Nuke Chronicles ,1980 **Women on War** Daniela Gioseffi,2003 An international anthology of women s writings from antiquity to the present American Sublime Rob Wilson,1991 Tracing ideas of the sublime in American literature from Puritan writings to the postmodern epoch Rob Wilson demonstrates that the North American landscape has been the ground for political as well as aesthetic transport He takes a distinctly historical approach and explores the ways in which experiences of the American landscape instill desire for other kinds of vastness self expansion national expansion and American political power As Wallace Stevens put it the American will takes dominion everywhere Wilson sets the stage for his genealogy with a discussion of the classical notion of the sublime taken primarily from Longinus and the ways that notion was pragmatically transformed by its American setting and appropriated by American poets He follows this transformation in successive chapters on the Puritans Bradstreet through the Naturalists Livingston and Bryant from the epitome of the American sublime Whitman to the greatest of the modernists Stevens and its present day incarnations Ashbery and others Writing today under the sign of Hiroshima contemporary writers must struggle with the concept of the sublime within a context of spiralling technologies and nuclear force that calls into question the long standing American sacralization of power Throughout American Sublime Wilson engages in an original theoretical inquiry into the sublime as term topic complex and controversial idea in literary and critical history Furthermore he undertakes his historical study from an avowedly postmodern perspective one that draws on and extends the work of Jameson Lyotard Foucault Lentricchia Harold Bloom and others **Chronicles** ,2006 An Eagle Nation Carter Revard,1993 Poems set in Oklahoma Oxford University and elsewhere deal with life as an Osage Indian a Rhodes scholar and a professor of medieval English literature Nuke Chronicles ,1980 At the End of Ridge Road Joseph Bruchac,2005 A noted teller of the traditional tales of the Adirondacks and of Native peoples everywhere Joseph Bruchac has performed throughout the world That gift for narrative informs this revealing autobiography **Chronicle 2023** Andrew Woodmaker,2015-03-01 A humourous suggestion leads to a gruesome discovery In this tenth year s worth of entries from a diary stored on a futuristic recording device found after a house fire Andrew Woodmaker investigates the patterns of a serial killer and ponders a life changing decision In 2023 Middle Eastern tensions spread as the Americans become involved in the conflict On Mercury the Russian mission makes a surprising discovery while the British Skylon finally attempts its first mission into space Andrew Woodmaker is persuaded to begin a new investigation but at work his hopes are dashed as an important job goes to someone else Nobody knows if this is a work of fiction or a true record of how things happened and will happen By reading the diary some things may have already begun to change and the future is not what it was But it could be that this is how it would have been The Works of Allen Ginsberg, 1941-1994 Bill Morgan,1995-02-28 Avant garde poet and popular culture icon Allen Ginsberg has been one of the world s most important writers for over 40 years This comprehensive bibliography covering the years 1941 to 1994 was

prepared with the cooperation of the poet himself All books periodicals photographs recordings films and miscellaneous appearances are listed here Entries are grouped in chapters according to type of work and each entry provides full descriptive bibliographic information Allen Ginsberg is perhaps the most famous poet of our time as well as one of our most prolific writers His subjects range from Buddhist studies to drug research to gay rights to political issues of every description from Vietnam to censorship Ginsberg gave the author access to personal files and as a result every appearance of Ginsberg s writings in the English language is noted This bibliography is a comprehensive descriptive record of all of Ginsberg s works The volume contains descriptive annotations of every book pamphlet and broadside by Ginsberg It also contains complete descriptions of every contribution by Ginsberg to the works of others In addition all periodical contributions recordings films and miscellaneous publications are listed Due to Ginsberg s recent acceptance as a photographer of note a special section identifies all of his published photographs Entries are arranged in chapters according to the type of work to facilitate ease of use As a result this book presents a history of Ginsberg s works and traces the evolution of his writings over a period of publications and revisions
