler

Martov A Political Biography Of A Russian Social Democrat:

Martov Getzler, Israel Getzler, 2003-09-18 This is the first biography of Martov the founder and leader of Menshevism It records his revolutionary apprenticeship in Vilno and St Petersburg in 1893 6 his early friendship and partnership with Lenin in Siberian exile and on the revolutionary newspaper Iskra in Munich and London the dramatic break up of that partnership at the Second Congress of Russian Social Democrats in 1903 and the division between Mensheviks and Bolsheviks the ensuing feud between Martov and Lenin Martov's role in the 1905 revolutions his later activities as leader of the Menshevik Internationalists then of the socialist opposition in Bolshevik Russia until 1920 and of the Mensheviks in exile until his death Martov is shown as a noble and tragic figure of modern Russian and Jewish history and of international socialism and as a key figure to the understanding of all three

Martov Israel Getzler, 1967-06-01 This is the first biography of Martov the founder and leader of Menshevism It records his revolutionary apprenticeship in Vilno and St Petersburg in 1893 6 his early friendship and partnership with Lenin in Siberian exile and on the revolutionary newspaper Iskra in Munich and London the dramatic break up of that partnership at the Second Congress of Russian Social Democrats in 1903 and the division between Mensheviks and Bolsheviks the ensuing feud between Martov and Lenin Martov's role in the 1905 revolutions his later activities as leader of the Menshevik Internationalists then of the socialist opposition in Bolshevik Russia until 1920 and of the Mensheviks in exile until his death Martov is shown as a noble and tragic figure of modern Russian and Jewish history and of international socialism and as a key figure to the understanding of all three

The Russian Social-Democratic Labour Party, 1899–1904 Richard Mullin, 2015-03-31 Much has been written about the activity of Lenin and his colleagues on the editorial board of the Iskra newspaper whereas little has been said about the opponents of Leninism who unsuccessfully fought for control of the Russian Social Democratic Labour Party during the Iskra period To redress the balance Richard Mullin has translated 25 documents from this period most of which express an anti Lenin view They include articles from Rabochee Delo the Jewish Bund's Poslednie Izvestiia and the post Lenin Iskra pamphlets by Plekhanov and Martov the resolutions of Party meetings and some very revealing private correspondence However the result is not an anti Bolshevik polemic through these documents a clearer and curiously flattering picture of Lenin's thought and activity is obtained

An Intellectual Biography of N.A. Rozhkov John A. González, 2016-09-19 An Intellectual Biography of N A Rozhkov is the first English language study to follow Russia's most gifted and important historian to emerge from the school of V O Kliuchevskii through the transformative decades that bridged the nineteenth and twentieth centuries Rozhkov's early philosophical influences are examined to explain his radicalisation from middle class intellectual academic to Leninist Bolshevik to Menshevik social democrat His Marxist socialist beliefs landed him in gaol several times and eventually he was exiled to Siberia for a decade where he was able to refine his political worldview and develop his theory of historical development Critical of Lenin and the 1917 revolution he spent the last decade of his life being persecuted by the Bolshevik regime

Family Networks and the Russian Revolutionary Movement, 1870-1940 Katy Turton, 2017-12-04 This book explores the role played by families in the Russian revolutionary movement and the first decades of the Soviet regime While revolutionaries were expected to sever all family ties or at the very least put political concerns before personal ones in practice this was rarely achieved In the underground revolutionaries of all stripes from populists to social democrats relied on siblings spouses children and parents to help them conduct party tasks with the appearance of domesticity regularly thwarting police interference Family networks were also vital when the worst happened and revolutionaries were imprisoned or exiled After the revolution these family networks continued to function in the building of the new Soviet regime and amongst the socialist opponents who tried to resist the Bolsheviks As the Party persecuted its socialist enemies and eventually turned on threats perceived within its ranks it deliberately included the spouses and relatives of its opponents in an attempt to destroy family networks for good

Russian Jews Between the Reds and the Whites, 1917-1920 Oleg Budnitskii, 2012-07-24 In the years following the Russian Revolution a bitter civil war was waged between the Bolsheviks with their Red Army of Workers and Peasants on the one side and the various groups that constituted the anti Bolshevik movement on the other The major anti Bolshevik force was the White Army whose leadership consisted of former officers of the Russian imperial army In the received and simplified version of this history those Jews who were drawn into the political and military conflict were overwhelmingly affiliated with the Reds while from the start the Whites orchestrated campaigns of anti Jewish violence leading to the deaths of thousands of Jews in pogroms in the Ukraine and elsewhere In *Russian Jews Between the Reds and the Whites 1917-1920* Oleg Budnitskii provides the first comprehensive historical account of the role of Jews in the Russian Civil War According to Budnitskii Jews were both victims and executioners and while they were among the founders of the Soviet state they also played an important role in the establishment of the anti Bolshevik factions He offers a far more nuanced picture of the policies of the White leadership toward the Jews than has been previously available exploring such issues as the role of prominent Jewish politicians in the establishment of the White movement of southern Russia the Jewish Question in the White ideology and its international aspects and the attempts of the Russian Orthodox Church and White diplomacy to forestall the establishment of a Jewish state in Palestine The relationship between the Jews and the Reds was no less complicated Nearly all of the Jewish political parties severely disapproved of the Bolshevik coup and the Red Army was hardly without sin when it came to pogroms against the Jews Budnitskii offers a fresh assessment of the part played by Jews in the establishment of the Soviet state of the turn in the policies of Jewish socialist parties after the first wave of mass pogroms and their efforts to attract Jews to the Red Army of Bolshevik policies concerning the Jewish population and of how these stances changed radically over the course of the Civil War

Historical Dictionary of the Russian Revolution Jonathan Davis, 2020-05-15 *Historical Dictionary of the Russian Revolution* focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The

time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia's involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian Revolution This book is an excellent resource for students researchers and anyone wanting to know more about the Russian Revolution

[A History of Marxian Economics, Volume I](#) Michael Charles Howard, John Edward King, 2014-07-14 The first volume of this critical history covers the social political and theoretical forces behind the development of Marxian economics from Marx's death in 1883 until 1929 the year marking the onset of Stalin's revolution from above which subsequently transformed the Soviet Union into a modern superpower During these years Marxists in both Russia and Germany found their economic ideas inextricably linked with practical political problems and treated theory as a guide to action This book systematically examines the important theoretical literature of the period including insightful works by political functionaries outside academia journalists party organizers underground activists and teachers in the labor movement presented here as the primary forgers of Marxian economic thought Beginning with Engels's writings this book analyzes the work of leading Marxist economists in the Second International then concludes with a review of the intellectual movements within the Marxian political economy during the 1920s A second volume treating the period from 1929 to the present will follow Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

[The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture](#) Jay Bergman, 2019 The Bolsheviks sought legitimacy and inspiration in historic revolutionary traditions and Jay Bergman argues that they saw the revolutions in France in 1789 1830 1848 and 1871 as supplying practically everything Marxism lacked including guidance in constructing socialism and communism and useful fodder for political and personal polemics

The Blackwell Encyclopedia of the Russian Revolution Harold Shukman, 1994-12-05 This single volume is an authoritative and accessible guide to the background and progress of the Revolution written by a team of over forty specialist contributors Beginning with the radical movements of the mid nineteenth century the Encyclopedia covers the development of the revolutionary movement created by the intelligentsia the condition of the peasants that of the working class and of the army the role of the Tsarist secret police the

agents provocateurs the revolutionaries own underground A substantial section is devoted to the emergence of liberation movements among the national minorities of the borderlands The Encyclopedia also considers the formation of Soviet institutions and examines too the emergence of revolutionary culture well before 1917 the avant garde in art and theatre and the relationship to the revolution of three major Russian writers Blok Gorky and Mayakovsky **Russia in Revolution** S. A. Smith,2017-01-19 The Russian Revolution of 1917 transformed the face of the Russian empire politically economically socially and culturally and also profoundly affected the course of world history for the rest of the twentieth century Historian S A Smith presents a panoramic account of the history of the Russian empire from the last years of the nineteenth century through the First World War and the revolutions of 1917 and the establishment of the Bolshevik regime to the end of the 1920s when Stalin simultaneously unleashed violent collectivization of agriculture and crash industrialization upon Russian society Drawing on recent archivally based scholarship *Russia in Revolution* pays particular attention to the varying impact of the Revolution on the various groups that made up society peasants workers non Russian nationalities the army women and the family young people and the Church In doing so it provides a fresh way into the big perennial questions about the Revolution and its consequences why did the attempt by the tsarist government to implement political reform after the 1905 Revolution fail why did the First World War bring about the collapse of the tsarist system why did the attempt to create a democratic system after the February Revolution of 1917 not get off the ground why did the Bolsheviks succeed in seizing and holding on to power why did they come out victorious from a punishing civil war why did the New Economic Policy they introduced in 1921 fail and why did Stalin come out on top in the power struggle inside the Bolshevik party after Lenin s death in 1924 A final chapter then reflects on the larger significance of 1917 for the history of the twentieth century and for all its terrible flaws what the promise of the Revolution might mean for us today **Problems of Communism** ,1967

Totalitarian Democracy and After Yehoshua Arieli,Nathan Rotenstreich,2002 This volume first published in 1984 contains the principal papers from a distinguished colloquium held in 1982 Its avowed purpose is to investigate further the notion of totalitarian democracy and to look at its repercussions in the contemporary world **Lenin Rediscovered** Lars T. Lih,2006 This commentary to Lenin s landmark *What is to be Done* 1902 provides hitherto unavailable contextual information about Lenin s outlook and aims that undermines previous interpretations It challenges established views about Marxism revolutionary Social Democracy and Bolshevism **The Origins of the Stalinist Political System** Graeme Gill,Graeme J. Gill,2002-07-18 New and challenging perspectives on Soviet political development from 1917 to 1941 **The Bolsheviks Come to Power** Alexander Rabinowitch,2004 For generations in the West Cold War animosity blocked dispassionate accounts of the Russian Revolution This history authoritatively restores the upheaval s primary social actors workers soldiers and peasants to their rightful place at the center of the revolutionary process *Hendrik de Man and Social Democracy* Tommaso Milani,2020-06-15 The book investigates the intellectual and political trajectory of the Belgian theorist Hendrik de

Man 1885 1953 by examining the impact that his works and activism had on Western European social democracy between the two world wars Based on multinational archival research the book highlights how the idea of economic planning became part of a wider effort to address an ideological crisis within the socialist movement and revitalise the latter amidst the Great Depression A heavily controversial figure also because of his subsequent involvement in Belgian wartime collaboration de Man played a pivotal role in challenging traditional Marxist assumptions about the role of the state under capitalism and in promoting transnational exchanges between unorthodox social democrats across Europe Starting from de Man s experience in World War I the book analyses his departure from Marxism his elaboration of an alternative social democratic paradigm his entry in Belgian politics as well as the reception of his thought in France and Britain *The Dilemmas of Lenin* Tariq Ali,2017-04-25 The secret life of the man who reshaped Russia Vladimir Ilyich Lenin leader of the October 1917 uprising is one of the most misunderstood leaders of the twentieth century In his own time there were many even among his enemies who acknowledged the full magnitude of his intellectual and political achievements But his legacy has been lost in misinterpretation he is worshipped but rarely read On the centenary of the Russian Revolution Tariq Ali explores the two major influences on Lenin s thought the turbulent history of Tsarist Russia and the birth of the international labour movement and explains how Lenin confronted dilemmas that still cast a shadow over the present Is terrorism ever a viable strategy Is support for imperial wars ever justified Can politics be made without a party Was the seizure of power in 1917 morally justified Should he have parted company from his wife and lived with his lover In *The Dilemmas of Lenin* Ali provides an insightful portrait of Lenin s deepest preoccupations and underlines the clarity and vigour of his theoretical and political formulations He concludes with an affecting account of Lenin s last two years when he realized that we knew nothing and insisted that the revolution had to be renewed lest it wither and die **Lenin: A Political Life** Robert Service,1985-06-24 Lenin s politics still reverberate around the world even after the death of the USSR His name elicits revulsion and reverence Yet Lenin the man remains largely a mystery This biography reveals Lenin in his full complexity as a revolutionary political leader thinker and private person 50 halftones 3 maps Lenin Beryl Williams,2014-06-17 Drawing on the flood of new material to emerge from Russian and Western sources in recent years Beryl Williams focuses on Lenin s years in power and provides first rate introduction to the life ideology and impact of one of the formative figures of the 20th century Within an overall chronological framework Williams examines topics such as cultural revolution foreign policy and expansion As well as being an examination of Lenin s life and work this is an up to date evaluation of recent historiographical debates and literature in the context of the period
