## **Marxism In The Ussr A Critical Survey Of Current Soviet Thought:**

**Marxism in the USSR** James Patrick Scanlan, 1985 Philosophy of marxist Leninism in the USSR      **Marxism in the USSR** James P. Scanlan, 1986-03-31      **Soviet Marxism-Leninism** Alfred B. Evans, 1993-10-30 This study examines the development of Marxist Leninist ideology in the U S S R from its origins to the collapse of the Soviet regime Alfred Evans argues that Soviet Marxism Leninism was subject to significant adaptation under various leaders contrary to the widespread impression that official Soviet ideology remained static after Stalin While taking account of scholarly literature on each of the periods covered the work is significant for being based principally on an analysis of primary Soviet sources Evans integrated analysis of changes in ideology during the post Stalin decades is an important contribution to the literature in political science political economy and Soviet studies      **Soviet Critical Design** Tom Cubbin, 2018-12-13 Soviet Critical Design is the first book to explore the socialist design practice of artistic projecteering which was developed by the USSR s Senezh Experimental Studio in the 1960s Tom Cubbin examines the studio as a site for the development of the design discipline in the optimistic environment of the 1960s Soviet Thaw He also explores how designers adapted to the fast changing Soviet Union of the 1970s and 1980s considering their approach to critical projects highlighting the Soviet state s treatment of citizens urban heritage and public spaces Drawing on previously unpublished visual material from private archives and also extensive interviews this book presents a new history of the late socialist period in the USSR which gives insight into the creative strategies of designers who engaged their practice as a contribution to broader discussions on alternative models for socialist existence Cubbin shows how artistic projecteering must be read as a utopian activity which privileged the political and ideological over the functional      **Biographical Dictionary of Twentieth-Century Philosophers** Stuart Brown, Diane Collinson, Robert Wilkinson, 2012-09-10 This Biographical Dictionary provides detailed accounts of the lives works influence and reception of thinkers from all the major philosophical schools and traditions of the twentieth century This unique volume covers the lives and careers of thinkers from all areas of philosophy from analytic philosophy to Zen and from formal logic to aesthetics All the major figures of philosophy such as Nietzsche Wittgenstein and Russell are examined and analysed The scope of the work is not merely restricted to the major figures in western philosophy but also covers in depth a significant number of thinkers from the near and far east and from the non European Hispanic language communities The Biographical Dictionary also includes a number of general entries dealing with important schools of philosophy such as the Vienna Circle or currents of thought such as vitalism These allow the reader to set the individual biographies in the context of the philosophical history of the period With entries written by over 100 leading philosophy scholars the Biographical Dictionary is the most comprehensive survey of twentieth century thinkers to date Structure The book is structured alphabetically by philosopher Each entry is identically structured for ease of access and covers nationality dates and places of birth and death philosophical style or school areas of interest higher education significant influences main appointments main publications

secondary literature account of intellectual development and main ideas critical reception and impact At the end of the book a glossary gives accounts of the schools movements and traditions to which these philosophers belonged and thorough indexes enable the reader to access the information in several ways by nationality by major areas of contribution to philosophy e g aesthetics by major influences on the thinker concerned e g Plato Kant Wittgenstein *Russian/Soviet Studies in the United States, Amerikanistika in Russia* Ivan Kurilla, Victoria I. Zhuravleva, 2015-12-09 The contributors in this interdisciplinary collection address the problem of interconnection between the study of the Other either Russian or American and the shaping of national identities in the two countries at different stages of US Russian relations The focus of research interests were typically determined by the political and social debates in scholars native countries In this book leading Russian and American scholars analyze the problems arising from these intersections of academic political and sociocultural contexts and the implicit biases they entail The book is divided into two parts the first being a historical overview of past configurations of the interrelationship between fields and agendas and the second covering the role of institutionalized area studies in the twentieth and early twenty first centuries In both parts the role of the human factor in the study of mutual representations is elucidating *Women in the Khrushchev Era* M. Ilic, S. Reid, L. Attwood, 2004-02-27 This collection of essays examines women in the Khrushchev era using both newly accessible archival material and a re reading of published sources Exploring diverse subjects including housing space flight women workers cinema religion and consumption the volume places the analysis of specific events or issues within a broader discussion of economic political ideological and international developments to provide a full analysis of the era **Patronage and Politics in the USSR** John P. Willerton, 1992 How do Soviet politicians rise to power How are national and regional regimes formed How are conflicting political interests brought together as policies are developed in the Soviet Union In *Patronage and Politics in the USSR* first published in 1991 Professor John Willerton offers major insights into the patronage networks that have dominated elite mobility regime formation and governance in the Soviet Union during the past twenty five years Using the biographical and career details of over two thousand national leaders and regional officials in Azerbaijan and Lithuania John Willerton traces the patron client relations underlying recruitment mobility and policymaking He explores the strategies of power consolidation and coalition building used by Soviet chief executives since 1964 as well as the institutional links and policy outcomes that have resulted from network politics The author also assesses the manner and extent to which leaders in politically stable and less stable settings spanning different national cultural contexts have relied upon patronage networks to consolidate power and to govern Finally Professor Willerton explores how in a period of dramatic change patron client networks may have given way to institutionalised interest groups and political parties **Paradigm Lost** Kenneth M. Stokes, 2016-09-17 This sequel to *Man and the Biosphere* is an account of the origins and development of a cultural social energetic and systems theoretical contribution to critical Marxism It examines the intellectual contributions of the Russian

philosophers A A Bogdanov and A I Bukharin Bogdanov's and Bukharin's contributions as a search for a unity of scientific knowledge and a paradigmatic change from a closed mechanical system to an open systems paradigm

**Ideology and Soviet Politics** Alex Pravda, Stephen White, 1988-07-26 The official ideology of Marxism Leninism is central to Soviet politics and yet its development in recent years has received very little scholarly attention In this book a group of leading specialists drawn from both sides of the Atlantic advance decisively upon all earlier discussions of this subject to provide both an authoritative and detailed picture of the development of official ideology from the early years up to Gorbachev's 1986 Party Programme as well as a consideration of the changing role of ideology in Soviet foreign and domestic policy making The book will be required reading for all students of Soviet and communist politics it should also be of interest to a wider non specialist audience

**Developments in Soviet Politics** Stephen White, Alex Pravda, Zvi Gitelman, 1990-07-06 Written by a team of leading scholars this book meets the need for an up to date account on the political system and policy progress which is emerging and an analysis of the future prospects of the Gorbachev revolution

**Soviet Historiography of Philosophy** Evert van der Zweerde, 2013-06-29 Scientific history of philosophy was one of the professional branches of Soviet philosophy and a place where philosophical culture was preserved in an often hostile environment Situated between the ideological exigencies of the Soviet system with its Marxist Leninist theoretical foundation and the need for an objective account of philosophy's past Soviet history of philosophy displays the characteristic features of Soviet philosophy as a whole including a forceful reappearance of its Hegelian background This book is the only Western monograph on this important part of Soviet philosophy thus filling the last main gap in Western Philosophical Sovietology At the same time it offers the first survey of Soviet philosophy after the disappearance of the Soviet system itself embarking on an historical and meta philosophical investigation of Soviet philosophical culture The book will be of interest to students of Soviet and Russian philosophy historians of philosophy and specialists in Soviet studies

**Encyclopedia of Ukraine** Danylo Husar Struk, 1993-12-15 Over thirty years in the making the most comprehensive work in English on Ukraine is now complete its history people geography economy and cultural heritage both in Ukraine and in the diaspora

**Ideology And Policy** Terry L Thompson, 2019-05-20 Representing a milestone of further accomplishment in scholarly investigation of the dialectics for ideological evolution in the USSR this book will be a treasure for all who are interested in the development of Soviet ideology and should merit the attention of all specialists in Soviet studies It is uniquely valuable because it is the first extensive

**Politics, Society, And Nationality Inside Gorbachev's Russia** Seweryn Bialer, 2019-06-04 The East West Forum is a New York based research and policy analysis organization sponsored by the Samuel Bronfman Foundation Its goal is to bring together experts and policy leaders from differing perspectives and generations to discuss changing patterns of East West relations It attempts to formulate long term analyses and recommendations In p

*Ideology and National Identity in Post-communist Foreign Policy* Rick Fawn, 2004-03-01 A comparative analysis of the foreign policies of eight post communist states which considers the

extent to which official communist ideology has been replaced by nationalism and establishes how these states express their national identities through foreign policy      The Road to Disillusion: From Critical Marxism to Post-communism in Eastern Europe Raymond C. Taras, 2015-02-24 The history of reform movements in postwar Eastern Europe is ultimately ironic inasmuch as the reformers successes and defeats alike served to discredit and demoralize the regimes they sought to redeem The essays in this volume examine the historic and present day role of the internal critics who whatever their intentions used Marxism as critique to demolish Marxism as ideocracy but did not succeed in replacing it Included here are essays by James P Scanlan on the USSR Ferenc Feher on Hungary Leslie Holmes on the German Democratic Republic Raymond Taras on Poland James Satterwhite on Czechoslovakia Vladimir Tismaneanu on Romania Mark Baskin on Bulgaria and Oskar Gruenwald on Yugoslavia In concert the contributors provide a comprehensive intellectual history and a veritable Who's Who of revisionist Marxism in Eastern Europe      **The Palgrave Handbook of Russian Thought** Marina F. Bykova, Michael N. Forster, Lina Steiner, 2021-05-22 This volume is a comprehensive Handbook of Russian thought that provides an in depth survey of major figures currents and developments in Russian intellectual history spanning the period from the late eighteenth century to the late twentieth century Written by a group of distinguished scholars as well as some younger ones from Russia Europe the United States and Canada this Handbook reconstructs a vibrant picture of the intellectual and cultural life in Russia and the Soviet Union during the most buoyant period in the country's history Contrary to the widespread view of Russian modernity as a product of intellectual borrowing and imitation the essays collected in this volume reveal the creative spirit of Russian thought which produced a range of original philosophical and social ideas as well as great literature art and criticism While rejecting reductive interpretations the Handbook employs a unifying approach to its subject matter presenting Russian thought in the context of the country's changing historical landscape This Handbook will open up a new intellectual world to many readers and provide a secure base for its further exploration      Revolution and Culture Zenovia A. Sochor, 1988 Zenovia A Sochor here assesses one of the most important debates within the Bolshevik leadership during the early years of Soviet power that between A A Bogdanov and V I Lenin Once comrades in arms Bogdanov and Lenin became political rivals prior to the October Revolution Their disagreements over political and cultural issues led to a split in the Bolshevik Party with Bogdanov spearheading the party's left wing faction and attracting a following of notable intellectuals Before Lenin died in 1924 however he had succeeded in shaping Soviet society according to his own vision and today Bolshevism is commonly identified with Leninism while Bogdanovism is little known Sochor provides the first full exposition in English of Bogdanov's views which she asserts must be understood to appreciate the choices available and the paths not taken during the formative years of the Soviet regime      The Heart of the Matter David Bakhurst, 2023-04-24 The Heart of the Matter explores the legacies of Ilyenkov and Vygotsky two Russian thinkers who marshalled their passion for truth enlightenment and independent thought to understand the human mind not for the sake of

knowledge alone but to help create the conditions in which human flourishing can become a reality for all The book renders their theories intelligible against the dramatic social and historical background in which they lived and worked bringing their ideas into dialogue with themes and thinkers in Western philosophy to reveal how they illuminate philosophical issues of enduring significance
