**Nuggets of Truth** Samuel E. Manus,2011-07-01 Nuggets of Truth is a collection of various subjects to give encouragement and a great understanding of Gods purpose for our lives Each topic can be a subject matter for a sermon Not only does it offer inspiring words to lift the spirit of the discouraged but it gives insight into a greater walk with God The author presents seeds that when received in a prayerful attitude can touch the heart and mind and cause us to comprehend more what God is declaring in His Word to us

**Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook** Dr. John Mannion,2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber s My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day s study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student s Devotional and A Bible Teacher s Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase

The Name Quest John Avery,2014-08-01 Leaves no stone unturned in its author s search for names titles and descriptions of the persons of the Trinity found in the Bible Ronald F Youngblood American biblical scholar and general editor of Nelson s Illustrated Bible Dictionary The names of God

are like a rainbow each name expresses part of the spectrum of the character and attributes of God Along the way the author tenderly answers tough questions Which of the Hebrew names of God is His personal name Yahweh or Jehovah What does it mean to pray in Jesus name How can we relate to the Holy God and the Judge Why is a God of love called the Jealous God What does it mean to call Jesus the Messiah The Name Quest mentions all the names of God in the Bible while explaining their significance in ordinary language No one has ever met God completely or exhaustively But God invites you to know Him Like a clear trail in a forest the names of God lead you deeper into the heart of God In his book The Name Quest John Avery leads us deeper into God s heart Enjoy the journey Floyd McClung International Director All Nations What s in a name John Avery takes us on the ultimate exploration of the Ultimate Name With both exhaustive research and engaging narrative John s work and wit will be a blessing to any sojourner s quest Layperson teacher and serious seeker alike will be challenged and edified Sam Skillern Salem Leadership Foundation The Name Quest is both light heartedly delightful and deeply thoughtful It engages the theological mind with a fresh and lively tone Cheryl Bear Barnettson Native Musician and Foursquare Pastoral Overseer Canada *Loving Arms* Karen Schneider,2021-09-15 *Loving Arms* examines the war related writings of five British women whose works explore the connections among gender war and story telling While not the first study to relate the subjects of gender and war it is the first within a growing body of criticism to focus specifically on British culture during and after World War II Evoking the famous St Crispin s Day speech from Henry V and then her own father s account of being moved to tears on V J Day because he had been too young to fight Karen Schneider posits that the war story has a far reaching potency She admits perhaps for all of us that such stories had powerfully shaped my consciousness in ways I could not completely resist How a story is narrated and by whom are matters of no small importance As widely defined and accepted war stories are men s stories If we are to hear an other story of war then we must listen to the stories women tell Many of the war stories written by women insist that war is not the condition of men but rather the condition of humanity beginning with relations between the sexes For the five women whose work is examined in *Loving Arms* Stevie Smith Katharine Burdekin Virginia Woolf Elizabeth Bowen and Doris Lessing this latter point was particularly relevant Their positions as women within a patriarchal militarist culture that was externally threatened by an overtly fascist one led to an acute ambivalence says Schneider Though all five women perceived the war from substantially different perspectives each in her own way exposed and critiqued the seductive power of war and war stories with their densely interwoven tropes of masculinity and nationalism Yet these writers conflicting impulses of loyalty to England and resistance to the war betray their ambivalence *Loving Arms* will interest students of twentieth century British literature and culture gender studies and narratology Even today we maintain an unabated love affair with the war story But unless we listen to what the women had to say fifty years ago we are doomed to hear only the same old story *Blessings Abound* Sherry Lynn Leonard,2011-04-20 And we know that in all things God works for the good of those who love Him who have been called according to His purpose

Romans 8 28 NIV In Blessings Abound Sherrys shares spiritual principles personal anecdotes and applicable Scriptures to remind others that the Lord Jesus Christ is the great I Am and is an everlasting presence for all who seek His wisdom Jesus has been a constant companion in Leonards life since she first accepted Him in eighth grade she soon learned how completely He knew her heart and the best ways she could serve Him By sharing nuggets of truth from her own unique and complex spiritual journey Sherry helps others discover the significance of prayer the importance of forgiveness and redemption and the power of implementing God s Word in all aspects of life Sherry offers guidance in all aspects of daily living including proper communication in marriage effective ways to teach children about God and methods to live an abundant life reflective of Gods divine plan Blessings Abound offers an inspirational guidebook for anyone seeking to bring honor and praise to Jesus

**The Unfamiliar Brilliance of the Inner Kingdom** Pastor Stevie L. Glenn, 2012-04 My people are destroyed for lack of knowledge Hoes 4 6 The lack of knowledge has been the limiting factor in the lives of saints for thousands of years The knowledge of the power and might that God invested in the saints to overcome the world has perished from the earth on a grand scale ever since the days that Christ and Acts of the Apostles However God is still waiting for those who are willing to demonstrate His glory mightily against the kingdom of darkness This divine demonstration requires from every believer an extreme passion for the truth and the willingness to prove that all things are possible Unfamiliar Brilliance of the Inner Kingdom will uncover the mystery and power of God s authority and dominion within the believer Believers will not only believe all things are possible they will be willing to demonstrate this belief with every degree of their souls No stranger to the gospel of Christ Pastor Steve Glenn an ordained Pastor has spent 16 years plus as the pastor of Infinite Visionary Training Center emphasizing the significance of divine progress for all believers Prior to starting the ministry Pastor Glenn spent years researching the deeper knowledge of God prayfully examining and evaluating many forms of religions and doctrines under the guidance of the Holy Spirit and the word of God An unyielding believer in the unimaginable power of God operating within the believer Pastor Glenn provides the full gospel in order to empower and transform the mind heart and soul of the believer for the work of God s kingdom

*The Spiritual Truth Series* Lucian Phoenix-Wolf, 2004-10 Have you ever had anything weird or unusual happen to you You are not alone Most people use religion to explain anything supernatural that may have happened to them The author did this and he soon found out how wrong he was Finding the truth is a very freeing experience This book is about opening your mind and finding out the power you have in your beliefs I bet you would be surprised at what you could do if you just change how you think That s right you control what you believe When you uncover the power that you have in your beliefs you could do almost anything All you have to do is accept the fact that truth is stranger than fiction Publisher description

**Americana** ,1915 **Americana Illustrated** ,1915 [A Peculiar Treasure](#) Jon W. Brisby, 2019-06-30 A woman s personal conviction to begin keeping the seventh day Sabbath in 1926 would challenge her husband to begin an intensive study to prove her wrong That study would

spawn a new religious movement under Herbert W Armstrong A fledgling group would form in 1934 and an audacious media operation would make the Radio Church of God later named the Worldwide Church of God grow by 30% per year over the next 35 years Proclaiming a unique understanding of the Bible traditional Christian orthodoxy would be challenged making that church most peculiar indeed Internal and external forces would alter Herbert Armstrong s view of his own mission and especially after Loma s death doctrinal and administrative turmoil would stagger the church for the rest of his life After his death in 1986 the empire would implode and successors would dismantle everything that the Armstrong s had built Was it all just a fantastic fraudulent escapade conceived by a lucky and opportunistic salesman or might it have been a divine Work God s own peculiar treasure If it did begin with God s inspiration why and how did it all go so wrong Is there anything left of it today that has any redeeming value These are the questions that will be answered with evidence to suggest that there is yet an enduring legacy of Herbert and Loma Armstrong
