Gopalakrishnan,2012-09-28 There are many books on leadership What the CEO Really Wants from You is one of the few to address the question that is uppermost in the mind of any manager What he should be doing to make his or her boss his partner rather than his opponent We spend most of our lives at work or thinking about it Starting from a young age fired by boundless energy and optimism we launch into our careers sure of our abilities Yet things do not always turn out as we expect they would It is not our abilities alone The business environment is one of change and ambiguity It is no easy task for any manager to negotiate the journey to success As Paul Polman CEO of Unilever points out in his foreword partnerships with others but above all with your direct boss and organization are more important than ever before Not only that a good boss has an instinct for the right people and getting them to do better A good manager by eliciting his help helps himself Few people are better qualified to guide on this journey than R Gopalakrishnan He brings forty five years of experience to this subject in some of the most challenging jobs In this immensely practical book informed by the wisdom he has gleaned over the years he offers the reader the benefit of all he has learnt summarized in the four As Accomplishment Affability Advocacy and Authenticity This is a book that will be of immense use to any manager and one that just might bring him the answers it takes years to find what the CEO really expects from him You can also buy from Online stores Buy from a nearby bookstore Flipkart com Reliance Timeout Homeshop18 com DC books Infibeam com Crossword Bookstore Uread com Landmark Bookstore Indiaplaza com Om Book Shop Starmark Bookstore Sapna Bookstore Full Circle Bookstore Bahri Sons Bookstore Teksons Bookstore Sankars Bookstore **Soldiers for Christ** Dr. Brian J. Bailey,2021 Dr Brian Bailey presents this commentary on the epistle to the Ephesians which beautifully portrays Christ as the warrior King clothed with the armor of God This same armor is available to us by His grace so that we too may be victorious over the enemy It is the author s prayer that the readers might enter into these beautiful truths that we might be raised up to sit together in heavenly places in Christ Jesus 2 6 **Tropical Truth(s)** Armin Burkhardt,Brigitte Nerlich,2010-04-23 Tropes are not only rhetorical means which are used as a creative and or persuasive linguistic means in poetry and public speech They are also a cognitive tool which helps people to understand the world and to express their world As they are the basis on which our worldview and even our everyday speech is founded the question must be posed as to whether utterances containing tropes can be said to be true This has been an epistemological problem since Nietzsche expressed his doubts about the possibility that figurative language could give access to truth However since then research has paid little attention to this question 18 papers by linguists philosophers psychologists and literary scholars have been collected in this volume Their 21 authors use various approaches or paradigms in order to define metaphor metonymy synecdoche irony euphemism antonomasia and hyperbole and find an answer to the crucial epistemological questions namely whether and to what extent utterances containing tropes can be said

to be true or false      *Lies That Tell the Truth* Carolyn Pinkard,2000-12 This book is about metaphor what it is what it does Putting aside overly technical definitions the author proposes one intended for the general reader A metaphor is a lie that tells the truth An example Uncle Pat is a hog A literal lie anyone who observes Uncle Pat forking it in will agree that this lie is also true Drawn from such diverse arenas as literature sports education oratory religion and philosophy even the stock market the book presents more than two hundred metaphors that demonstrate that no society anywhere on earth does or did not have metaphors Convincingly the author shows that this incredibly wide use of metaphor depends on its startling colorful language that is easy to understand and easy to remember The heart of the book is a collection of metaphors that offer an alternative to description of things spiritual in abstract language By contrast the author maintains metaphor throws light on the spiritual world even into its most shadowed corners      **Basic Training for the Fight of Your Life, the Final Stand**

Robert Mayhew,2013-02 The purpose of the book is to revive the spirit of real Christianity in the United States stand against our Adversary and turn from our collective moral drift Done as an analogy by telling my experiences in Basic Training in the Army and how those experiences relate to Christianity The book is divided into three parts The first part is Individual Training skill sets For example my volunteering in the Army and the transition from civilian to soldier Likewise the transition from not being a Christian to voluntarily wanting to be one and the transition that takes place Another is my experience on a compass course where I started out doing well but got lost and finally found my way to the finish I compare the compass to the Bible and relate it to life Other examples as well The second part is Opposing Forces Training where I learned how the enemy operates and received training focused around defeating him I apply that to learning the ways of Satan because just like a victorious army you must know your spiritual enemy to be successful against him And the third and last phase is the reclamation which is brought about only by the application of the first two phases That is reinforced by quotes from prominent people from the past      *The Grumble-Free Year* Tricia Goyer,2019-11-05 Join USA Today bestselling author Tricia Goyer and her family of eleven as they embark on a yearlong quest to eliminate grumbling from their home and discover a happier healthier and more grateful approach to living life The Goyer home with two parents eight kids and one eighty eight year old grandmother with dementia is never without noise mess activity and often complaining And it s not just the kids grumbling After adding seven children in less than six years through adoption the Goyer family decided to move out of survival mode and tackle the impossible a grumble free year The Grumble Free Year will give you the tools you need to Go with the flow when life gets in the way of your plans Discover what really matters to you and your family Thrive not just survive as a family In The Grumble Free Year the Goyers invite you into their journey as they go complaint free and discover what it looks like to develop hearts of gratitude They share their plans successes failures and all the lessons they learn along the way offering real life action steps based in scripture so that you can also uncover a heart that is truly thankful Praise for The Grumble Free Year The Grumble Free Year is about becoming more than just grateful It s about learning how to see
