

Marxism And History

Melvin Miller Rader

Marxism And History:

Marxism and History Stephen Henry Rigby, 1987 Marx's theory of history is often regarded as the most enduring and fruitful aspect of his intellectual legacy. His historical materialism has been the inspiration for some of the best historical writing in the works of scholars such as Eric Hobsbawm, E. P. Thompson, Rodney Hilton and Robert Brenner. S. H. Rigby establishes Marx's claims about social structure and historical change, discusses their use in his own and his followers' writings, and assesses the validity of his theories. He argues that Marx's social theories were profoundly contradictory and that Marxism has proved most useful when it is seen as a source of questions, concepts and hypotheses rather than as a philosophy of historical development.

Marxism and History Matt Perry, 2021 This textbook examines Marxism's enormous impact on the way historians approach their subject. Tackling current historiographical questions in an accessible way, the author offers a clear introduction to Marxist views of history, key Marxist historians and thinkers, and the relevance of Marxist theory and history to students' own work. This is a concise, thorough overview of an important area of historiography. The second edition incorporates significant new developments in research, including Marxist contributions to the emergence of global, maritime and transnational history; the discovery of Marx's ecologism; and the historical critique of fossil capitalism as a source of environmental disaster; a reassessment of gender oppression through social reproduction theory; and the contribution of Marxism to debates on race, Eurocentrism and whiteness.

Marxism and History Helmut Fleischer, 1973

Reflections on the Marxist theory of history Paul Blackledge, 2013-07-19 A decade after Francis Fukuyama announced the End of History, anti-capitalist demonstrators at Seattle and elsewhere have helped reinvigorate the Left with the reply: another world is possible. More than anyone else, it was Marx who showed that slogans such as this were no utopian fantasies and that capitalism was just as much a historical mode of production, no more natural and certainly no less contradictory than were the feudal and slave modes which preceded it. Paul Blackledge opens this study with a defence of the Marxist approach to the study of history against what he argues as being the naive empiricism of traditional historians and the relativism of the postmodernists. He moves on to outline Marx and Engels' analyses of concrete historical processes and their critiques of the alternative historiographic methodologies of their contemporaries. He then discusses neglected historical works produced by Marxists in the half century or so after Marx and Engels' deaths. Two central chapters survey recent Marxist debates on first the nature of modes of production, including slave, feudal and tributary systems, and the revolutionary transitions between them; and second the methodological debate over the issue of structure and agency in the movement of history. Finally, he shows the political relevance of these debates through a concluding survey of competing Marxist attempts to periodise the present postmodern conjuncture. This book should be read by historians, students of cultural, social and political theory, and anti-capitalist activists.

Marxist Historiographies Q. Edward Wang, Georg G. Iggers, 2015-07-16 *Marxist Historiographies* is the first book to examine the ebb and flow of Marxist historiography from a global and cross-cultural perspective. Since the

eighteenth century few schools of historical thought have exerted a more lasting impact than Marxism and this impact extends far beyond the Western world within which it is most commonly analysed Edited by two highly respected authors in the field this book deals with the effect of Marxism on historical writings not only in parts of Europe where it originated but also in countries and regions in Africa Asia North and South America and the Middle East Rather than presenting the chapters geographically it is structured with respect to how Marxist influence was shown in the works of historians in a particular area This title takes a dual approach to the subject some chapters are national in scope addressing the Marxist impact on historical practices within a country whereas others deal with the varied expressions of Marxist historiography throughout a wider region Taking a truly global perspective on this topic Marxist Historiographies demonstrates clearly the breadth and depth of Marxism s influence in historical writing throughout the world and is essential reading for all students of historiography

Marxism and History Chris Harman,1998 A highly accessible introduction to the vital theoretical issues in the interpretation of marx s theory of history Essential for all students of Marx and Marxism

Marxism and History S. H. Rigby,1998 This critically acclaimed book now in its second edition is firmly established as an essential guide to this recent historiographical debate Adopted as a set book by the Open University An indispensable guide to Marxist historiography for undergradu

Marxism and History Matt Perry,2021-08-16 This textbook examines Marxism s enormous impact on the way historians approach their subject Tackling current historiographical questions in an accessible way the author offers a clear introduction to Marxist views of history key Marxist historians and thinkers and the relevance of Marxist theory and history to students own work This is a concise thorough overview of an important area of historiography The second edition incorporates significant new developments in research including Marxist contributions to the emergence of global maritime and transnational history the discovery of Marx s ecologism and the historical critique of fossil capitalism as a source of environmental disaster a reassessment of gender oppression through social reproduction theory and the contribution of Marxism to debates on race Eurocentrism and whiteness

Marxism and History S. H. Rigby,2024-06-04 This critically acclaimed book now in its second edition is firmly established as an essential guide to this recent historiographical debate Adopted as a set book by the Open University An indispensable guide to Marxist historiography for undergradu

Karl Marx's Theory of History Gerald A. Cohen,2001-03-25 First published in 1978 this book rapidly established itself as a classic of modern Marxism Cohen s masterful application of advanced philosophical techniques in an uncompromising defense of historical materialism commanded widespread admiration In the ensuing twenty years the book has served as a flagship of a powerful intellectual movement analytical Marxism In this expanded edition Cohen offers his own account of the history and the further promise of analytical Marxism He also expresses reservations about traditional historical materialism in the light of which he reconstructs the theory and he studies the implications for historical materialism of the demise of the Soviet Union

Reconstructing Marxism Erik Olin Wright, Andrew Levine, Elliott Sober, 1992 Reconstructing Marxism explores fundamental questions about the structure of Marxist theory and its prospects for the future The authors maintain that the disintegration of the old theoretical unity of classical Marxism is in part responsible for what is commonly called the crisis of Marxism Only a reconstructed Marxism can come to terms with this disintegration Addressing a range of problems in historical materialism and class analysis the authors compare historical materialism with Darwinian evolutionary theory and identify what is distinctively historical in Marx's theory of history Through an evaluation of G A Cohen's defense and Anthony Giddens's critique of historical materialism they suggest what a plausible yet still Marxist theory of history might be They analyze the relationship of microanalysis to macro theory and the assignment of causal primacy in explanations and present a general assessment of the current state of Marxist theory and the prospects for its analytical reconstruction Distinguished by the clarity of its presentation the analytical rigour of its argument and its concern with fundamental philosophical and sociological issues Reconstructing Marxism advances at this critical juncture in the history of Marxism a challenging new research programme

Marx & History D. Ross Gandy, 2014-05-23 Gandy has attempted a much needed reinterpretation of Marx's theory of history one that everything considered deserves the reader's attention American Political Science Review In this book Karl Marx's observations on history which are found scattered throughout his voluminous writings are brought together and subjected to searching analysis in refreshingly direct language without jargon For the first time we have a thoughtful assessment of Marx's views on all the epochs that cross his historical vision D Ross Gandy treats Marx's ideas on primitive societies on ancient Roman and Asiatic civilization on the structure of feudalism on strategies for overthrowing capitalism and on the hypothetical communist future Among the author's departures from traditional readings of Marx are his interpretations of class struggle his conception of social strata and his cogent analysis of the new Marxism Since many aspects of Marxist historical theory have been neglected or distorted Gandy's remarkably clear commentary based on extensive research including an exhaustive study of the forty volume Marx Engels Werke will doubtless stimulate debate among sociologists and other students of social change political scientists and historians

Marx's Interpretation of History Melvin Miller Rader, 1979 Attempts to find an underlying consistency in Marx's complex vision of history without glossing over apparent contradiction in the writings of Marx and in those of his interpreters

The Place of Marxism in History Ernest Mandel, 1986

History, Power, Ideology Donald L. Donham, 2023-09-01 Is Marxism a reflection of the conceptual system it fights against rather than a truly comprehensive approach to human history Drawing on recent work in anthropology history and philosophy Donald Donham confronts this problem in analyzing a radically different social order the former Maale kingdom of southern Ethiopia Unlike capitalist societies wherein inequality is organized by contracts between free individuals in Maale powerful men were thought to beget others through control of biological fertility and material fortune Donham scrutinizes this unusual system of domination in order to sharpen issues in social and cultural theory He

concludes that the interpretation of symbols and analysis of historical contingency should be crucial steps in any Marxist investigation. The result is a provocative and original re-reading of the Marxist tradition and a spirited defense of its continued vitality and relevance. Every once in a while there appears a book that opens up new ways of inquiring into the ways of the world. Donald Donham has written such a book. The style is quiet and judicious but the effect is stunning. In putting inherited partisan approaches to the test of explaining the realities of Maale society and culture, Donham enriches anthropology and imparts new vigor to the analytical Marxist traditions. *History Power Ideology* embodies a major accomplishment. From the Foreword: Is Marxism a reflection of the conceptual system it fights against rather than a truly comprehensive approach to human history? Drawing on recent work in anthropology, history, and philosophy, Donald Donham confronts this problem in analyzing a radically *Marxism, History, and Intellectuals*. Suman Gupta, 2000. This study focuses on that area of revolutionary socialist philosophy which is devoted to conceiving the intellectual and allocating or refusing to do so a role to the intellectual in the revolutionary process and state. Through an examination of the intellectual's role, the author tries to reach an understanding of the connotations and pragmatics of transformative socialism in our time. Primarily, this study is a survey and reexamination of the constructions of and attitudes toward intellectuals in different revolutionary socialist philosophies with particular reference to the corresponding theories of history that are implicit therein. The actual process of reconceptualizing transformative socialism in our context and in the light of the above reexamination is taken up toward the end of the book in a more or less polemical fashion. BOOK JACKET Title Summary field provided by Blackwell North America Inc. All Rights Reserved. **Marxism and Historiography** Paolo Favilli, 2021-10-22. Eminent Italian historian Giovanni Levi once notably remarked that no one is a Marxist anymore, pointing to a paradox in Italian cultural history. While what is called Marxism was supposedly hegemonic over Italian culture and especially history writing for decades in the postwar period, it then seems to have suddenly disappeared. This study questions such a vision of a monolithic and hegemonic Marxism. It starts from the most effective anecdote to all ideologising narratives: that is, research into the texts themselves. It sees the Marxist historiography of the post-1945 period as a history in the making in which references to Marxist theory were a fundamental factor driving historiographical innovation. This allows the book to bring to light a highly original experience in the development of historiography based on the long Italian tradition of reflection on historical knowledge.

Reflections on the Marxist Theory of History Paul Blackledge, 2006-10-31. This volume offers a defence of the study of history against traditional empiricism and the relativism of postmodern historiography. It discusses the relationship between Marx and Engels' theory of history, their methodology, and their politics. **The History of Italian Marxism** Paolo Favilli, 2016-08-15. In *The History of Italian Marxism*, Paolo Favilli offers an articulated analysis of the different levels at which Marx's ideas and Marxism as a doctrinal system were received in Italy from the time of the First International up till the eve of the First World War. Rejecting any linear understanding of the relation between Marx's texts and the assumption of

Marxism as the ideology of the burgeoning workers movement Favilli explores the growth of different forms of Marxist culture through the period of the Paris Commune the late nineteenth century debate on revisionism and the rise of revolutionary syndicalism Asking in each case whether Marxism meant a science an ideology a way of doing politics a utopia a myth or a religion Favilli goes on to assess which of these Marxisms died with and which have survived the crisis at the end of the twentieth century With a new preface to the English edition First published in Italian as Storia del marxismo italiano dalle origini alla grande guerra FrancoAngeli s r l Milan 1996

Marxism And History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Marxism And History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Marxism And History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of Marxism And History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Marxism And History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Marxism And History is one of the best book in our library for free trial. We provide copy of Marxism And History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Marxism And History. Where to download Marxism And History online for free? Are you looking for Marxism And History PDF? This is definitely going to save you time and cash in something you should think about.
