## **Marx And Modern Fiction:**

**Contemporary British Fiction and the Cultural Politics of Disenfranchisement** A. Beaumont, 2015-12-05 By examining the representation of urban space in contemporary British fiction this book argues that key to the political left's strategy was a model of action which folded politics into culture and elevated disenfranchisement to the status of a political principle

**James Joyce and Modern Literature** W. J. McCormack, Alistair Stead, 2015-12-22 This collection first published in 1982 brings together thirteen writers from a wide variety of critical traditions to take a fresh look at Joyce and his crucial position not only in English literature but in modern literature as a whole Comparative views of his work include reflections on his relations to Shakespeare Blake MacDiarmid and the Anglo Irish revival Essays story and poems all combine to celebrate the major constituents of Joyce's work his imagination and comedy his exuberant use of language his relation to the history of his country and his age and his passionate commitment to a more veritably human tradition This title will be of interest to students of literature

*Diseases and Disorders in Contemporary Fiction* James Peacock, Tim Lustig, 2013-04-17 The essays in this collection address the current preoccupation with neurological conditions and disorders in contemporary literature by British and American writers The book places these fictional treatments within a broader cultural and historical context exploring such topics as the two cultures debate the neurological turn postmodernism and the post postmodern and responses to September 11th Considering a variety of materials including mainstream literary fiction the graphic novel popular fiction autobiographical writing film and television contributors consider the contemporary dimensions of the interface between the sciences and humanities developing the debate about the post postmodern as a new humanism or a return to realism and investigating questions of form and genre and of literary continuities and discontinuities Further the essays discuss contemporary writers' attempts to engage the relation between the individual and the social looking at the relation between the syndrome referring to the prevalence in contemporary literature of neurological phenomena evident at the biological level and existing work in the field of trauma studies where explanations tend to have taken a psychoanalytical form allowing for perspectives that question some of the assumptions that have marked both these fields The current literary preoccupation with neurological conditions presents us with a new and distinctive form of trauma literature one concerned less with psychoanalysis than with the physical and evolutionary status of human beings

**Critical Companion to Contemporary Marxism** Jacques Bidet, 2008 International and interdisciplinary in range and scope the Critical Companion to Contemporary Marxism provides a thorough and precise panorama of recent developments in Marxist theory in the US Europe and beyond

*Marx and Freud* Crystal Bartolovich, David Hillman, Jean E. Howard, 2014-03-27 This volume looks at Marx and Freud who though not Shakespeareans in the usual academic or theatrical sense were both deeply informed by Shakespeare's writings and have both had enormous influence on the

understanding and reception of Shakespeare The first section of this volume consists of a discussion of Marx's use of Shakespeare by Crystal Bartolovich followed by an essay on Shakespeareans recent uses of Marx by Jean E Howard The volume's second half written by David Hillman juxtaposes a discussion of Freud's use of Shakespeare with a meditation on Shakespeare's use of Freud Each part can be read fruitfully independently of the others but the sum is greater than the parts offering an engagement with two of the most influential thinkers in Western modernity and their interchanges with arguably the most influential figure of early modernity Shakespeare

Consciousness in Modernist Fiction V. Sotirova, 2013-05-09 This stylistic study of consciousness in the Modernist novel explores shifts across different viewpoints and the techniques through which they are dialogically interconnected The dialogic resonances in the presentation of character consciousness are analysed using linguistic evidence and evidence drawn from everyday conversational practices

**Spectrality in Modernist Fiction** Stephen Ross, 2023-06-14 Spectrality in Modernist Fiction argues that key modernist writers chiefly Conrad Forster Butts and Bowen use spectral rhetoric to tackle problems of sex and sexuality revolution imperialism capitalism and desire all through complicated ethical engagements These engagements invariably come packaged in and are shaped by the language of spectrality In its capacity to articulate a particular sort of relationship between the past the present and the future the spectral concerns the basic question of how to proceed how to live with maybe even address ethical indeterminacy Whether their spectral rhetoric traces the logics of capitalist possession Conrad queer friendship and paganized Christianity Forster regressive politics haunted by historical traumas Butts or the devious passages of perverse desire Bowen these writers locate something like hope in their ghosts The ethical and political impasses they chart through their spectral rhetoric are not final but temporary and the drive to overcome them constitutes a tensile optimism

**The Crisis of Capitalism in the Contemporary Novel** Andrew Rowcroft, 2024-02-05 This book explores the role of radical ideas in contemporary fiction by nine critically

acclaimed authors Jonathan Lethem Dana Spiotta China Mieville Thomas Pynchon Rachel Kushner Teddy Wayne Colson Whitehead Jacqueline Woodson and Kim Stanley Robinson All of them share interests in the politics of the left the problems of protracted economic crisis and the potentiality of post capitalist ideas Novels by these authors this book argues are defined by an imperative to confront current anxieties in left thought while at the same time evincing a nuanced degree of self consciousness about the legacy of political radicalisms the costs they accrue and where they have led **British Marxist Criticism** Victor N. Ahearn,1996-01-01 Gennemgang af temaet verdens undergang hos forfatterne William Blake Novalis G. G. Novalis G. G. de Nerval Comte de Lautr. amount Andr. Breton Louis Aragon William Burroughs Monique Wittig og Jamaica Kincaid *Postmodern, Marxist, and Christian Historical Novels* Lynne W. Hinojosa,2022-06-15 Postmodern Marxist and Christian Historical Novels Hope and the Burdens of History argues historical novels can help readers receive the burdens of history meaning both the burdens of the past present and future and the burden of living in time and develop a more robust conception of and concrete practice of hope Since the 1960s historical novels have been a dominant literary genre but they have been influenced primarily not by Christian but by postmodern and marxist thinkers and writers This book provides a theological and literary analysis of all three types of historical novels postmodern marxist and Christian and outlines what each school of thought can learn from each other regarding historical understanding and hope Using Jürgen Moltmann's theology of hope and Frank Kermode's literary criticism as a theoretical basis the book offers readings of novels by Julian Barnes A. S. Byatt Kazuo Ishiguro Margaret Atwood Michael Ondaatje Ian McEwan and Ursula LeGuin among others and ends with an extended analysis of Marilynne Robinson's Gilead series Rethinking Marxism The Rethinking Marxism Editorial Collective,2023-05-31 First published in 2006 This issue highlights both the often undervalued practice of translation and the significance of rereading and rethinking classic Marxian texts with a symposium on Joseph Buttigieg's new edition of Antonio Gramsci's Prison Notebooks After Marx Colleen Lye,Christopher Nealon,2022-03-17 After Marx Literature Theory and Value demonstrates the importance of Marxist literary and cultural criticism for an era of intersectional politics and economic decline The volume includes fresh approaches to reading poetry fiction film and drama from Shakespeare to contemporary literature and shows how Marxist literary criticism improves our understanding of racial capitalism feminist politics colonialism deindustrialization high tech labor ecological crisis and other issues A key innovation of the volume's essays is how they attend to Marx's theory of value For Marx capitalist value demands a range of different kinds of labor as well as unemployment This book shows the importance of Marxist approaches to literature that reach

beyond simply demonstrating the revolutionary potential or the political consciousness of a 19th century style industrial working class After Marx makes an argument for the twenty first century interconnectedness of widely different literary genres and far flung political struggles      *Fredric Jameson* D. Kellner, S. Homer, 2004-03-25 This volume brings together original work from internationally recognized scholars that critically engages with the full range of Jameson's work including Sartre Lukács Third World literature architecture postmodernity globalization film dialectics and Brecht In a series of lively and at times iconoclastic readings the contributors challenge accepted views of Jameson's work and locate his project in the historical political and institutional context that shaped it The volume concludes with an original contribution by Jameson himself providing an opportunity for readers to critically engage with his work themselves      **Marxism and 20th-Century English-Canadian Novels** John Z. Ming Chen, Yuhua Ji, 2015-06-09 This monograph is the first academic work to apply a neo Marxist approach to 20th century Canadian social realist novels pursuing a refreshingly neo Marxist approach to such issues as Bakhtinian notions of the novelistic form and dialogism as applied to Canadian socio political novels influenced by various socialisms socialist feminist concerns economic and sexual politics and the genre of social realism In so doing it demonstrates that Marxist socialism is as relevant today as it was in the 1930s just as social realist novels continue to thrive as a critique of capitalism Readers will find valuable insights into the social significance formal innovations moral sensitivity aesthetic enrichment and ideological complexity of Canadian social realist novels
