Numbers And Joshua:

Numbers and Joshua George S. Syme,1981 A Commentary on Numbers Pekka Pitkänen,2017-06-26 This book provides a new reading of the biblical book of Numbers in a commentary form Mainstream readings have tended to see the book as a haphazard junkyard of material that connects Genesis Leviticus with Deuteronomy and Joshua composed at a late stage in the history of ancient Israel By contrast this book reads Numbers as part of a wider work of Genesis Joshua a carefully crafted programmatic settler colonial document for a new society in Canaanite highlands in the late second millennium BCE that seeks to replace pre existing indigenous societies In the context of the tremendous influence that the biblical documents have had on the world in the last 2 000 3 000 years the book also offers pointers towards reading these texts today This volume is a fascinating study of this text and will be of interest not only to biblical scholars but to anyone with an interest in the history of the ancient Levant and colonisation and colonialism in the ancient world more broadly

Syme, 1988 **Eerdmans Commentary on the Bible:** Numbers Philip J. Budd, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Budd's introduction to and concise commentary on Numbers The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions Iournalina with Intentionality for My Beloved Georganna Lewis, 2019-10-22 Paperback Journaling with Intentionality for My Beloved is a love letter in the form of a Christian prayer JOURNAL AND WORKBOOK full of scriptures from the Holy Bible poems bible study plans inspirational quotes emotional barometers exercises and more All these tools will inspire equip and assist you in your daily devotional time with God During this time alone with God ask the Holy Spirit to help you be honest about your true feelings concerning your relationship with yourself others and God This invaluable resource will reveal hidden jewels concerning your inheritance as a joint heir with Jesus Christ Romans 8 17 Journaling with Intentionality will encourage you to spend quality time with God As you begin to intentionally unpack your emotions truths and aspirations through journaling and completing the exercises you will begin to cast your cares on God during this time knowing that he really does care for you and everything you care about Your Life of Peace Awaits You Secrets of the Prince of Expositors Michael Hawk Mills, 2025-04-25 Crowds through to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren's sermons as well as his essay An Old Preacher on Preaching teach expositors today how to make the Bible's truths come alive and be applicable **The Book of Numbers** Alan Hugh McNeile,1911 Sovereign Authority and the

Everyday Encounters with the Lord Tony Elder, 2018-09-11 This inspiring daily devotional will challenge you to grow in your relationship with the Lord while allowing Him to transform you into the Christlike person He calls you to be Enhance your personal moments with God each day by being reminded of vital biblical truths which can be found imbedded in our everyday experiences Hear God speaking through interactions with grandchildren nature the day s headlines holiday gatherings and all the other common occurrences in life Let these readings point you to further study in God's Word lead you to seeking God in prayer and guide you into greater service for His kingdom Here's an excerpt from one of those daily messages Last weekend when I first saw a news report about a missing husband and wife I thought it was an unfortunate and potentially tragic situation But when I realized I actually knew the couple that we had been fellow church members with this nice lady many years ago the story really hit home So I kept checking the news throughout the day to receive updates on the search for these missing persons Isn t that the way it often goes We may hear about certain people their situations and predicaments We may respond with some degree of slight interest to genuine concern But when it involves somebody we know our own family or ourselves it really gets our attention and has a bigger impact on us It reminds me of the time the prophet Nathan told King David about a man who had a great number of flocks and herds Once David realized this story was about him it deeply affected him leading to heartfelt confession and repentance Maybe there are some stories facts and truths in the Bible which we need to take more personally than we do The general statements may affect us to some degree but not as much as they should In many cases we need to realize it s talking about me and you When the Bible declares that God so loved the world that He sent His Son we should take it personally God loves you God cared enough about you to take such action You are the one When God's Word calls believers to love others and be holy He's talking to you When He commissions His followers to be His witnesses to be lights in a dark world and to share the gospel He is sending you You are the one If God's Word isn't moving us and affecting us very deeply maybe it's because we're looking at it as more of a textbook to be studied rather than as a personal letter to be received Read the Bible see yourself in its truths and seek to hear what God wants to say to you Outline and Analysis of the Books of Numbers and Joshua Emanuel Sprankel Young, 19??
