Marvelous Reality James W. Reid, 1999-11-01 **The Labyrinth of Love** Alberto Castelli, 2024-08-02 This book studies the various narrative shades of love in twentieth century Latin American fiction It examines writings by Isabel Allende Roberto Arlt Garc a M rquez and Mario Vargas Llosa The author provides a close textual reading of each novel and discusses how humans make sense of their lives through love He shifts the focus of these writings from political violence and historical disillusionment to the illusion of love An important contribution to Latin American literary criticism this book will be of interest to students and scholars of literature history Latin American literature philosophy ethics aesthetics comparative literature and sociology **Moving Forward, Looking Back** Sarah M. Misemer, 2010 Many critical shifts in concepts of time and society s consciousness of modernity were derived from the railway and World Standard Time in the nineteenth century These innovations restructured the way people viewed the world and dealt with public and private time The forward projectile motion along a linear track mimicked the passage of public chronological time Conversely the train also invoked a private nostalgic view of time as the traveler was yanked from his/her traditional view of the space time continuum via the train s velocity Travelers observed the landscape disappear in their backward glance from the window although the landscape and interior compartment s space remained stagnant This optical illusion caused passengers to perceive the world in new ways Thus the train unveils a conflictive blend of nostalgia and progress in the River Plate as these countries move forward but look back

Forbidden Gospels: The Devil's Cut Randy Chandler, t. Winter-Damon, 2016-03-13 Duet for the Devil was published October 1 2000 by Necro Publications Before that bits and pieces of the unruly opus were published in various small press magazines and indie journals often in somewhat different forms By the time the novel made it between hard covers its length had been considerably shortened Some significant characters were lost altogether as their scenes got the ax Subsequently much of the lost segments from Duet for the Devil were published by Jasmine Sailing as The Forbidden Gospels of Man Cruel Volumes I II These modest chapbooks also contained several scenes as they appeared before they were edited or reworked for the novel Forbidden Gospels The Devil s Cut presents Volumes I II as they originally appeared in chapbook form including the introductions by Brian Hodge and Don Webb Also included is an all new addition to the Gospels The Devil s Cut Up Then comes the Prophet of the Perverse section a tribute of sorts to the late t Winter Damon It also includes Damon s long and rambling preface to Duet for the Devil which until now has only appeared in the Advanced Uncorrected Proof and on the Necro Publications website Plus some of Damon s best poetry and several poems he wrote with award winning poet Bruce Boston This section also includes moving remembrances by some of the people whose lives were touched Damon Forbidden Gospels The Devil s Cut is a literary remix of Duet For The Devil If it were a movie this would be the Director s Cut But of course it s not a movie or a musical remix It s damned book The kind of book according to one reviewer that made a true book lover throw the damned thing across the room The dirty little secret is that is exactly the
