

To Mary

I sleep with thee, and wake with thee,
And yet thou art not there;
I fill my arms with thoughts of thee,
And press the common air.
Thy eyes are gazing upon mine,
When thou art out of sight;
My lips are always touching thine,
At morning, noon, and night.

I think and speak of other things
To keep my mind at rest:
But still to thee my memory clings
Like love in woman's breast.
I hide it from the world's wide eye,
And think and speak contrary;
But soft the wind comes from the sky,
And whispers tales of Mary.

The night wind whispers in my ear,
The moon shines in my face;
A burden still of chilling fear
I find in every place.
The breeze is whispering in the bush,
And the dew falls from the tree,
All sighing on, and will not hush,
Some pleasant tales of thee.

was a crucial force in shaping British Romanticism Her influential six canto epic *Psyche or the Legend of Love* 1805 along with her shorter poems engaged the central issues of the period often in advance of writers now considered canonical With remarkable vitality and virtuosity Tighe wrote about the tensions between love and loss duty and desire the spiritual and the sensuous nation and family and the Irish and the British all while struggling with the debilitating illness that eventually claimed her life This scholarly edition collects for the first time dozens of recently discovered poems accompanied by Tighe s own illustrations and identifies eight false attributions A historical and biographical introduction from editors Paula R Feldman and Brian C Cooney discusses Tighe s work within a larger social and political context placing renewed emphasis on the conflicts she experienced as a Methodist with Anglo Irish roots Editorial annotations shed new light on Tighe s life revealing for the first time for example that her songs were performed during her lifetime on the Dublin stage Meticulously edited this volume builds on recent pioneering scholarship to restore and burnish Tighe s reputation as a major Romantic era poet

The Book of Mary Nicola Slee, 2009-03-01 Of all the women in the Bible writes Nicola Slee Mary has been for me the most ambivalent the most alien and yet at some level the most alluring I ve taken a long time to come to her or for her to come to me I grew up in a religious tradition low church Methodism in which Mary hardly featured other than in the nativity story Yet it is hardly possible to exist as an inhabitant of the western world with even half an eye open to the visual and cultural heritage of Christendom and not to have been in some way affected by this woman the woman of the Christian tradition With a collection of prayers and liturgical material focused around the figure of Mary and the themes of motherhood sisterhood and female faith this book projects a strong contemporary attitude It is clearly feminist affirming the significance of Mary in the faith journey of contemporary Christian and other women plus it challenges and critiques traditional stereotypes of Mary The author explores the sorrows of Mary her defiance and resistance sexuality sensuality aloneness independence and freedom companionship sisterhood friendship ministry priesthood contemplation prayer and silence wisdom authority faith risk and daring

Linkin,2016-04-01 Mary Tighe's unpublished novel *Selena* is one of the great unknown treasures of British Romanticism. Completed in 1803, this brilliant, compulsively readable, beautifully written, and psychologically astute courtship novel is finally available in a scholarly edition that reveals Mary Tighe to have been as talented a fiction writer as she was a poet. The history of this amazing work's long journey from manuscript to print is only one of the stories Harriet Kramer Linkin recounts in this scrupulously annotated edition based on the only known copy of the manuscript currently part of the National Library of Ireland's holdings. Linkin's introduction situates the novel in its historical context, draws attention to significant aspects of the plots and characters, and makes a strong case for *Selena*'s importance for understanding the history of the novel, fiction by women, Anglo-Irish fiction, silver fork novels, and the Romantic period. Explanatory notes explain obscure references and contexts, identify allusions to other writers, and provide translations of any non-English or archaic words. *Selena* itself is a revelation in its frank treatment of the darker aspects of Tighe's world, including parents who mistreat, cheat, or fail their children, and spouses who commit adultery or betray one another emotionally. At the same time, it is magnificent in its stunning and moving portrayals of romantic love, of the possibility and importance of female friendship, of the difficult necessity of choosing sense over sensibility, and of the need for women and men to choose self-enhancing vocations. This extraordinary novel is destined to open up new ways of thinking by scholars of the Romantic era and the history of the novel.
